This text is dedicated to all of those who have lost their families, friends, livelihoods, health and lives while fighting for the truth.

In the end, God wins.

And ye shall know the truth, and the truth shall make you free.

-John 8:32 (KJV)

The good fighters of old first put themselves beyond the possibility of defeat, and then waited for an opportunity of defeating the enemy.

-Sun Tzu, The Art of War

Introduction

The posts throughout this book pick up where Volume Two left off. These posts are a compilation of anonymous and non-anonymous drops by civilians, archived from *VOAT* (an anonymous internet chat forum) within the sub-verse of QRV. In Volume Three, these posts begin on May 13, 2020 and carry on through the month of June, 2020.

QRV (<https://voat.co/v/QRV>) is the only Q endorsed sub-verse via Q posts: 2269 and 2272 that were posted on *qmap.pub* and *qanon.pub* on September 21, 2018. At the beginning of compiling Volume Three, QRV had roughly 20,215 subscribers, and that number was growing by the day. Depending on the day, Q was also making posts throughout this time on *8kun.top*. Then, those Q posts always make their way to *qanon.pub* and *qmap.pub*. The Q posts during this time are embedded among the anonymous comments from QRV on the corresponding day.

Anonymous

Q has encouraged everyone to archive offline (i.e., Q posts: 672, 993, 1186). These books are just some examples of such an archive. These predominantly anonymous citizen posts are unedited, stemming from thousands of Americans and those in foreign countries across the world who subscribe to QRV on *VOAT*. These posts are only organized by the day of the week and month in which they were posted. Some posts are news reports, while many posts are personal accounts and observations, social-media threads, videos, and Anon investigations of politicians and public figures.

On over 17 occasions, Q has stated; “You are the news now.” Therefore, the mainstream media is 100% irrelevant. The real investigations and facts are coming from anonymous citizens. General Michael Flynn himself stated; “We have an army of digital soldiers... We have what we call; citizen journalists.”

While some may not be familiar with Q, or Q posts, we encourage you to look up “*Storm is Upon Us*” by Joe M on YouTube, and watch the videos in chronological order to give yourself a starting point. We also recommend watching the documentary titled *Out of Shadows*, on YouTube, which was published while this archive of online posts was being put together.

The Storm: Volume Three

More recently, the short documentary titled, *Plandemic: The Movie*, featuring Judy Mikovits, Ph.D. (also author of the book *Plague of Corruption*) became available during this time throughout Volume Two. This short documentary was being scrubbed from most mainstream online video platforms once it made its way to the internet. It's available on Bitchute and some places on YouTube, and it's highly recommended. We also recommend the documentary; *UK's Hidden Shadows*. This, too, is available on YouTube and Bitchute if it hasn't been removed by now.

Then, and more importantly, visit *qmap.pub* and *qanon.pub* and read the Q posts in chronological order, which begin on October 28, 2017.

This is a historical archive for the purposes of personal use, personal education and entertainment. These are anonymous commentaries, reflections and experiences of Americans, and citizens across the world, during the Spring and Summer of 2020. Some of these anonymous posts within may be pure speculation. This is Volume Three.

To begin to understand the danger we face and how much (They) hate us, the link provided should not only be read but should be studied in great detail. This is their agenda against humanity.

READ IT.

<https://jabajabba.com/the-secret-covenant/>

“An illusion it will be, so large, so vast, it will escape their perception.

Those who will see it will be thought of as insane.”

The author of The Secret Covenant is unknown. Questions as to the origin of The Secret Covenant have been debated and as it seems most have even dismissed it as a work of complete fiction but to those who have obtained a deep understanding of these things when presented with the facts cannot deny and ignore the Validity of this Demonic Manifesto.

The Secret Covenant was leaked out on www.Bankindex.com 21 June 2002. The piece came in through one of Bankindex forms with the author left leaving an unusable e-mail address.

The Secret Covenant

An illusion it will be, so large, so vast, it will escape their perception.

Those who will see it will be thought of as insane.

We will create separate fronts to prevent them from seeing the connection between us.

We will behave as if we are not connected to keep the illusion alive.

Anonymous

Our goal will be accomplished one drop at a time, so as to never bring suspicion upon ourselves. This will also prevent them from seeing the changes as they occur.

We will always stand above the relative field of their experience for we know the secrets of the absolute.

We will work together always and will remain bound by blood and secrecy.

Death will come to he who speaks.

We will keep their lifespan short and their minds weak while pretending to do the opposite.

We will use our knowledge of science and technology in subtle ways so that they will never see what is happening.

We will use soft metals, aging accelerators and sedatives in food and water, also in the air.

They will be blanketed in poison everywhere they turn.

The soft metals will cause them to lose their minds. We will promise to find a cure from our many fronts, yet we will feed them more poison.

The poisons will be absorbed through their skin and mouths. They will destroy their minds and reproductive systems.

From all this, their children will be born dead, and we will conceal this information.

The poisons will be hidden in everything that surrounds them; in what they drink, eat, breathe, and wear.

We must be ingenious in dispensing the poisons for they can see far.

We will teach them that the poisons are good with fun images and musical tones.

Those they look up to will help. We will enlist them to push our poisons.

They will see our products being used in film and will grow accustomed to them and will never know their true effect.

When they give birth we will inject poisons into the blood of their children and convince them it is for their help.

We will start early on, when their minds are young. We will target their children with what children love most, sweet things.

When their teeth decay, we will fill them with metals that will kill their mind and steal their future.

The Storm: Volume Three

When their ability to learn has been affected, we will create medicine that will make them sicker and cause other diseases for which we will create yet more medicine.

We will render them docile and weak before us by our power.

They will grow depressed, slow, and obese, and when they come to us for help, we will give them more poison.

We will focus their attention towards money and material goods so that the many never connect with their inner self.

We will distract them with fornication, external pleasures, and games, so that they may never be one with the oneness of it all.

Their minds will belong to us and they will do as we say. If they refuse, we shall find ways to implement mind-altering technology into their lives. We will use FEAR as our weapon.

We will establish their governments and establish opposites within.

We will own both sides.

We will always hide our objective but carry out our plan.

They will perform the labour for us and we shall prosper from their toil.

Our families will never mix with theirs. Our blood must be pure always, for it is the way.

We will make them kill each other when it suits us.

We will keep them separated from the oneness by dogma and religion.

We will control all aspects of their lives and tell them what to think and how.

We will guide them kindly and let them think they are guiding themselves.

We will foment animosity between them through our factions.

When a Light shall shine among them, we shall extinguish it by ridicule, or death, whichever suits us best.

We will make them rip each other's hearts apart and kill their own children. We will accomplish this by using hate as our ally, anger as our friend.

The hate will blind them totally, and never shall they see that from their conflicts we emerge as their rulers. They will be busy killing each other.

They will bathe in their own blood and kill their neighbors for as long as we see fit. We will benefit greatly from this, for they will not see us, for they cannot see us.

Anonymous

We will continue to prosper from their wars and their deaths.
We shall repeat this over and over until our ultimate goal is accomplished.

We will continue to make them live in fear and anger through images and sounds. We will use all the tools we have to accomplish this. The tools will be provided by their labor. We will make them hate themselves and their neighbors.

We will always hide the divine truth from them, that we are all one. This they must never know! They must never know that color is an illusion, they must always think they are not equal.

Drop by drop, drop by drop we will advance our goal.

We will take over their land, resources and wealth to exercise total control over them.

We will deceive them into accepting laws that will steal the little freedom they will have.

We will establish a money system that will imprison them forever, keeping them and their children in debt.

When they shall band together, we shall accuse them of crimes and present a different story to the world for we shall own all the media.

We will use our media to control the flow of information and their sentiment in our favor.

When they shall rise up against us we will crush them like insects, for they are less than that. They will be helpless to do anything for they will have no weapons.

We will recruit some of their own to carry out our plans, we will promise them eternal life, but eternal life they will never have for they are not of us.

The recruits will be called “initiates” and will be indoctrinated to believe false rites of passage to higher realms. Members of these groups will think they are one with us never knowing the truth.

They must never learn this truth for they will turn against us.

For their work, they will be rewarded with earthly things and great titles, but never will they become immortal and join us, never will they receive the light and travel the stars.

They will never reach the higher realms, for the killing of their own kind will prevent passage to the realm of enlightenment. This they will never know.

The truth will be hidden in their face, so close they will not be able to focus on it until it's too late.

The Storm: Volume Three

Oh yes, so grand the illusion of freedom will be, that they will never know they are our slaves.

When all is in place, the reality we will have created for them will own them. This reality will be their prison.

They will live in self-delusion. When our goal is accomplished, a new era of domination will begin.

Their minds will be bound by their beliefs, the beliefs we have established from time immemorial.

But if they ever find out they are our equal, we shall perish then.

THIS THEY MUST NEVER KNOW. If they ever find out that together they can vanquish us, they will take action.

They must never, ever find out what we have done, for if they do, we shall have no place to run, for it will be easy to see who we are once the veil has fallen.

Our actions will have revealed who we are and they will hunt us down and no person shall give us shelter.

This is the secret covenant by which we shall live the rest of our present and future lives, for this reality will transcend many generations and life spans.

This covenant is sealed by blood, our blood. We, the ones who from heaven to earth came.”

This covenant must **NEVER, EVER** be known to exist.

It must **NEVER, EVER** be written or spoken of for if it is, the consciousness it will spawn will release the fury of the **PRIME CREATOR** upon us and we shall be cast to the depths from whence we came and remain there until the end time of infinity itself.

Kentucky has LOST ITS WAY.

2 months ago I would have laughed at the idea that what is happening here in Kentucky has, and is happening.

We **WERE** one of the 'last bastions of freedom'.

We elected a Dem Governor last fall. Andy fucking Bershear. He is a fascist fuck who is making up the rules, calling it law, and enforcing with de-facto bans and state police/government. He has a cult like following too. I see these moronic soccer moms and Nanny staters with fucking "I love Andy" t-shirts walking around. Here in my

Anonymous

county we had two boys recently in a car accident. One died, one in critical care. The parents could not see their dying son in the hospital. Hospital said "NOPE ... COVID rules are in effect". If that were me, there would be a line of seriously fucked up hospital fuckers. Period. I'd bury my kid then go to prison.

We are quickly becoming New York, and NO ONE is doing a fucking thing. No one... In Kentucky! Land of "get the fuck off my property or become fertilizer" Kentucky, where in half the counties in this state when you graduate high school you get a diploma, a gift certificate for a gun at 90% off, a carry conceal permit, and a Bible. We are fixin' to open up horse racing again. That shit it OUT FUCKING DOORS ... yet we can't go watch.

Muther fuckers here just rolled the fuck over and let slicky boy Andy just pound the Commonwealth right in the ole poop shoot - Deliverance style.

I Should have planted my flag in Tennessee.

Moral of the story: don't elect Democrats.

'Obamagate' Isn't A Conspiracy Theory, It's The Biggest Scandal Of Now (thefederalist.com)

<https://thefederalist.com/2020/05/13/obamagate-isnt-a-conspiracy-theory-its-the-biggest-political-scandal-of-our-time/>

It's very informative to watch how the Left is handling the entire #obamagate issue. Their responses range from "Ho hum, so what?" to "This is another hoax" and "This is just a distraction for the 2020 election." Others are outright justifying what happened, which is typical of the Left's "by any means necessary" and "the ends justify the means" thinking. These are dangerous people, and we must thoroughly defeat them and their sick ideology.

They thought they could prevent the exposure of this information and remain protected.

Why did they believe this?

significant, because if he did, he shared classified info with a family member who acted on it to get cash
Pelosi is freaked. Gotta be. She's fair game now, Burr provides political cover to investigate her.

Judge Sullivan is so panicked that he has finally shed all illusions that we are at war. No holds barred. Gloves off. Last man standing. His moves are like a clumsy assassin in broad daylight.
We have moved from a simmering war below the surface to a full-blown thermonuclear conflict. His moves are so audacious that they can only have been provoked by threat. No judge, no matter how partisan, would do what he's done unless he is under extreme threat, as in "if Flynn walks before the election, your entire family dies in minutes after that."

Gang, the fact that many of Obama's inner circle requested unmasking AT THE SAME TIME, after meeting with Obama, equals coordination. Equals conspiring. Equals conspiracy.
Also, RICO conspiracy. The government, upon merely charging these people under RICO, can seize ALL their assets.

Equals Treason!

Also RICO has no expiration date.
Equals death penalty option.
Equals = military tribunals = GITMO

Remember, we aren't conspiracy theorists. We're organized crime investigators.

Just saw two CBP agents near Port Everglades, Fl.

This happened just now.

I'm standing in front of Dunkin Doughnuts, enjoying my morning coffee. Up walks two CPB agents, one female, one male. The female is friendly, smiles, waves and says good morning. The male isn't friendly, and says nothing.

As I wait for them to come out, I decide I'm going to see if I can strike up a conversation when they come out.

When they come out, I ask "Hey, how bad is human trafficking?"

They don't stop walking as they answer:

The dude says "It exists"

The female says "Its really bad.....hang in there"

I wish she was by herself, she would have stopped and talked with me. But unfriendly dude would have none of it.

Finally My Dad is awake.

I know with all the information coming out this is not worthy but for myself.

Here's why.

For the last 3 years my dad would not talk to me. He is 82 now and I am 55.. I have tried and tried to show him facts throughout and I was nothing more than a whack job in his eyes.

Now comes #ObamaGate. That opened his eyes and this morning he called me up to apologize and now see's the truth and listen to him talk about all the corruption, I know I am a guy and raised that men don't cry. But I just sat there and listened to him and I teared up in

“I am the source for this quote, which was indeed said by CIA Director William Casey at an early February 1981 meeting of the newly elected President Reagan with his new cabinet secretaries to report to him on what they had learned about their agencies in the first couple of weeks of the administration. The meeting was in the Roosevelt Room in the West Wing of the White House, not far from the Cabinet Room. I was present at the meeting as Assistant to the chief domestic policy adviser to the President. Casey first told Reagan that he had been astonished to discover that over 80 percent of the ‘intelligence’ that the analysis side of the CIA produced was based on open public sources like newspapers and magazines. As he did to all the other secretaries of their departments and agencies, Reagan asked what he saw as his goal as director for the CIA, to

Ingraham: State Board in TX refusing hydroxy to patients, NEEDS Trumps Attention!!

Motherfuckers are trying to kill more people. Trump admin needs to resolve this, people's lives at stake!

Dr. Ivette Lozano of Dallas, Texas was just on Laura Ingraham show. Not only did she hear about HCQ from President Trump, but it has been 100% successfully with every case of CV, including mild and severe cases! People are coming from all over Texas to get treated by her, this is so successful. Symptoms improved within 4 hours, and all gone within a day or 2. She's now having trouble with pharmacies refusing to fill the prescriptions.

Here's a YT video with Dr. Ivette speaking at a Texas rally:

They need to add zinc. And also, we need to know if this is the study that Bill Gates recommended which uses Vitamin C as the "placebo."

They left out zinc to ensure the trial fails.

Where is the Zinc?

Exactly! No zinc means it's not going to work. This study is made to fail.

It's already set up to fail - just like the VA sample.

Thanks for sharing. People being people again. Hopefully they will not stay asleep, or return there.

Here's hoping there are real conversations about the shit that matters and not just bar fly shit.

At least they got the balls to do it.

If WE had the balls we would also. The law is actually on OUR side.

WTP need to make this VIRAL!

Our Constitution is NOT suspended.

Governors don't make laws.

Legislatures make laws.

Judges and Police are to enforce existing laws and protect our Constitution.

Examples:

Blue laws some states created, requiring some businesses to be closed on Sundays declared unconstitutional.

Governors/Mayors claiming Emergency Order to evacuate our homes due to Hurricane or inclement weather in the area is unconstitutional.

Our Constitution pertaining to FORCED shutdowns/lock-downs:

1st Amendment: Protects several basic freedoms in the United States including FREEDOM OF RELIGION, and THE RIGHT TO ASSEMBLE. Keeping people from meeting up for worship, like going to church IS A VIOLATION OF YOUR 1ST AMENDMENT RIGHTS!

9th Amendment: The 9th Amendment was intended to provide a mode of interpretation for the Constitution, guaranteeing that federal courts would have been expressly forbidden from creating new governmental powers through clever interpretation. THIS INCLUDES GOVERNORS.

The 9th Amendment offers a constitutional safety net, intended to make it clear that Americans have other fundamental rights beyond those listed in the Bill of Rights. It protects your NATURAL RIGHTS as U.S. Citizens...I.E. FREEDOM OF MOVEMENT, and the state telling you that you CANT sell this, or that. MAKING you wear a mask, or anything else for ANY reason. This also includes FORCED tests and, or vaccinations! 14th Amendment: The 14th Amendment of the U.S. Constitution says that anyone born in the

Anonymous

United States is a citizen and that all states must give citizens the same rights guaranteed by the federal government in the Bill of Rights. This covers the previous two Amendments. Basically says that you have EQUAL RIGHTS UNDER THE LAW!
NOWHERE IN THE CONSTITUTION, OR BILL OF RIGHTS DOES IT SAY "EXCEPT When there is a Pandemic." NOT. ONE. PLACE.

FORCED shutdowns/lock-downs, therefore is violating our Civil Rights and a crime under Deprivation Of Rights Under Color Of Law, Section 242 of Title 18 which makes it a crime for a person acting under color of any law to willfully deprive a person of a right or privilege protected by the Constitution or laws of the United States.

Acts under "color of law" include acts not only done by federal, state, or local officials within their lawful authority, but also acts done beyond the bounds of that official's lawful authority, if the acts are done while the official is purporting to or pretending to act in the performance of his/her official duties. Persons acting under color of law within the meaning of this statute include police officers, prison guards and other law enforcement officials, as well as judges, care providers in public health facilities, and others who are acting as public officials. It is not necessary that the crime be motivated by animus toward the race, color, religion, sex, handicap, familial status or national origin of the victim.

The offense is punishable by a range of imprisonment up to a life term, or the death penalty, depending upon the circumstances of the crime, and the resulting injury, if any.

All offenders can be sued by citizen victims. Find the right lawyers and PREPARE TO BE WEALTHY!

Deprivation Of Rights Under Color Of Law

<https://www.justice.gov/crt/deprivation-rights-under-color-law>

Local Sheriff Says enough of this, Let's have church! Will not enforce dem governor's lock down any longer.

Sheriff of my county put this letter out yesterday.

Our pastors and church leaders have been patient and have adhered to government authority thus far regarding the Governor's restrictions on holding indoor worship services.

Church families are law abiding citizens, salt of the earth people that should stand in unison to protect our First Amendment rights to assemble peaceably and to exercise our freedom to worship.

Johnston County Sheriff Steve Bizzell

Retail businesses are allowed to operate daily under rules; however, church folks can't even go to church once a week which is inconsistent and unfair, and quite frankly, morally wrong. All we're asking the Governor is to allow indoor worship services with reasonable restrictions, somewhat similar to local retail businesses.

If social distancing and other guidelines are good enough to allow big box stores to operate, why is it not good enough for in person church services? It's as though churches have been treated differently. For example, currently worship services are limited to 10 people, but 50 people can utilize the same space for a funeral.

I think our pastors and church leaders would be more inclined to implement safety guidelines for their brothers and sisters, even more so than businesses do for their customers. Why can't churches be trusted to open and take precautions to protect their people's health and well-being?

As Sheriff of Johnston County, the deputies and I took an oath that we would endeavor to support, maintain, and defend the Constitution for the people of this county. As long as I'm Sheriff, my deputies nor I will forego that oath and interfere or prevent church goers to peaceably assemble and exercise their constitutional right to freely worship. Before I would do that, I would lay down my badge and go home!

NOW, LET'S HAVE CHURCH!

Stay at Home didn't stop people from greeting the President (twitter.com)

People lined up all along the route, even off Route 22 / 78 that runs from the airport west. Traffic is a mess on 22 but not so much since a-hole governor Wolf's tyranny raised its ugly head with stay home orders. Except when the motorcade came thru...traffic was at a standstill eastbound...and very little westbound because exits/entrances were blocked off.

I'm only a few miles from the airport, right near Route 22. Planes fly over the house often. When AF1 came in and departed, woohoo.

That baby rumbles like no other plane!! It was way cool to see and hear!!

I guess this is what happens when a vegan avoids the sun, it turns into a zombie!

Looks like years of opioid abuse..

Yes, that too

I saw her a few weeks ago and went up to talk with her but a gust of wind came and blew her away.

The UNMASKING of the COVID HOAX has begun.

It's time to end the horror show.

It's time to stand [lead by example].

Enough have seen [domino effect].

[note: who wears a mask and who does not]

Q

I do not believe that the focus on the masks today was a coincidence, with all the news about "unmasking" Flynn this week too. This was intentional.

To END the horror show, the unmasking must take place first. Kind of reminds me of Scooby Doo, as there was always a 'horror' themed villain until the END, where they would be unmasked and revealed to not actually be a powerful monster, and had no real power at all. I think Q is telling us the unmasking of Flynn is directly related to the unmasking of the COVID HOAX players.

What is interesting though is that one of the first questions Trump gets at this outdoor conference is from a "reporter", who asks him why only some of them are wearing masks.

<https://www.youtube.com/watch?v=QQLrw6D0CiMYouTube>

She seems upset by it. Which is odd since Trump never wears a mask, and his conferences are always a mix of people wearing them and not. I feel that she noticed something - the ONLY ones wearing MASKS were on her team (Deep State). Trump was UNMASKING the players, by forcing them to wear a MASK (think mirror). That irked her, which is why it was her immediate question. They also know the mask represents slavery, like a muzzle or ballgag (which is same reason they want us to wear the masks too). Trump was asserting dominance over them.

I think we are reaching the end of this show. Also, something I found interesting is that Ivanka is now wearing a mask.

Here is Ivanka wearing a mask, and also encouraging us to obey the fucking CDC and all wear a mask as

well: <https://twitter.com/ivankatrump/status/1249480004100132865>

Ivanka was one of the people who encouraged Trump not to fire Fauci - he originally wanted to fire Fauci when he first took office, but Ivanka, Pence and Kushner all urged him not to do that. I do not trust Ivanka/Kushner, never have, and I would not be surprised if the WAR rages on within Trump's own family, just like it does within many of our own families.

Anonymous

Ivanka is just playing a role, she's not bad. Trump needs to unite everyone and Ivanka taps into a certain demographic to help her Dad. She was in the movie *Born Rich*, exposing the elite lifestyle which pissed off a lot of rich folks. Jared inherited his Father's wealth and is now using it in a good way. Even if he is Jewish he also taps into a certain demographic that needs change as well. The world isn't going to go down burning it needs to be healed. Trump is the healer and you can bet that he has a unified family behind him. He wouldn't allow any of the nonsense you're positing to happen, he's literally a genius if anything you said was possible he would deal with it. It's all just part of the grand plan to bring everyone together.

Saturday May 16, 2020.

I turned on my car radio for the first time since the 2016 election, auto tuner went to the first station, it was NPR, after listening for about 30 sec. I felt like throwing up.

What the f* is the government doing giving money to these pussyhat wearing loons?

A "TDS" relative of mine S-W-E-A-R-S that NPR is a "non-partisan news outlet" and that Rachel Madcow is an "objective journalist." These people CAN NOT be woken up no matter what happens. If frazzled.rip was real and it was broadcast on every TV station 24x7 for a week, the TDS libs would claim it's a "Deep Fake" video orchestrated by Orange Man Bad. Hussein could go on live TV and admit he was born in Kenya and his entire presidency was a fraud, then these loons would all claim that Trump forced him to do that and how wicked he is for "targeting his political enemies." These TDS people are willfully ignorant and do not want to open their eyes - no matter how much blatantly obvious evidence is out there. Nuremburg-style televised trials of all these diabolical cabal fuckers wouldn't wake up any of these lost souls either.

Executive Order—Arrest and Imprisonment of Irresponsible Newspaper Reporters and Editors

Major-General John A. Dix,
Commanding at New York:

Whereas there has been wickedly and traitorously printed and published this morning in the New York World and New York Journal of Commerce, newspapers printed and published in the city of New York, a false and spurious proclamation purporting to be signed by the President and to be countersigned by the Secretary of State, which publication is of a treasonable nature, designed to give aid and comfort to the enemies of the United States and to the rebels now at war against the Government and their aiders and abettors, you are therefore hereby commanded forthwith to arrest and imprison in any fort or military prison in your command the editors, proprietors, and publishers of the aforesaid newspapers, and all such persons as, after public notice has been given of the falsehood of said publication, print and publish the same with intent to give aid and comfort to the enemy; and you will hold the persons so arrested in close custody until they can be brought to trial before a military commission for their offense. You will also take possession by military force of the printing establishments of the New York World and Journal of Commerce, and hold the same until further orders, and prohibit any further publication therefrom.

A. LINCOLN. - May 18, 1864

Also, the Alien and Sedition Acts under John Adams almost 70 years earlier.

You know what the most astounding thing about the Gen. Flynn saga is?

It's not the intentional miscarriage of justice or the outright abandonment of reason and the rule of law although those are criminal, outrageous and generally pretty awful.

The most astounding thing is that the coup plotters only had to remove ONE person - Flynn.

Take a minute to let that sink in Americans. Our government was so compromised in EVERY intelligence and governmental agency that they were able to carry a coup to the very door to the Oval Office.

And they felt they ONLY HAD TO REMOVE ONE GUY TO BE SUCCESSFUL. They had full confidence that EVERYONE ELSE WAS CORRUPT OR COMPROMISED. One man that was it. They believed no one else in any agency would speak up or whistleblower or try to stop them.

The level at which our government has betrayed us is astounding.

Spoke with a nurse today who works in a nursing home - seniors are dying from being isolated from their families, not covid!

This nurse works in a long term nursing home, and told me that ALL of the patients there are refusing their meals. They no longer have a desire to live. They miss their children, their grandchildren, etc. and they miss being able to interact with each other and with visitors. Is this what we would want our last days to look like? Fauci, Birx, Gates, democratic governors like ours in PA, and other governors claim we need to be in lockdown to protect the "most vulnerable".

Does this sound like they are being protected? This is reality, folks. Common sense says that this lockdown is not logical, and we need to find a way to end it asap.

Dropped off some groceries for 2 elderly ladies who go to my church. I sat down and talked with them 6' apart even though I know this virus advice is iffy. I took off my mask. These 2 ladies are both worried and depressed. One missed her grandson's birthday. Another is used to going to church and Bible Study and misses the interaction. Both are not very tech savvy and rarely use computers. They are watching FOX News or reading. I'm in my 60s. They are in their late 70s, early 80s. One sobbed that if she were to die in a hospital bed no one would be allowed to visit or hold her hand and say their good-byes. I think this is evil and so unfair. I really want Pelosi and her ilk to be punished. I'm not in a forgiving mood at this point in this farce.

Sobbing now! This has to stop!

It just broke my heart not to be able to hug this woman and comfort her.

Some coroner's report certain deaths as "Failure to Thrive."

I had a relative pass away from cancer last week. He was in hospice, and was allowed two visitors at a time. We live in a lockdown state. So the "dying alone" thing is just fear mongering. It is not happening.

I'm not one to do it myself but what if some one started a gofund to have pelosi die of "Covid-19"?

It's also happening to seniors who live alone. Family members will shop for them but will not visit with them. I live in large apt complex so when I go to get my mail (six buildings away), I stop and talk to them if they are out walking or if they are standing on their patio or balcony. I am VERY introverted so I don't like talking to people but I can see that they are suffering from no human contact. Sometimes I find myself talking to one person for half an hour or more. But I know that talking to someone face to face is so much better for their states of mind than the daily "Mom/Dad are you Ok today?" calls they get if they're lucky. Sometimes they ask for a hug. It kills me to do it but I suck it up and say "Of course!" and give them a hug. Apparently when family drops off the groceries, they do the "no

The Storm: Volume Three

contact delivery". So sad. Give your mom or dad a quick hug for goodness sakes!

So as an introvert, I want this to end so that I can go back to just being me.

As A fellow introvert I understand how uncomfortable that can all be. Extroverts just don't understand how draining it is for us to be dragged to parties with lots of people, where we watch the clock and ask ourselves if it's OK to leave now. And physical contact, especially with someone who we barely know is VERY uncomfortable. UNLESS, she's a scantily clad babe giving us the come hither, amazing how the reproductive system can over rule lots of hang ups.

I hear you Patriot. I have siblings living near my old dad and they don't see him other than outside in "social distance". Neither of them has the ability to work from home, and in the line of their duty they see a lot of other people. They do the shopping etc. I live in another part of the country, but I could hear on the phone that this isolation was eating him from the inside.

Back in mid March, my company sent all of us who work on the computer home. I took the decision to quarantine myself for 14 days, so I could go and keep my dad company. Even though I was up on the attic working the whole day, we did get to spend many weeks together. I could feel the spark of life returning to him. This was 5-6 great weeks for me as well.

God bless you!

ThanQ

Edit: It was not a "chore" or a duty. It was just something I knew I had to do. He is over 90, but still active and drives a car - at least until lockdown, and who knows how long he still has on this earth. We both enjoyed each others company, and I think he especially enjoyed pampering me with breakfast and lunch, so I could concentrate on work. :)

It is absolutely cruel to do this to these senior. These officials need to have their necks stretched.

Anonymous

I see family members at the windows talking with their loved ones. This is real. I have observed some increase in laxity of care when family/oved ones are not there to advocate for the resident.

My mom is 94. Fortunately, she isn't in a nursing home. My brother lives nearby, brings her groceries and visits with her daily. I call her. She is coping well, all things considered, but it makes me angry. Much of her social life revolves around her church community and her ladies' association. Dad has been gone two years, so it's pretty quiet for her. It is desperately unfair that our elders are isolated like this, especially with the endless extensions created out of thin air by some of our governors. None of us know how long we have on this earth, but our elderly loved ones know better than anyone that those days are slipping by quickly. It's criminal.

Damn is this true? Trump has been saying "con-cast" for comcast.

I bet most of the odd phrases that trump is dropping in his tweets, especially the stuff in quotes, have been in reference to classified documents... telegraphing to the Deep State what he has, to make them panic.

We'll get to find out eventually when the stuff is properly DECLASsed.

They are constantly fucking with the deep state like this. Remember last year right before the Ukraine stuff broke, Barr came out at a function playing the bagpipes.

Ciaramella is Italian for bagpipes

Yup, Marc has had the goods for a while.

They want to ignore him.

Time for that to end.

Dougan is hiding out in Russia. He went there after FBI raided his home & took his computers. He said the FBI has all this stuff.

They have had all this stuff forever. They are protecting the elite/globalist/pedos

It's going to be interesting to see how Russia shapes up. Bruce Aaylward from WHO - I think he's in Russia.

Wow.

It's real.

I doubt very seriously if D2 would do that without knowledge of proof.

This whole thing with "Judge" Sullivan and JohnHereToHelp's allegations show HOW the DS controls people.

We know it is through blackmail, but we only understand it sort of as a theory.

The allegations against Sullivan suggest rigging things with Rod Rosenstein to make Sullivan's son's rape charges go away. Also alleges Sullivan is blackmailed to help other people make their own legal problems go away.

This puts substance to the theory. These news execs are blackmailed for crimes they have committed, and that is why they are puppets on a string and will "program" the TV box to do whatever they are told to do.

Add in a few corrupt/blackmailed judges, prosecutors and politicians, you not only have the criminals covering for each other's crimes, but you have blackmailed media refusing to investigate anything.

All makes the "conspiracy theory" understandable as "facts of the criminal conspiracy."

Good post!

Blackmail does act as a strong bond that prevents cabal members from speaking out, leaving or doing things in the best interest of the country. Of course, some are certainly willing participants, and not doing things against their own will.

Also, the fact that practically all modern societies are based on the hierarchical top-down structure, where relatively small number of people hold the power and make decisions, it's "relatively" easy to take control when only so many need to be compromised.

Indeed, it's a serious thing to even joke about.

Facebook just yanked my post reporting on the Hydroxy Chloroquin use in France and all the lives it was saving, saying it could cause physical harm.

How the hell could a drug cause harm if a prescription from a Doctor is required for some one to take? Have image but dont know how to upload. Of course I posted an image of their censor message with the post on it.

Take a minute to think how brazenly the media has attacked one of the safest drugs on the market for the last half century. They didn't just question whether it was effective. They aggressively attacked it, associated it with pool cleaner, implied it caused death, and is actively censoring positive news about it.

And this wasn't just one paper that went rogue. It's every single major player in the US media and Tech.

Probably because it's the cure of all cures. If we find out it cures cancer, common cold & flu, people are going to be PISSED! You know how many people I've seen wearing "fuck cancer" Tshirts throughout my life? Ya, every single one of them will be at their doorsteps with pitchforks.

EU crisis intensifies as Italian MEP exposes Brussels plot 'We will NEVER trust EU again!' (express.co.uk)

<https://www.express.co.uk/news/world/1283051/EU-crisis-Italy-Spain-MEP-Brussels-coronavirus-rescue-plan-latest>

The EU was never destined to exist very long anyway, and for several reasons:

1. It's not organic, and did not arise as a natural affiliation; it was an ideology imposed on several million people of different cultures, languages, and characteristics.
2. It was always a form of forced "togetherness" among peoples who did not like each other. Germans were the worst, they didn't like ANY of their neighbors.
3. The officials who ran the EU were (and still are) petty, unelected bureaucrats who are fair bean counters and enthusiastic regulation makers, but who seemed to ignore the human dimensions of any problem, and who also ignored human nature itself.
4. Different countries had different economic strengths and weaknesses, so of course there was going to be winners and losers from the outset, and poorer nations (Greece, Spain, Italy) would drain the coffers of the richer nations (Germany, UK, Denmark, etc.). This was sure to create envy and anger among the EU countries. No one wants to support their poor cousins making bad decisions in the slums, now do we?
5. One of the reasons given for the EU was to prevent further wars between the different countries that had been devastating Europe. That was the biggest misunderstanding of human nature... human nature makes us disagree on things, try to negotiate, and when

Anonymous

negotiations sometime fail, we are a war-like species. Eventually, war will erupt between different countries, no matter what bureaucrats and pieces of paper say.

It will be interesting to see how this plays out, but with an American-First President, I sure hope we don't get involved in whatever is coming in Europe.

The contractor is Apiject. This is their actual press release. The part about the RFID chip is buried toward the end (wearethene.ws)

<https://wearethene.ws/notable/105450>

To me that reads like the syringes themselves are trackable. Not the contents. But agree it's not clear.

Except from the both of the link. They are tracking the syringes with a mobile app when they are used location and time.

Whether health officials are running a scheduled vaccination program or an urgent pandemic response campaign, they can make better decisions if they know when and where each injection occurs. With an optional RFID/NFC tag on each BFS prefilled syringe, ApiJect will make this possible. Before giving an injection, the healthcare worker will be able to launch a free mobile app and "tap" the prefilled syringe on their phone, capturing the NFC tag's unique serial number, GPS location and date/time. The app then uploads the data to a government-selected cloud database. Aggregated injection data provides health administrators an evolving real-time "injection map."

The point is, given what the technocrats are up to, either or both scenarios are at least plausible. I agree, the RFID is likely tracking the actual dose. I wouldn't put it past them to have a chip that could also be embedded. I'm not sure an RFID chip could be made small enough to be injected into your body as part of a vaccine. I believe chips must be embedded in your skin layer. But I'm no doctor.

Either way, I'm not going to willingly allow anyone to inject me with anything.

I suspect most folks here already realize how the MSM and TV in general tries to manipulate us. Some fall for it, some don't. Here is a good, short video overview of what is going on with TV commercials these days... or should I say, "in these uncertain times"? That's just one of the catch phrases [THEY] are using to manipulate us.

https://www.youtube.com/watch?v=Yhv1vX7Jeng&feature=emb_lo
[go](#)

Trump is winning battles but to win the war (cultural), he needs world support. To gain world support, he needs to set a global precedent. It has got to be getting rid of income taxes.

He has no other choice.

Getting rid of income tax will set the American plebs free.

Once free, how else are future presidents ever going to put back income tax to the plebs?

It's like saying, just as Biden said before, "Put you back in chains."

No, it will be impossible.

Once taxes are gone then government will get smaller and less bloated, financed by trading and tariffs from goods and services.

The role of the career politician will be long gone and undesirable.

No more fucking funding our own demise.

No more gawd darn funding plan parenthood (I hate that!).

Then the world would follow. Any thinking, hardworking man, anywhere in the world, would fight for ZERO income tax, right?

And yes, the battles are spiritual, I know that.

But normies outnumber the awaken and so we will have to be satisfied with a cultural shift, for now.

Unless he is content in winning just battles. But we all know Trump, he does not do things in half measures.

If I am right, I just hope to see this change in my lifetime. It would be very interesting, indeed.

RFK Jr ON ISOLATION AND UNEMPLOMENT:

”Isolation [and unemployment] kills lots of people. It kills people through depression, it kills people through mistakes, and kills people from not getting routine medical care. Isolation kills people for a lot of different reasons, also unemployment kills people.

There's a really good 1982 book that's considered authoritative, and that book did all of the modeling on historical unemployment rates, and this was a long time ago so our population has almost doubled

70

The Storm: Volume Three

since then, and what they have found is that for every point in unemployment, 37,000 people died, 9,000 from died from heart attacks, 900 people died from suicides, all these different reasons that they died. And then 3,300 people go prison for every one point, an extra 4,000 people end up in mental institutions.”

RFK ON VACCINES:

”The third leading cause of death in this Country is pharmaceutical drugs. They're not making us healthier. We have the most aggressive vaccine schedule in the world in this country and we have the worst health in our children and adults. We have the worst infant mortality. If you look at any of the metrics, the United States is 72nd in infant mortality, in the world we're around Syria and Costa Rica. When I was a kid we were number one. We were the best. We had the healthiest people in world, the best health care system. Today we're paying the most money for the worst outcomes.

A lot of that is because of pharmaceutical advertisements. They advertise on ebay, but they control content. In 1986 there was about eleven vaccines and one of them was called DTP [diphtheria, tetanus, pertussis] The DTP vaccine was killing lots and lots of children, and it was causing brain damage in a tremendous number of children, and the industry was getting sued.

Pfizer went to Congress and said we are getting out of the vaccine industry because we're paying \$20 in damages for every \$1 we make from these vaccines. You cannot make a vaccine safely. You cannot, it is impossible to make a vaccine that's completely safe. You are going to injure a certain amount of people and the injuries are going to be egregious enough that nobody will ever make any money them, because they're gonna have to pay for injuries, and we can't make them better. We're going to get out of the industry all together and stop making vaccines unless you give us complete blanket immunity from liability.

The Democratic Congress and Republican President Reagan, all of them taking lots of money from these pharmaceutical companies that being their number one contributor, pass a law in 1986, the Vaccine Act or VICA, which was a blanket immunity. So no matter how egregious your injury or your child's injury, no matter how toxic the ingredient, no matter how sloppy the line protocols, no matter how negligent that company.. you cannot sue them. So there's no discovery. There's no depositions. There's medical malpractice.

Anonymous

There's no class actions, zero consequence if they kill you or if they injure you from lying.”

DR JUDY MIKOVITS ON VACCINES:YouTube

When Dr Mikovits was ask what message she has for POTUS, she said:

“End the lock-down, put people back to work. Stop this plague of corruption and fire Dr fauci, fire Dr birx, redfield. Completely reorganize. Close the FDA that is keeping lifesaving drugs from people.

Reorganize the entire HHS and end the corrupt 'old boys network' that has literally crippled our Country for four decades, as we have the sickest Country in the world. End the vaccine program, a five year moratorium. Close it down, not another vaccine. They are killing our population. It's a plague of corruption, covid19. It's not a plague of disease.”

What Dr Mikovits is saying, is that with the current “ole boy network” [cabal-installed nw0 minions] we cannot produce a safe or effective vaccine.

Damn. I didn't think about it from this perspective, but it just dawned on me:

We, the U.S , were so strong in every aspect of human tech, health, education, laws, etc...the whole gamut...that it's taken 4+ DECADES to bring us to this point. [They] never tried anything like these FF's on these "never before seen" levels until 2016/after, because we weren't weak enough until 2016. Now that we're getting stronger again, [they]'re becoming more desperate. I expect [their] plans to only get more brazenly evil until [they]'re dead.

Yes we're at war with the entrenched satanic globalist cabal. They are losing, cornered and panicking. Nothing is off the table. And we must TOP that resolve.

Amen. We now understand you CAN be at war in secret....we have obviously been at war for a very long time. And we understand that because we--most of us-- were first aware of being at war as Trump attempted to assume office.

And we saw that we could BE at war while a majority was unaware of it.

The Storm: Volume Three

Now you say that cabal has been at war with us via Big Pharma for 40 years? (Thinks for a minute....). How did I miss it?

Q made the MSM news in Germany.

Was speaking to a friend this morning and was told that Q is suddenly in the German MSM. Of course in a negative way. That just made the people start searching for information on Q.

Also, the WWG1WGA is a statement which a lot people like.

Was told 100,000's showed up to a protest in Stuttgart and the officials had to send the police in to limit the crowd size. Guess who showed up at their protest rally? Antifa!

Seems our brothers and sisters in Germany are fighting the same enemy. WWG1WGA!

Germany was once a great Christian nation. It was the kind hearts of the German people that allowed the evil Khazar Talmudists into their nation, which the Vatican used for revenge against the heavily Protestant nation. When the Berlin wall went up, it divided Catholic & Protestant Germany; guess who had the blessing (sarcasm) of living under communism? Yep, Protestant Germany. Same goes for Russia. Russia was a friend to America, and the Tsar and his family paid with their lives for their friendship to America. Must read: Vatican Assassins (pdf) by Eric Jon Phelps.

After 2 Months, May 18, 2020, The Trump Administration Covid Response, Is Crushing the Original 2.2 Million U.S. Death Projection by 96%. That is an A+ Grade.

May 18, 2020, "registered" Covid-19 U.S. Death Total = 90,980

Death Projection: 2.2 Million

$90,980 / 2,200,000 = 4\%$

March 2020, COVID-19 predicted to infect 81% of U.S. population, cause 2.2 million deaths in

Now do the real death total.

Exactly... However using published lefties numbers was solid enough, to hit 96%, using other numbers would have distorted the title and drawn to "conspiracy theory"

Been saying this for a while...

At a certain point lefties are going to be stuck between giving Trump credit or admitting all the "scientific" models were wrong.

It's gonna be entertaining.

News from France

Hey patriots, I know you guys like to hear from oversea so I guess I'd give you my opinion about what's going in France.

Corona : I live in the back country and walking around I can see that only a quarter of people wears masks. My wife went to a big mall near Toulouse and everybody was wearing one, even though Toulouse's and its surrounding have one of the smallest infection's rate.

I tried to figure out the way they count death and haven't been able to do so, the details that Q dropped to with the CDC doc is not available here. I know we also use the WHO codes so my guess is we do the same but I can't confirm.

MSM : I don't own a TV so to know the MSM talking points I go on a MSM website : <https://www.20minutes.fr/>

There are quite a lot of news about Trump always showing him as stupid, irrelevant, racist...

obamagate did not trend here (I tried though :)) in that website they only picked that presser when Trump said to the fake news that if they want to know what it is they just got to check the real news. So the article was like : Trump is in a fantasy world trying to make up conspiracy about Obama because the corona virus situation is as bad as it can get in the US...

There's a comment section so I tried and could see there were other anons there but mostly very brainwashed people. This comment

Anonymous

section has a upvote, downvote system, like Voat, ans is highly moderate unlike Voat. So I have to be careful...

To give you an example I saw a comment saying : US people are so focused on money that's all they can think of so they might be able to reelect Trump ! I replied something like : you don't know them, they love freedom and their constitution above anything else ! I got 3 upvotes and 15 downvotes...

Anyway their talking points are very simmlar with your fakenews such as Vaccine and E.U is going to solve everything....

Macron : that is something many people realise now : he's a fraud. I'm confident most people see it althgouh given our election system he could be elected again.

Opposition to Macron : Lepen, Mélanchon, etc... useless

Yellow vest : We don't yet have the right to do strikes, a few tried and got arrested.

Obamagate : doesn't work here, going to need much more proof to the point it can't be discussed, Pompeo, Barr and Trump are seen as corrupt an racist. the comment that got the msot upvote in the MSM website article about Obamagate was : "Trump should say what he thinks and that he's jealous of Obama because he had the best results and hate him because is black"... Last declass did not make the news, FBI footnotes on Flynn have but were considered pointless.

Q : Never saw a Q sign or symbol anywhere, don't know anyone who follow Q IRL. Haven't see any news about it anywhere for 2 years (good or bad)

I don't know if that's gonna make you happy to read this post but truth is for the shit to hit the fan here in France it's going to take much bigger BOOMS that what we got so far. I'm confident that will happen.

Love you patriots.

GeorgiaAnon here: update on opening.

Hey All, just an update that things were pretty much back to normal here this past week. besides restaurants having to block off every other table, things are pretty much back to normal. I think we will be

able to show here shortly that there is no reason not to open with covid numbers still steadily dropping.

Pelosi's Latest \$3 Trillion Stimulus Plan Is Unlawful - Supreme Court Decision 10 DAYS AGO Makes it a Felony to Give Free Cash to Illegal Aliens (thegatewaypundit.com)

New narrative. The government doesn't tell us what to do. We tell them what to do. We do not need permission to "open" the country. The power is ours. Live free or die means the same now as then.

I went to the store today. I bought pool shock, 2 carpets and window cleaner for the cars. I was one of very few people without a useless faggot mask. I held my head high. Everyone got out of my way. It was funny.

Funny thing was, when I checked out the lady at the counter said... "No one should care about money. TIME is what has value. You never know how much you have".

I told her that it was a very important idea and that I would tell others. You can only guess about when it will run out and when you run out it is the most valuable thing imaginable surpassing the value of all other things. When I got home my son's great grandmother had died. It was a really powerful day.

God bless you and your loved ones! Truth > ALL

Tuesday May 19, 2020

How does the average worker Joe with no doctor in the family to prescribe HCQ get his /her hands on the drug? I was able to get zinc with no problems. Like POTUS, I want to take it.

I scheduled an appointment with an md online. www.speakwithanmd.com. \$59 to schedule an appointment. In my description I said that I will be returning to work this week and will be exposed to anywhere from 200 to 700 customers daily. I requested HCQ and zinc to be prescribed to use as a prophylactic. I will get a call this morning sometime. They will ship meds to your door or you can pick it up at your local pharmacy. I'll let you know after I speak with them if it was successful.

TY for sharing this.

You bet. Have a great day!

The WHO delisted HCQ as an essential drug in 2006.

“The World Health Organization removed HCQ from its list of essential drugs in 2006 citing that there were other drugs more effective at treating Malaria and other ailments HCQ was used for. “ I wonder what other drugs (cures) the WHO has delisted and taken out of the public domain. How many deaths are they responsible for?

Why?

Q

There has been no clinical studies on Hydroxychloroquine even though it showed promise in every study since 2005. Because nobody will give millions for a study if they can't make money off it.

That is how TPTB set it up.

The AMA says doctors can only prescribe medicine that has been approved by the FDA.

The FDA says anything to be presented as a medicine must be tested for safety and efficacy.

This eliminates all natural remedies because no company is going to pay to test a product that anyone can sell once approved.

That ^^ and because HCQ will expose how most/nearly all (?) of their drugs do more harm than good?

The real question is why the FBI and Mueller's entire team sat on the hidden Flynn documents, and the unmasking evidence, and the Rice email WHILE IMPEACHMENT WAS HAPPENING!

Any number of people held the cards to stop the impeachment cold in its tracks by revealing the extent of the coup on Trump, AND KNEW THEY HAD THAT INFO, yet they sat on this information while the country was divided by a dishonest impeachment effort. Isn't that knowledge+inaction the same as sedition?

if you're new, here's a hint: all those people holding the cards are "Bad Guys."

Alrighty, the tweeter commies are projecting Q is violent for the last three hours. This may be projecting so see something say something!

It may be nothing, could be something, but the marxists that I am tracking are talking about Q being violent with their "case studies" like that Russian mobster who drew a Q on their hand.

Suddenly, they just bought it up out of nowhere.

New insights into the antiviral effects of
chloroquine
Published: February, 2006

Our hypothesis that chloroquine might inhibit replication of the SARS coronavirus¹ has been confirmed in two independent in-vitro studies.^{7, 8} Researchers at the Belgian Catholic University of Leuven found that chloroquine inhibited SARS coronavirus replication with a 50% effective concentration of 8.8 (SE 1.2) $\mu\text{mol/L}$, within the range of blood concentrations achievable during antimalarial treatment.⁷ The dose inducing 50% cytostatic activity was much higher (261.3 [14.5] $\mu\text{mol/L}$). Time-of-addition experiments indicated that chloroquine affected an early stage of SARS coronavirus replication.⁷

On the HIV/AIDS front, chloroquine (250 mg twice daily) has been administered to HIV-1-infected patients with baseline viral loads over 50 000 copies per mL, in combination with lamivudine (150 mg twice daily) and hydroxyurea (500 mg twice daily) in an ongoing clinical trial in India.² Ten out of 18 volunteers had an undetectable viral load at week 24.² The median drop in viral load was more than 2.0 log,² more than the median 1.5 log drop seen with a nucleoside reverse transcriptase inhibitor (NRTI) and hydroxyurea alone.³

THE LORI KLAUSUTIS SCANDAL THE SHOCKING TRUE STORY YOU WILL NOT SEE ON 

Where was Joe Scarborough at the time of death?

"A SHOCKING DISCOVERY. Juanita and Andreas Bergmann had an appointment at 8:00 AM, July 20th, at the Fort Walton Beach office of Congressman Joe Scarborough (R-FL). The appointment had been arranged by the Congressman's young aide, Lori Klausutis, and Mr. and Mrs. Bergmann **thought they were going to meet with the Congressman to facilitate Mr. Bergmann's application for a green card.** Instead, they found the body of Lori Klausutis."

FROM SPECIAL REPORT "NEVER BOUND BY THE TRUTH" BY CHRIS GEORGE AND DENIS WRIGHT

THE OBVIOUS QUESTIONS THAT NEED TO BE ANSWERED:

- Where was Joe Scarborough when Lori Klausutis suffered her fatal injuries?
- If he was in Washington DC as has been suggested, why would Lori Klausutis have scheduled an 8:00 AM appointment for him in Fort Walton Beach, Florida?
- If he was in Florida and had no prior knowledge of Lori Klausutis's death, why didn't he show up for his 8:00 AM appointment with the Bergmanns?

[#LORIKLAUSUTIS](https://twitter.com/LORIKLAUSUTIS) 

Police investigators gather evidence from the Fort Walton Beach office of Congressman Joe Scarborough (R-FL) where 28-year-old intern Lori Klausutis was found dead July 20, 2001.

Mail in ballot needs to end for everybody. Every state. If you can't bother to show up, then you don't care enough about America.

In WA we already have mail in voting and it is 100% a scam. WA lures in bums with promises of free gigs, free tents, free drug kits, free camping gear, free food, free injection sites, and at one point there was even talk about providing free heroin. Once the bums arrive in a metropolitan area, "volunteers" then promise these bums gigs and better care elsewhere in the state. They bus them all over and dump them. The shelter they were promised does not exist. (Someone is pocketing some funds there, I assure you.)

And this is where it all ties together:

SINCE THE 80'S, BUMS CAN REGISTER TO VOTE ON ELECTION DAY WITHOUT AN ADDRESS. HALF OF THEM DON'T KNOW THEIR OWN FUCKING NAMES AND/OR WOULD SIGN AWAY THEIR MOTHER'S HOMES FOR A HIT. Think about that good and hard.

In this context, do the state and municipal actions over the last few years make more sense?

Forget Obama - follow Valerie Jarrett - the real power behind Ogilligo.

Valerie Jarrett is the power behind Obama. She's the puppet master, his handler. Where does she live - at Ogigglo's house, the need to stay close. Follow her and Obummer folds like a cloud of dust. Who

controls Valerie Jarrett? Where was she born? - Iran. Who are Iran's long standing allies?

https://en.wikipedia.org/wiki/China%E2%80%93Iran_relations

Take Valerie Jarrett out of the equation and what does Oggiglio do? Well, without a teleprompter - he's unable to utter a coherent thought.

Corona is a hoax. The reality is that it took 3 days for the Army to realize Seattle was full of shit. The hoax is that King Country is still pretending like they are seeing impossible numbers.

Corona numbers in Seattle.

Back in the beginning of April there was an army field hospital deployed at CenturyLink Field. They were to ease the burden of Seattle hospitals during this “pandemic.” They would treat non-corona patients and make room in Seattle hospitals to treat corona patients but Seattle hospitals were also preparing for what they deemed inevitable.

<https://www.seattletimes.com/seattle-news/health/a-look-inside-the-army-field-hospital-at-centurylink-field-designed-to-help-medical-centers-swamped-by-coronavirus-patients/>

Some of Seattle’s largest hospitals were already near capacity before the outbreak. But Sauer said aggressive cancellations of elective surgeries and use of telemedicine have opened up beds and area hospitals were now running at closer to 70% capacity.

Seattle has a full hospital capacity volume of 3,679 beds according to Wikipedia’s “List of hospitals in Washington.”

[https://en.m.wikipedia.org/wiki/List_of_hospitals_in_Washington_\(state\)](https://en.m.wikipedia.org/wiki/List_of_hospitals_in_Washington_(state))

They said they were near full capacity just prior to the “pandemic” so they canceled all elective surgeries bringing the capacity to 70% which is 2,575 beds and the remaining 30% which is 1,104 beds would be used to treat corona patients.

In that Seattle Times article they note that U.S. Army Chief of Staff Gen. James McConville said this.

Exactly when patients may be treated at the Seattle field hospital will depend on the intensity of the pandemic in the Seattle area in coming

weeks. “It really depends on what happens. Ideally, I would hope in some ways that there would be no patients coming here because that means this situation is completely under control,” McConville said. “However, this is a contingency capability. It increases the capacity of the hospitals in the city, and that’s why it’s here.”

The field hospitals left after 3 days without treating a patient. So I’m guessing they weren’t even close to that 30%. They had to be significantly lower than 1,104 cases if the field hospital left in 3 days.

<https://www.military.com/daily-news/2020/04/10/armys-seattle-field-hospital-closes-after-3-days-without-treating-single-patient.html>

Army's Seattle Field Hospital Closes After 3 Days, Without Treating a Single Patient

The hastily built field hospital set up by the Army in Seattle's pro football stadium is shutting down without ever seeing a patient, so the service can shift resources where they're more urgently needed, Washington state Gov. Jay Inslee said.

The supposed numbers.

The burst of military help is arriving as the coronavirus has infected at least 5,984 people and killed 247 in Washington, according to the state Department of Health, as of 11:59 p.m. March 31. Federal officials now predict the pandemic could kill as many as 240,000 people in the U.S.

Now a county by county breakdown of WA shows this.

<https://m.seattlepi.com/coronavirus/article/washington-state-coronavirus-cases-by-county-15153949.php>

King County still accounted for the most cases at 7,290, including 519 deaths. Statewide deaths totaled 983 as of Thursday

Do these numbers add up? 1,104 beds available for corona. They didn’t even come close enough to justify an army field hospital. The field hospital was for overflow. The only reason they would leave after only 3 days is because the Seattle hospitals were not even close to exceeding their 1,104 bed capacity they had reserved for corona patients. Now they want to tell you that King county alone is responsible for 7,290 cases.

Ukraine is not part of FVEY. Looks like Obama/Biden/Clinton/etc. used Ukraine to do their dirty work. That's where they hid the Clinton servers with Crowd Strike. That's where they were funneling money and putting it into their own bank accounts. That's where they were creating fake stories about Russian collusion. They were probably illegally accessing NSA database and other cyber shit, too.

Planned Parenthood Abortion Biz Improperly Applied for and Received \$80 Million in Coronavirus Funds.

Planned Parenthood Abortion Biz Improperly Applied for and Received \$80 Million in Coronavirus Funds

Steven Ertelt May 20, 2020 | 8:43AM Washington, DC

The Planned Parenthood abortion business improperly applied for and received \$80 million in federal funds meant to support small businesses as they battle the economic fallout from the coronavirus.

America's biggest abortion company is coming under fire today for the fraudulent actions and pro-life advocates are calling on the Trump administration to make the abortion giant repay the money. Reports indicate that the large corporation Planned Parenthood received \$80 million in loans from the Paycheck Protection Program meant for small businesses. That is despite the fact that the rules and regulations associated with the program specifically prohibited affiliates of larger organizations with more than 500 employees from applying. That covers Planned Parenthood as Planned Parenthood Federation of America (PPFA) alone has had more than 600 employees.

Some 37 Planned Parenthood affiliates received the funds from the Paycheck Protection Program (PPP), despite the abortion corporation being explicitly blocked from doing so.

Planned Parenthood of Orange and San Bernardino Counties in California received the largest loan of \$7.5 million, and that affiliate was caught selling the body parts of aborted babies. Senator Ben Sasse, the author of the Born-Alive Abortion Survivors Protection Act and a Nebraska Republican, was disgusted by the news.

“Planned Parenthood, the nation's largest abortion business, tried to defraud taxpayers during the worst economic downturn since the Great Depression. The Paycheck Protection Program is supposed to be a lifeline for small businesses, not a slush fund for Big Abortion. The administration needs to reclaim that money and fire the bureaucrats who signed off on this scam,” he told LifeNews. Reports indicate the Trump administration is already taking steps to recover the funds and investigate how the applications were approved.

Other pro-life senators and a leading pro-life group also slammed the abortion corporation.

Sen. Marco Rubio, chairman of the Senate Committee on Small Business and Entrepreneurship, told Fox News Planned Parenthood violate the PPP rules.

<https://www.lifenews.com/2020/05/20/planned-parenthood-abortion-biz-improperly-applied-for-and-received-80-million-in-coronavirus-funds/>

Gyms and Churches CLOSED because they are attacking our Spiritual, Mental and Physical Health >> IT'S A PSYOP.

Sooner or later we have to see that they attack everything healthy, or that works, and promote everything that is disease, or doesn't work. They have nothing but pretenses meant to enable their acts of war/sabotage.

This is the problem with their disease cultivation strategies.. it tends to solve itself over enough time. They just hope inundating the decent with diseased will bring down some of the decent.

"Put the armor of God on".

The more we stick to our principles, the more of the zombies it takes to take down one decent person.

POTUS threatens to cut Michigan off for sending out 7 million mail in ballots and miraculously 2 dams break right after and they demand federal funds. You can't make this stuff up...EVIL BASTARDS.

Michigan Dams break just in time to declare a national emergency and ask for federal aid to steal. They cause disasters in order to steal money.

Any Governors Obstructing the Populations Constitutional Rights, Should be Immediately Arrested and Charged. Arrests Should be Made by Federal Law Enforcement, if No Action, by Citizens Arrest?

Governors, Mayors, etc... who are obstructing peoples right to assemble, practice religion, etc... are in violation of the Supreme Law of the Land, The Constitution and Bill of Rights - No other law supersedes.

Federal Law Enforcement and DOJ should make the arrests, Local Law Enforcement, should not impede. If neither is occurring, then Citizens Arrests should have precedence?

Enough is enough! No more slow walking this encroachment.

2008 Mortgage Loan SCAM Stole Homes and Trillions in Equity from Americans // Covid-1984 SCAM is an Attack on Small Business >> Monopolistic Corporations are the Enemy.

You can hear it in the universal propaganda we are being bombarded with.

Why is every major CEO saying there will be no return to normal before a vaccine?

Why are private corporations leading radical social change for the entire country?

Why were millions of small businesses closed while Walmart hired 100,000 new employees?

Yep, 2008 was a setup by the banks, they new that they could bring the government to its knees by creating a debt bubble.

The Banks broke the law and the Government rewarded them for their crimes. The bailout was part of the transformation of wealth of the USA to the Globalist bankers and China.

Zionist communist Jews help establish China after they raped and killed Russia.

Zionist helped turn China into a nation of slaves that they can help direct and control. Think how the USA has been infected with zionism. And then think how the Babylonian Talmud thinks all other human beings are simple animals to be controlled and used to serve them.

And ask yourself why a dedicated zionist like Alan wants the state to have the right to poison you?

In Over 227 Years, Since the Inception of the Postal Service, 44 Presidents, 1918 Spanish Flu and 1918 Elections, Mail in Ballots Were Not primary way to Vote! Why? Ease Fraud!

The USPS traces its roots to 1775 during the Second Continental Congress, when Benjamin Franklin was appointed the first postmaster general. The Post Office Department was created in 1792 with the passage of the Postal Service Act.

In over 227 years, since the inception of the Postal Service, 44 Presidents, 1918 Spanish Flu and 1918 elections, mail in ballots were never used. Why? Ease of potential Fraud. Anyone advocating for mail in voting, appears to be naive or a crook.

Mail in voting, if it were ever allowed, should at least pass a referendum and not be unilaterally decided by opposition party members to the President.

Today's Democrats believe themselves to be more intelligent and wise, than 200+ years of elected leaders who never made mail in voting a way to vote?! That's Rich

Potential Downfalls could be, Mail Box raids for ballots, Theft, physical Attacks on Postal Workers delivering, attacks on registered party supporters, Biased mail workers destroying ballots from zip codes know to favour one party over another, no supervision from vote to count, etc.

My fear is that we are at a tipping point in this WAR. [THEY] tried to KILL us with this virus and they are fighting to keep this country CLOSED until Nov.... What will be [THEIR] final move???

I keep going back and forth in my head....

YES, Patriots are in control. I really believe that. But there are still ROGUE elements and Sleepers all over this country.

I do NOT believe they are going to lay down and take another L in November..... I think THIS is the most important election in the history of our country!!

[THEY] have something up their sleeve and I think they would sacrifice MILLIONS if it meant they could regain power in November.

PRAY!!!!

I'm expecting worse things with worse tactics before this all gets better. One thing I learned in the Navy was, Plan for the worst, Hope for the best, but Train to Win. [They] do the same thing, but [they]'re flaw is having to telegraph. We aren't hindered with that aspect. I believe that's why [they]'re freaking out about POTUS saying that we won't be allowing other countries to fly over military training maneuvers. [They] use official govt channels and means to keep tabs on us, under the auspices of "Mutually Agreed" "peaceful" surveillance. Notice how [They] (U.N. & NATO) and the MSM are all crying that Russia will "undoubtedly" back out of that agreement as well. POTUS ended our involvement OFFICIALLY yesterday and

Anonymous

then "coincidentally" we get another "terror related" attack in Tx at a Navy Base. We all know the playbook, so we should also know to expect escalation even beyond this...on BOTH sides.

I believe POTUS and Q have us as prepared as we're gonna be. It's why Q's said we're ready, but so are [They]. And [they]'re prepared to go to the most extreme lengths to accomplish [their] goals, so don't forget that, and keep preparing. When it comes to planning/preparing, you can never have enough supplies. We're heading into the execution phase of The Plan, so from here on out, the fighting only gonna get worse.

Plandemic is the unvarnished truth, and they must stop that truth from getting to the masses. The jig is up if they don't. They will never get their mark of the beast on the people, and their vaccine diseases will stop them making money off of the sicknesses of the goy. They will also not get their social credit score / tracking system in place.

They are going to broke, and the corona virus will not be the last thing they try. I think they are willing to release something much more deadly while they go to ground hoping to survive it. If they had not been rushed by Trump's actions the corona virus would have been more deadly four or five years down the road.

These people want the population reduced, and any means they have to use is good by them. They hate the rest of humanity. They even hate their useful idiots.

Data Fuckery on Covid >> 36,000 is the average number of Flu Deaths per year (CDC) // New "model" yesterday claimed 36,000 lives lost because 1 week delay in Shutdown??? FISHY AS FUCK.

Translation >> FLU DEATHS counted as COVID-1984 from the beginning.

The Storm: Volume Three

The CDC website states what has become commonly accepted and widely reported in the lay and scientific press: annually "about 36 000 [Americans] die from flu"

<https://www.nytimes.com/2020/05/20/us/coronavirus-distancing-deaths.html>

If Cuomo and that POS Governor of NJ didn't intentionally stuff nursing homes with positive Covid cases and Flu, Pneumonia and other 'causes of death' were not lumped in, how many deaths would we be looking at??

I have a very dark theory about what was going on at these 'Nursing Homes', and in light of the horrific video from yesterday we can conclude rampant corruption and lack of oversight at many homes. <https://twitter.com/RealJamesWoods/status/1263565728386387968>

In seclusion and staffed with malevolent actors, were these poor people being euthanized? Were ventilators abused, causing unneeded suffering and death? Was fentanyl involved?

Data fuckery has gone on for a long time.

I believe it was after 2002 that CDC started to report flu AND pneumonia deaths together.

Yearly flu deaths (I recall) were ~2,000 to 3000 per year. After 2002 it ballooned to 30,000+

I wonder when the big push to take flu shots started?

Perhaps someone knows better than I.

Dr. Anthony Fauci's 15 Totally Wrong Predictions and Contradictions (710wor.iheart.com)

Dr. Anthony Fauci's 15 Totally Wrong Predictions and Contradictions

By Mark Simone:

It's hard to believe but America's top Infectious Disease Doctor Anthony Fauci has been wrong on the coronavirus pandemic — Every step of the way!

Here is a list of several errors, contradictory statements and dangerous gaffes by NIAID Director Dr. Tony Fauci:

1.) Dr. Fauci says he warned Trump in January that the US was in real trouble but that is not what he said publicly.

In January Dr. Anthony Fauci told Newsmax TV that the United States “did not have to worry” about the coronavirus and that it was “not a major threat.”

2.) Dr. Fauci warned of an apocalyptic coronavirus pandemic — then just weeks later he compared the coronavirus to a bad flu.

3.) Dr. Fauci based all of his predictions on models that were OFF BY MILLIONS and then later told reporters, “You can't really rely on models.”

4.) On March 20th Dr. Fauci jumped in and during a press briefing on hydroxychloroquine treatment for coronavirus “corrected” the president saying, “You got to be careful when you say ‘fairly effective.’ It was never done in a clinical trial... It was given to individuals and felt that maybe it worked.”

Exactly two weeks later hydroxychloroquine was deemed the most highly rated treatment for the novel coronavirus in an international poll of more than 6,000 doctors.

5.) Dr. Fauci pushed these garbage models every step of the way.

A month ago Dr. Fauci claimed 1 million to 2 million Americans would die from coronavirus. Then he said 100,000 to 200,000 Americans will die from the virus. Three weeks ago he agreed 81,766 Americans would die from the coronavirus. Then by that Wednesday Then by that Wednesday the experts cut the number of deaths to 60,415 projected deaths. to 60,415 projected deaths.

6.) On Easter Dr. Fauci suggested President Trump should have shut down the economy in February... When the number of known cases in the US was around 100. Fauci later walked back his attacks.

The Storm: Volume Three

- 7.) Dr. Fauci said cruises were OK on March 9th. That was a huge error.
- 8.) Dr. Fauci said malls, movies and gyms were OK on February 29th. That was another huge mistake.
- 9.) Dr. Fauci was wrong about the first coronavirus deaths in the country. Dr. Fauci, Dr. Birx and the CDC were off by nearly a month. California officials revealed in April that a patient in Santa Clara died from coronavirus on February 6th not February 29th.
- 10.) Dr. Fauci and the CDC missed themillions and millions of US citizenswho had already contracted the coronavirus before the draconian lockdowns took place. Knowing this could have prevented the economic calamity.
- 11.) OnApril 15, 2020, Fauci endorses Tinder hookups, unbelievably.
- 12.) Dr. Fauci relied on corrupt W.H.O rulesto lock down the United States and destroy the US economy. Meanwhile, this delays the herd immunity that is needed to prevent a future outbreak of this deadly virus.
- 13.) Dr. Fauci and Dr. Birx used the Imperial College Model to persuade President Trump to lock down the entire US economy. The Imperial model has since been confirmed as A COMPLETE FRAUD.
- 14.) Dr. Fauci warned that Georgia would see a surge in coronavirus cases and deaths by opening their economy too early. He was wrong again– In fact the opposite happened.
- 15.) And on Tuesday during testimony Dr. Fauci told Dr. Rand Paul that opening the schools would not be a good idea.

BREAKING NOW: President Trump Deems PLACES OF WORSHIP ESSENTIAL.. Will OVERRIDE Any Governors Order..

I am not sure if this was before the Church fires or after... Anyone know the time of that?

President does not have any lawful authority to "override" the EO's of a governor.

OTOH, governors don't have any lawful authority to enforce their EO's on anyone other than employees of the executive branch of their state. They can't enforce them on the general public.

Only thing Trump could do would be to direct the DOJ to go to federal court and get the courts to issue injunctions against the states.

But to do that, the DOJ has to show that it has "standing" in the court for that issue. They could claim that they are enforcing the "republican form of government" clause of the Constitution.

If Trump does that, you will know for certain that he knows exactly what he is doing in all this seeming madness.

Here Bill Gates is selling the 'Concept' of his Vaccine to the Muslim World as targets. Billions of them.

Professors around America have been caught selling secret research to the Chinese Communist Regime. The national media won't cover it, so here's a thread of those who have been caught so far.

This Professor was caught selling Air Force/Navy missile secrets to the Chinese. He's facing 219 years in prison.

The head of the Chemistry Dept. at Harvard was caught secretly taking \$1.5 million from the Chinese to set up a medical research lab in... WUHAN. In addition, he was paid up to \$50,000 a month for other research he smuggled to the Chinese.

This professor from Kansas had 2 research contracts with the Department of Energy. Turns out he was secretly working for the Chinese and smuggling research to them all along. He now faces 50 years in prison.

This is Zaosong Zheng. He was caught trying to smuggle 21 vials of cancer research from a Harvard medical lab to the Chinese government. He now faces 30+ years in prison.

This Professor from the world renowned Cleveland Clinic was secretly giving information to the Chinese while receiving \$3.6 million in tax-payer funding for his "research".

This Professor in West Virginia took "paternity leave"... then flew alone to China to secretly conduct research for their government. There, he was given a half million dollar "research subsidy" along with over \$250,000 in "living stipends."

This Professor in Arkansas was applying for a federal research grant from NASA when an investigation showed he was simultaneously receiving payments from the Chinese government. I'm sure it was just an accident that he forgot to disclose that part.

The Storm: Volume Three

This Professor in Tennessee faces 6 felony charges after trying to cover up his secret work with the Chinese while applying for a research grant through NASA.

This Professor in Georgia was fired after it was discovered he tried to cover up money he'd been paid by the Chinese government, while conducting research with the National Institutes of Health.

Why do 75 American colleges have Chinese Communist Party funded "Confucius Institutes" on campus? The Pentagon says they're national security threats and China admits they're propaganda centers.

A recent investigation found 48 colleges broke the law in failing to report tens of millions in donations from China.

If there's nothing shady, why break the law to hide donations?

What does China gain from donating millions to American colleges? We had almost zero evidence of foreign interference in our elections, and half the country freaked out. Now, we have endless evidence of foreign interference on our campuses, and no one is batting an eye. People on campus are afraid to question China's influence efforts for fear of being labeled xenophobic or racist. Colleges are so concerned about being called "intolerant" that they let a communist regime exploit our country.

People will call you a conspiracy theorist if you question why China is secretly spending millions on buying off American professors. Ask those people if they believe China is just doing all this out of the goodness of their hearts.

Went to the Doctor yesterday. Doctor and Staff were not wearing masks at all! That tells me all I need to know!

Hi Everyone,

Anonymous

Yesterday I had a consultation appointment with a doctor (in Virginia) for an elective cosmetic surgery that I need to have. The doctor and his staff were not wearing masks at all. They acted totally normal and never mentioned this virus nonsense. I was the only patient there and I didn't wear a mask either.

So what does that tell you? Even doctors know the truth that this virus is nonsense and nothing to worry about.

Went into a bank yesterday and was given the 2nd, 3rd, and 4th degrees before I was allowed to even step foot inside by someone wearing so much protective gear I felt like I had leprosy. Then my every movement was watched by all staff I saw.

After, I went next door to a hardware store where everyone was smiling, happy, and helpful. Not a mask, or gloves, or any other protective equipment was to be found.

I can find a new bank in a heartbeat. But I've definitely got my hardware store for the future.

Hardware stores count. Banks... not so much.

This blew me away however. I walk into the bank. A woman in a mask, visor, gloves, and gown runs over to hold the inside door closed to keep me from coming in. It seems they were only allowing one customer inside at a time. The rest had to line up outside in the rain on a mark on the sidewalk I did not notice. When she finally looked around inside to see no other customers were in there, she opened the door a crack and asked, "Why are you here?"

Normally my wit is as dry as the Sahara and has gotten me into more trouble more times than I can remember. But I left it alone that day. I could see this poor woman was just doing her job and was terrified by higher ups, and I'm sure the media, that any customer could be a walking time bomb of commie cooties.

I had to go get some labs done earlier this week. Now, the local hospital had moved everything around, so the lab was Door 4 last month when I got labs done. I was supposed to go last week and they told me Door 4, so I got time this week and went to Door 4 as I was told. A co-worker had done the same earlier in the month and said that if you go to the hospital campus for ANYTHING, they make you wear a mask. Which is one reason I put off getting my labs....

Anyway, I went to Door 4 and this little kid, looked about 15, said "Uhm... do you have a mask?" I said Nope. He said he could give me one, OR I could let him take my temp. I said he could take my temp. Then he had to sanitize my hand. (Yep, just ONE hand...that's all he sprayed, just one of my two hands....) It turned out that the lab was moved back to its home at Door 18. I went through the same rigamarole there with another young 'un. And again, got one single hand sanitized. The upshot is that all the staff are wearing masks, but the people coming in don't have to anymore.

How does the deep state get it's money? It steals it from you. Whats going on in Washington state with unemployment fraud? Seattlefag here. Listening to opposition research today on my drive time (fuck it, I still go into the office and listen to NPR on the drive). We have a serious problem in this state with bogus unemployment insurance applications, like theft to the tune of millions of dollars. It's becoming a newsworthy thing around here because people whose identities have been stolen are being used to file bogus claims. It's caused the state to delay people's payments a few days while they try and sort it out.

The NPR spot was about how to protect yourself by signing up or checking your existing unemployment insurance accounts and they were describing this whole problem as a mastermind criminal operation probably run out of Nigeria. Huh. Possible.

Is it also possible the same deep state that has access to your social security numbers and personal details can use that information to systematically steal a fuck ton of money from the state? Seems plausible to me. More I think about it the more likely that scenario seems to me.

**Feckless Clown Dr. Fauci NOW SAYS Staying Closed Too Long Could Cause "Irreparable Damage" - AFTER USING JUNK MODEL TO DESTROY ECONOMY!
WHY DOES THIS MANIAC STILL HAVE A JOB?**

Anonymous

As we know from previous reporting:

** Dr. Tony Fauci and Dr. Deborah Birx used the Imperial College Model to persuade President Trump to lock down the ENTIRE US ECONOMY.

** The fraudulent model predicted 2.2 million American deaths from the coronavirus pandemic

** The authors of the Imperial College Model shared their findings with the White House Coronavirus task force in early March

** Dr. Fauci and Dr. Birx then met with President Trump privately and urged him to shut down the US and destroy the record Trump economy based on this model

** New analysis of the Imperial College Model finds the study is “completely unusable for scientific purposes” — The Imperial College study was a complete sham

** Dr. Fauci and Dr. Birx pushed a garbage model on the White House and the American public and destroyed the US economy As reported weeks ago — in mid April Dr. Fauci admitted that it was he and Dr. Birx who persuaded President Trump to lock down the US economy knowing the massive destruction this would cause in jobs, lives and commerce.

President admitted that during a press conference in April that “two very smart people” came into his office and urged him to lock down the economy or 2.2 million Americans would die from the China virus.

This guy has been wrong nearly every step of the way.

After Dr. Birx and Dr. Fauci sat with the president the US went into lockdown and since that time over 39 MILLION Americans have lost their jobs and thousands of companies have gone bankrupt.

In late March, Neil Ferguson, who was behind the Imperial College coronavirus study, backtracked and said 20,000 Brits may die from the coronavirus instead of his original estimates of 500,000.

Neil Ferguson resigned from his government post as researcher a week ago after he was caught breaking his own lockdown rules by meeting with his married mistress at his home.

Now we have evidence that Neil Ferguson’s model was complete trash.

TLDR: This article is over 2800 words, so the following bullet points outline the main ideas so that they can be understood and this article can be shared with confidence in the facts it covers.

Anonymous

Children in group homes are 2800% (28 times) more likely to be sexually abused and raped than children who live with their parents according to a John Hopkins University Study (link below)

Contact Tracing is being handled by NGOs and State governments which are financed various ways. HR 6666 provides financing for these even though states and other NGO's can finance the work on their own where possible. (HR 6666 is not required for this scandal to take place.)

Contact tracing ultimately allows the state to take children from homes where there is Covid-19 infection. Like HR 6666, you will not find that stated overtly in the literature the programs produce about themselves. It is an omission made possible because the authority to take children for health crisis reasons already exists in laws on the books. If children have guardians (i.e. parents) requiring quarantining or Covid-19 treatment

Massachusetts (so far, we expect this nation-wide) is allowing a Clinton Foundation connected NGO named PIH, which through the foundation is tied to pedophilia and human trafficking, organ trafficking, child slavery and prostitution – under the auspices of healthcare for children without guardians. PIH will work with police and CPS to remove children from home (in the below as “cannot separate themselves from their children easily”)

That the Clinton Foundation backed PIH specifically is involved in Contact Tracing even though their work in Haiti is with children's health allows us to verify what Contact Tracing will be used for, at least partly. Those requiring more evidence connecting the focus on children's health to Contact Tracing, please read the whole article below.

Proves that Fox News has turned the corner and are really CNN lite, just another MSM outlet with a few conservative hosts. Paul Ryan still sucks.

Looking at that study my observation is that the "control group" is significantly larger than the treatment group. Hypothesis would be that with cherry-picking, anything can be asserted and wrapping your discourse in jargon will help obfuscate your process.

So the President has the best team of doctors available at all times. Surely if this was a real issue they wouldn't be giving it to him. This point totally ignored on purpose by MSM.

When was the last time a President refuse to take a single cent of his annual salary but instead choose to donate it all back to the country. Trump has been working for free since Day 1 in office (z.zz.ht)

Sickens me how they treat him in return

It's messed up watching it on this scale. It's terrifying how programmable people are. But don't forget this is an ancient crime syndicate that is being taken down, they will do anything and everything to prevent justice. Your nation is very very lucky to have an alpha like Trump fighting for the good guys. In every nation, any

candidate that respects their constituents receives this treatment from the cabal and its media.

Their definition of Essential Travel :

"Few state parks are open. People still can't stay overnight. And a phase one reopening means people are still supposed to avoid non-essential travel — meaning not traveling from the valley to the coast.

Their ADMISSION of guilt

"We understand that cabin fever is very real, but please wait just a little bit longer," Hall said. "Let us get through this safely. The beach isn't going anywhere."

Their fear of us :

"We have seven miles of open sand. We're not lacking in space," he said. "My only concern is that if we get completely inundated and had to shut down again, that would be anarchy.

the rational logical sounding answer to justify their taking away the Constitution :

"The reason the Oregon Coast was shut down in the first place was the fear of people from population centers spreading the virus, without knowing it, into a community with an older and more vulnerable population, and limited medical facilities. There are just 25 hospital beds each in Lincoln City and Newport. That fear hasn't really changed.

Their Control of the blind and deaf :

There remains no vaccine and limited treatment. And a spike in cases could be calamitous. "

Admission Nothing happened ,and (is this a threat / or fear inducing words) if we fail to keep complying :

"The challenging thing is that we took all these measures and nothing happened, but that's really the point, that's a good thing," Lincoln

NOPE! Fuck you Walmart. You won't see any more of my business until you stop with the stupid sheep herding in/out of your buildings for the sake of "safety"

Lines to get IN wrapping all the way around the building today. Pissed off people everywhere standing in 100+ degree weather. I ended up just driving off again, not going to play their little games. And maybe that's by design? Maybe they want to annoy people into just ordering online so they can shut down brick-and-mortar stores to save money.

Who knows/cares. They've lost thousands of dollars from me in 2020 alone, and they will continue to lose more until they stop the bullshit. Now I refuse to shop online with them too.

FUCK. YOU. WALMART.

edit: feel free to voice your opinion!

Walmart is just a CHINESE front end - half their food is nothing short of poison.

Yet no shortage of Q-boomers who still shop there because their "patriotism" doesn't go beyond jacking off to ronald reagan videos that Q posts.

Oh and let's not forget that they stopped selling their best-selling types of ammuniton (5.56 and all handgun ammo) just to virtue signal "in the name of safety".

Is COVID-19 the biggest false flag in world history?

It may have also been their greatest mistake, what they thought was going to give them global control has been flipped and exposed them for WHO they really are.

On the other hand it displayed the full power of the MSM to influence people's minds and completely brainwashed practically an entire country.

The Chinese economy was going to crash before the end of 2020 because of the trade deal + massive debt bubble + the Belt and Road Payday Loans scam failing all over the world. The CCP had no way out.

To keep from being overthrown, they either needed to revive their economy which was impossible because of all the capitol they put into “infrastructure projects” into 3rd world countries all over the world. Or the CCP had to destroy the global economy to bring everyone else back to them so they could blame that on the US and FF their citizens to make them think it was us who destroyed their economy.

The CCP knew it would be easy to get the Dems and MSM onboard in America, and fear monger the rest of the world and the globalist MSM to accomplish that task. And it worked. But we know different.

"We've Never Seen Numbers Like This" - Trauma Doc Sees Post-Lockdown Suicide Wave Starting * Many were already skating on thin financial ice even before the pandemic.

President Trump: 'I have a chance to break the deep state'

It's a vicious group of people. It's very bad for our country,' the president says

President Trump says he is making inroads in taming Washington's permanent bureaucracy, which he likes to call the "deep state."

“What am I doing? I'm fighting the deep state,” Trump said in an exclusive interview with Full Measure with Sharyl Attkisson. “I'm fighting the swamp...If it keeps going the way it's going, I have a chance to break the deep state. It's a vicious group of people. It's very bad for our country.”

In the wide-ranging interview with Full Measure set to air Sunday, Trump also addressed the debate over whether religious services should remain closed. Calling them “essential services,” he says it's time for them to open.

Get ready for the pandemic hoax act two. An anon posted this video of FEMA camps being set up in Washington. I have a prediction. Save this post to expose it when it happens.

I recently made a post about the army field hospital that was set up in Seattle at the beginning of April. I broke down the numbers and exposed the inconsistency between what we are being told and how the field hospital reacted.

<https://voat.co/v/QRV/3830931>

The general in charge of the field hospital said they were prepared to be there for weeks. He also said he hopes to treat zero patients because that would mean the situation is completely under control. They were going to take in non-Covid patients to free up space in city hospitals for if the “pandemic” proved to be overwhelming for them. The city hospitals claimed they were near full capacity so they canceled elective surgeries and telemeds and brought the capacity down to 70% leaving 30% for covid patients. That makes the amount of hospital beds in Seattle 1104. The army field hospital left in three days without treating a single patient. This means they not only didn’t exceed 30% it means they didn’t come anywhere near it. At what point would city hospitals start shipping patients to the army field hospital if they were getting slammed with Covid cases and only had 1104 beds available?

Trump sent the army field hospitals to keep them in check. Hospitals were forced to cooperate with the army. The numbers they are giving us are fake. They did not have the patients to send to the army field hospital. If the army field hospital never showed up in Seattle I can guarantee you Seattle hospitals would’ve been pushing propaganda that they are being overrun.

Now we keep hearing about the second wave of COVID-19 and I see this video posted.

<https://youtu.be/6qEdyO4gv30> YouTube

This one minutes driving around recording FEMA tents that are set up all over Washington. They are getting them in place ahead of time because they do not want the army involved. The army would not push the hoax. They are trying to install FEMA as the overflow assistance because they, the hoaxers, control FEMA.

The Storm: Volume Three

I'm calling it right now. Washington state will be hit really hard with COVID-19 during the second wave. Hospitals will be overrun and FEMA camps will be full of patients. That is what they are going to tell everybody.

Just remember folks, ITS ALL A HOAX.

Open letter written to Judge Sullivan on Twitter? OMG!
<https://threadreaderapp.com/thread/1261480070683688967.html>

John @Johnheretohelp:

Mr. (judge 🤔) Sullivan,

I had hoped all along that you would do the right thing, that you would realize that what you're trying to hide is known by people on both sides. I had hoped in knowing that you would consider the situation moot and do the right thing.

You did not. Instead you turned to your friends for more political favors and cover. So maybe exposing some of those crimes will prompt you to recuse yourself. It's obvious you can't be relied upon to do your job impartially and dismiss all charges, exonerating General Flynn.

We have met. I have unfortunately worked with Elijah Cummings on more than one occasion. The latest was when he asked me to "assess" the viability of his wife's political campaign. The access granted for that proved very very interesting.

Anonymous

Quick question "your honor", over the years how many millions of dollars in government funds did yourself and your buddy Elijah Cummings siphon off of Howard University? I guess you were right when you said " they don't need it they never amount to anything". On a side note, I think it's very kind of you to help your a good friend Cummings in his little multimillion-dollar insurance fraud scheme. Like he said no one's ever going to get a police search warrant for federal judges house.

What better place to hide a bunch of "stolen" art work. I especially like the two of you have in your private office at home.

You don't have any intention of giving those back do you?

But I digress.

Besides the money laundering and the insurance fraud for yourself and your friends. Should we talk about the cases that you have corrupted for money or favors?

I've compiled quite a list.

Perhaps I should point out the non politically advantageous cases where you just stuck it to the defendant because you could, or because you didn't like them or their race, or because you had "fixed" so many other cases you had to make some of them look "normal".

Any comment judge?

Because it's about to get worse.

There was a "secret" deal in your courtroom, a deal threatening General Flynn's son. You can pretend it was a secret but you knew about it the entire time. You colluded with the prosecutor continuously. But all that's very obvious now.

An innocent man faced with evil,
evil against himself and his son. An honorable man, an intelligent man with integrity, a warrior, will stand in front of his son against any evil.

An evil plan thought you knew of an allowed to happen. Then you pretended not to know anything about it.

And when it did finally come out you did not rebuke the prosecution for it.

General Flynn fell on a sword for his son, you cannot ask for a greater love or respect. I know it well, I had to do it for my wife and my family. 🙏

The Storm: Volume Three

We just discussed a relationship between a father and his son. One of the strongest bonds in this world and beyond.

I understand your a father as well.

Normally I would not discuss children but since your children figure so prominently in shaping your decisions on the bench

I will go ahead and include them here.

You have two sons, both of them violent no good pieces of crap that Daddy has had to cover for their whole life.

One in particular, your namesake. That must be a particular thorn in your side.

In 2012 he was arrested for the violent assault and rape of an underage girl. He beat and raped her for several hours at his home, and when he was "finished" with her, he left her laying on the floor while he went and watched television.

He didn't give her another thought until approximately an hour later when he went to use the bathroom and she was still laying in the same spot, unresponsive.

Did he call an ambulance out of concern? No. He left the house and called you from his car.

You wanted to know who it was,

Obviously this has happened before and you wanted to know how bad clean up was going to be this time. This time it was the daughter of a "family friend", someone who owed you a lot someone you had enriched, and abusing your authority as usual you knew you could cover it up.

Instead of calling 911 because of "recordings", you instructed your son to call the local fire department directly. (Real shame they keep a recorded line as well 😞) and once was dispatched to your sons address found the girl lying against the wall in the bedroom, still unresponsive. They got her to the hospital, saved her life, she was bleeding externally and internally, another hour and she would not have made it, saving daddy's little namesake a murder charge. But the ambulance company call the police reported it oh, your son was arrested. There was no way out the evidence was overwhelming so you and Cummings, and Rod took care of it.

Lost in the system, no disposition.

Still on the books but never made it to court.

Anonymous

Your son must be very lucky have you as a father. The girl was not as lucky. That was in 2012, this is 2020, this summer she'll be old enough to take her first legal drink.

I don't know what she'll celebrate if she does, her life has been very difficult. Everything she's had to go through, including her own family, her father that you control, telling her to "get over it".

She has a lot to get over, at least she will never be burdened with a child like your buddy Obama says, no concessions for her, too much damage for that.

But you managed to bury it. Fast forward a few more years and the same son is picked up in a multi-state sting of online pedophiles. I'm sure all those pictures and videos he was trading, all those children oh, I'm sure they were asking for it too 😞

Back to your friends, Cummings, Catherine Pugh, rod. Funny how are your friends are corrupt or convicted. With that previous charge still on the books you really had to call in some favors to make this go away. Close to 900 people picked up, you managed to make that case

disappear somewhere in between the state and federal level, with some RR help there.👍 Wouldn't want him to pay for the crimes he committed would we?

You owe so much to so many people and they are really pulling your strings now aren't they?

You are unfit for the bench you do not....

Michigan Governor ordered a 20 year old highly contagious COVID patient to recover in a nursing home. She is using COVID patients as biological weapons in order to keep death counts high.

ALL American businesses are `ESSENTIAL!

Who the hell are these Governors to say which businesses go under and which survive? Some of these people have their homes and much else on the line. Many have worked their entire lives for what's tied up in their businesses. They all should be able to open if they wish to. Where do we all go to get back what was lost by government force?

TRUMP is a week ahead of them on the "Covid-19 Resurgence and FEMA camps" and already made the proper steps to nip it in the bud.

Trump is already ahead of them on this and they know it - however, they have to go through with the plan. Here's how Trump proactively countered their newest bullshit:

Anonymous

The National Guard was already called in to these areas last week for "distributing the vaccine for Covid-2 SARS" Yes, Covid-2 SARS is what they're calling Covid-19 - been around for years. Don't believe me? Check out the last paragraph of this DoD release:

<https://www.defense.gov/Newsroom/Releases/Release/Article/2184808/dod-awards-138-million-contract-enabling-prefilled-syringes-for-future-covid-19/>

There is no Covid-19 - the Defense Department is letting Governors know that ... if they try this shit ... they're fucked and the Defense Department already knows what States are about to go through with it. Check this out:

<https://www.nationalguard.mil/News/Article/2195743/oklahoma-guard-supports-hot-spot-through-covid-19-outbreak/>

Guymon isn't a hotspot (there was a supposed "outbreak" at a military base there) ... they're actually waiting for the Mayors in Oklahoma City and Tulsa to make their move with the Hospitals that there is a resurgence in Covid-19.

This is happening in many other States. The National Guard is in every one of these States waiting to stop the FEMA camps. If you're a deep-stater reading this - you know what you're about to do will put you away for a long time. Don't say you weren't warned by Trump. It's all laid out in front of you. Don't do it.

Alright patriots. Your right to associate with people will come to a head this year because of covid. People who wear mask at businesses will be let in and those who do not will be kicked out. This association will come to hear similar to the cake baker stories. The

more this right of association or right to not associate gets air time the less the deep state has on controlling people.

I am stirring the pot with this one but, everyone should be asking these questions instead of being mindless little drones.

These are the important questions folks need to be asking themselves:

Why can you go to Walmart but not Kohl's?

Why the Dollar General store and not a mom-and-pop shop?

Why can't you have an elective surgery, but you can have an abortion which is elective?

Why should you stay inside but yet heat and sunlight kill the virus?

Why can't kids play on an outdoor playground, where sun kills this virus?

Why don't people know that these are "recommendations" not LAWS because they have not gone through due process?

Why is it okay for government officials to get a haircut, but not common citizens?

Why the fear, when this virus has a less than 1% death rate?

Why have coroners questioned death certificates listed as CV-19?

Why are areas like Chicago and NY gearing up for mass vaccination?

What makes one person essential and another not?

Doesn't shelter at home; mean there is a whole population of people, not staying home so we can?

Why are they dividing us?

How do people not know that we are a Republic, not a democracy?

Where has the flu gone? They found a cure?

Why do the homeless consistently demonstrate the lowest infection rates?

Why are they telling us to mask up after 2 months of lockdown?

Why is the CDC saying kids need to be masked when they return to school or attend church, when they know cloth masks restrict oxygen?

Anonymous

What is this oppression and loss of liberty doing to the mental health of our kids and to us?

Why have most other death rates dropped since the virus?

Why did world leaders meet in China in October 2019?

Why are the common people being controlled by the government and no one is controlling the government?

Why are hospitals paid more for Covid 19 deaths?

Why are some doctors speaking out and then getting silenced?

Why did Obama give the Wuhan lab \$334 million dollars?

What does a computer geek have to do with a pandemic and why does he want 7 billion corona virus vaccines?

Why ID 2020, Agenda 21 and 2030?

Why did the CDC have a job posting for pandemic relief workers in November 2019?

Why did Dr. Fauci say in 2017 that the Trump administration would be faced with a " SURPRISE PANDEMIC " and then runs the pandemic team?

Why are they infringing on Christians religious freedoms?

Why can 500 people shop at Lowe's or Home Depot, but we are not allowed to go into a church building?

I don't care if you're Republican, Democrat, Libertarian or vote for unicorns, if you're not asking these questions you should be.

Here are some more questions to ask:

Why were all of the concentration camps inspected by the allies determined to not be death camps?

How can a gas chamber work with wooden doors?

Why were so many people tortured at the Nuremberg trials?

Why is it illegal to ask these questions in the European Union?

Why did WTC-7 fall?

Why were Israeli agents discovered celebrating on 9/11?

Why was no trace of the plane or its passengers discovered, except for the passports of the hijackers?

What was US intelligence source for the responsible party of the 9/11 terrorist attacks?

Why did Israel deliberately attack the USS Liberty after identifying it as a US vessel?

Is there any common theme between the people who own the media, banks, colleges, hospitals, governments, and NGOs?

I realized the answer is No! I think about what if it was just my wife here? I find it stupid that as a business owner I should now think it's "OK" if you walk in wearing mask! I am the one who discussed finding the right lawyer and considering the big picture.

I found a United States Supreme Court case where the justice who delivered the opinion was saying EXACTLY what I was.

Have your lawyer read this case (and read it yourself, too).

This case was about someone back during segregation who died and left some land for a city park, but for whites only. The idea that the city could use that land for a whites-only public park was disputed and challenged. The case eventually went to the SCOTUS.

Justice Douglas wrote this:

A private golf club, however, restricted to either Negro or white membership is one expression of freedom of association. But a municipal golf course that serves only one race is state activity indicating a preference on a matter as to which the State must be neutral. What is "private" action and what is "state" action is not always easy to determine.

Conduct that is formally "private" may become so entwined with governmental policies or so impregnated with a governmental character as to become subject to the constitutional limitations placed upon state action.

A State is not justified, we said, in "permitting a corporation to govern a community of citizens so as to restrict their fundamental liberties.

We have also held that where a State delegates an aspect of the elective process to private groups, they become subject to the same restraints as the State.

Have your lawyer read this, and see what he thinks.

Evans v. Newton 382 US 296 (1966)

https://scholar.google.com/scholar_case?case=13925096853202237596&q=private+trust&hl=en&as_sdt=80006

Thank you for this! I'm the CVS OP, and I found out today with a bit of research that my city has an exception and CVS fucked up big time:

The mandate would exempt masks for people exercising, children 6 years old or younger, or anyone who is otherwise unable to wear a face covering without assistance, as well as those advised by medical professionals not to wear one.

Are You Watching? Italian Government Wants Unemployed To Become Social Distancing Snitches.

<https://summit.news/2020/05/25/italian-government-wants-unemployed-to-become-social-distancing-snitches/>

An army of “civic assistants” will be embedded in the population

The Italian government announced intentions Sunday to create an army of social distancing snitches, saying it will recruit 60,000 people to monitor their friends and neighbours’ activities and make sure they are adhering to social distancing policies.

Reports indicate that the government will reach out especially to the unemployed for the roles, in particular those who have applied for benefits recently.

It wants them to become “civic assistants”, who will report infractions on the use of face masks and other state ordered rules in the wake of the coronavirus lockdown.

The informants will not be given uniforms or badges, and will simply be embedded within the population, meaning anyone could be a government snitch.

It's not unprecedented in Italy, given that Rome mayor Virginia Raggi has employed a website where Italians can inform on their neighbors if they see them breaking social distancing rules.

The announcement was made by the Minister for Regional Affairs and Autonomies Francesco Boccia and the Mayor of Bari (Puglia), Antonio Decaro, who serves as the President of the National Association of Italian Municipalities.

"We are gradually entering a new normal where there is a gradual recovery of productive activities and citizens are returning to populate cities day after day," a statement reads.

Municipalities "will be able to take advantage of the contribution of 'civic assistants' to enforce all the measures put in place to counter and contain the spread of the virus, beginning with social distancing." the statement adds.

"Now is the time to recruit all those citizens who want to help the country, demonstrating a great civic sense," the statement concludes. Social distancing snitches, reminiscent of party informants in Orwell's 1984, have also been employed by authorities in other countries.

"The family had become in effect an extension of the Thought Police. It was a device by means of which everyone could be surrounded night and day by informers who knew him intimately."

States are broadcasting their intention--and preparing logistics--to "isolate" children from their parents in the name of public health. Talking points from the WHO provide the cover narrative, but the politically-motivated use of Child Protective Services by Governor Kate Brown in Oregon against a salon owner who defied the lockdown ALREADY demonstrates that this is nothing but a method of squelching dissent -- and a dangerous one. Absolutely spread this message to all parents, particularly those in states/countries with

Entire MSM / Twitter Scarborough Defense Hinges on the Report of a Coroner that was warehousing and likely trafficking in human body parts.

Sept. 8, 2012— -- A former Florida assistant medical examiner is facing up to five years in prison for storing more than 100 body parts, including brains and hearts, in a Pensacola storage container. Michael Berkland was arrested Friday on one count of improper disposal/storage of hazardous waste and one count of public nuisance, according to the State's Attorney. When he was arrested, it was discovered that he was driving with a suspended license, so he was charged for that, too.

Joe Scarborough spun the media to print HIS version of intern Lori Klausutis's death, pushing fake news about her underlying health problems.

A botched medical investigation was performed by corrupt Doctor Michael Berkland, who parroted Scarborough's narrative. Years later

Berkland was busted for illegally storing human body parts, and let off without conviction.

Lori Klausutis's family have always denied ALL claims of "underlying health problems".

President Trump set a bomb under Joe Scarborough with a devastating Tweet on 29th Nov, 2017. Trump spotlighted the case of the dead Intern found in Scarborough's office, opening the door for citizen investigators to turn up new evidence.

He is 33 years old, born in the USA, and an extremely well educated Muslim Doctor in Detroit Michigan. (education funded by Soros)

He is handsome, articulate, charismatic and smart.

He is sympathetic of the Muslim Brotherhood, and is running for Governor of Michigan,

Which is Step 1 in his preparation to run for President of the United States

He has the potential to be Obama #2, but far more openly Muslim.

Abdulrahman Mohamed El-Sayed is an American physician, epidemiologist, public health advocate, and politician. He has announced his candidacy for Governor of Michigan, running as a Democrat.

DO NOT LET THIS HAPPEN, AGAIN!!!!

REMEMBER.....In a 5-4 decision, the Supreme Court ruled that ballots counted by the clerk as official election totals had to be in by the close of election day or postmarked on that day.

Supreme Court established a PRECEDENT in a Wisconsin case in April. A tub of ballots was found after Election Day was over. Of course, Dems wanted these ballots to be counted.

The GOP sued.

Guess what the outcome was???

In a 5-4 decision, the Supreme Court ruled that ballots counted by the clerk as official election totals had to be in by the close of election day or postmarked on that day.

If a ballot was not in by Election Day or postmarked that day, it CANNOT be counted.

Now...prepare yourself for a shock.

Democrats never know how many fake votes they have to come up with to steal a close race UNTIL the first initial count is done after all the polls close and Election Day is over.

This Supreme Court ruling changed EVERYTHING.

Democrats favorite dirty trick of waiting until the Election Day was over, waiting for the initial count, and then manufacturing the required # of votes to flip a close contest was just taken away from them.

Anonymous

Democrats vote fraud systems were created to steal close elections after the election is over and the votes have counted. THAT was the point the fraud machinery kicked into gear.

They have a target number. They know how many they need.

They won't have that information beforehand this time.

They're going in blind. They really have no idea how many fake votes they'd need.

Mike Garcia just won in CA even WITH mail in voting by 12+ points.

That's about nine points above even the MOST ambitious vote fraud methods Democrats use.

They needed the initial count so they could insert the additional votes without going drastically over the registered number of voters for the district. Now they are flying blind and you will see races in ballot harvesting states where 130% of voters voted .

Philadelphia is one of those places where the number of votes is regularly reported as greater than the number of registered voters and if memory serves, sometimes 100% of votes cast are for the prog.

Where is the LGBTQ on this? Trump places an openly gay man in one of the most critical positions in his administration.

Oh, and Trump has selected a woman as his director of the CIA, his Press Secretary, his Ambassador to the UN, his Secretary of Education, and on and on.

And he has married two immigrants.

All the Left's talking points on Trump miss the mark.

The left are hypocrites and liars like the Jews they serve.

Yep. We cannot leave low earth orbit, which LOE is just a fancy name for the firmament.

They're doing something up there, but it's not what people think. They probably connect to the firmament somehow and use that to survey the earth, weaponry, and defense systems, but mainly watch over the entire earth from up there.

NASA released some documents saying that they compute and calculate all of their launch and landing data using a "flat and motionless earth". Gee, I wonder why that is!? Because it is flat and motionless!

If you are not familiar with the Jesuit Order, they are the "Military"
of the Vatican. Their leader's title is "Superior General". The NAZI
SS were organized following the Jesuit hierarchy which is nearly 500
years old. They are a very EVIL organization, and which I believe to
be the "hidden puppet masters" of the cabal (aka - top of the human
pyramid of luciferian rule over the Earth.) I believe that they are
DIRECTLY aligned with the ruling demons who are setup in the
same hierarchy as the Jesuit Order and are servants of each of those
regional (top / generals) demons who report directly to Lucifer. In
other words: Lucifer --> Regional Demons "Generals" (like Europe
or Asia) --> Jesuit General and direct reports for each region they are
responsible for --> multiple facets of the Global Cabal (politicians,
bankers, CEO's, "Church" leaders, Secret Societies, etc.). The Jesuits
are the Cabal's "Handlers", behind the curtain. You never hear about
them. They are rarely (if ever) exposed. They are the human enemies
of humanity. Just one example: Jesuits created and tested
Communism in South America. Sauce. Karl Marx (a secret Jesuit)
took the Jesuit "reductions" (communism) and wrote his famous
Communist Manifesto. Jesuits created "schools" where they could
indoctrinate the young into slave mentality. They have been kicked
out of many countries due to being exposed (in the past, but history
has been rewritten/removed).

If you want to know who pulls the strings, dig into this EVIL order.
You'll be shocked at what you find... I was.

We hold these truths to be self-evident, that all men (& women) are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. — That to secure these rights, Governments are instituted among Men (& Women), deriving their just powers from the consent of the governed, — That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn that mankind are more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. —

Donald J. Trump @realDonaldTrump:

This will be a Big Day for Social Media and FAIRNESS!

History of False Flags.

A false flag is a covert operation designed to deceive; the deception creates the appearance of a particular party, group, or nation being responsible for some activity, disguising the actual source of responsibility.

The term "false flag" originally referred to pirate ships that flew flags of countries as a disguise to prevent their victims from fleeing or preparing for battle. Sometimes the flag would remain and the blame for the attack would be laid incorrectly on another country. The term today extends beyond naval encounters to include countries that organize attacks on themselves and make the attacks appear to be by enemy nations or terrorists, thus giving the nation that was supposedly attacked a pretext for domestic repression and foreign military aggression.[1]

Operations carried out during peacetime by civilian organizations, as well as covert government agencies, can (by extension) also be called false flag operations if they seek to hide the real organization behind an operation.

And with a little editing and a BIG WORLD you can convince people of just about anything: Since JFK, how many "made-for-television" False Flags have occurred GLOBALLY?!? (you would not even need that many to control a population that doesn't realize it's being programmed...)

Pretty much all of our history and reality is a false flag. Everything.

Here is what I predict, now that they have started a race riot in Minneapolis after they couldn't with a black "jogger", a white guy will drive into the crowd of blacks. It's Charlottesville 2.0

stock here, I sure suspected this when I saw this headline at Zerohedge yesterday.

ZH published this early in the afternoon of 5-25-2020, but it was for data for the day 5-25-2020, now that is interesting how the data was compiled for the whole day before the day even ended, and no less, on memorial day?

They republished it today, the 26th, with the 26th as the issue date.

So they had the complete 5-25-20 data, early in the day on 5-25-20?

See how that works? The narrative is written ahead of time, distributed ahead of time, like the BBC reporter stating how Building 7 had come down, whilst Building 7 was clearly visible in the background of her video shoot.

Read the title below, and see how it doesn't match the title of the article itself.

**BOOM! Trump's E.O. to remove protections from law suits
against Twitter for 1A violations! Winning!**

Trump E.O. today will clarify the law re: allowing for suits against
Twitter, Facebook etc., due to censorship:

(draft excerpt)

among those rules is the immunity from liability created by section
230 (c) of the Communications Decency Act (section 230). 47

U.S.C. 230. It is the policy of the United States that the scope of that
immunity should be clarified.

Section 230 (c) was designed to address court decisions from the
early days of the Internet holding that an online platform that
engaged in any editing or restriction of content posted by others
thereby became itself a “publisher” of the content and could be liable
for torts like defamation. As the title of section 230 (c) makes clear,
the provision is intended to provide liability “protection” to a

Anonymous

provider of an interactive computer service (such as an online platform like Twitter) that engages in “Good Samaritan’ blocking” of content when the provider deems the content (in the terms of subsection 230 (c) (2) (A)) obscene, lewd, lascivious, filthy, excessively violent, harassing, or otherwise objectionable. Subsection 230 (c) (1) broadly states that no provider of an interactive computer service shall be treated as a publisher or speaker of content provided by another person. But subsection 230(c) (2) qualifies that principle when the provider edits the content provided by others. Subparagraph (c) (2) specifically addresses protections from “civil liability” and clarifies that a provider is protected from liability when it acts in “good faith” to restrict access to content that it considers to be “obscene, lewd, lascivious, filthy, excessively violent, harassing or otherwise objectionable.” The provision does not extend to deceptive or pretextual actions restricting online content or actions inconsistent with an online platform’s terms of service. When an interactive computer service provider removes or restricts access to content and its actions do not meet the criteria of subparagraph (c) (2) (A), it is engaged in editorial conduct. By making itself an editor of content outside the protections of subparagraph (c) (2) (A), such a provider forfeits any protection from being deemed a “publisher or speaker” under subsection 230 (c) (1), which properly applies only to a provider that merely provides a platform for content supplied by others. It is the policy of the United States that all departments and agencies should apply section 230 (c) according to the interpretation set out in this section.

Psyop Confirmed: George Floyd and Officer Derek Chauvin both worked as bouncers at the same club whose owner operates the La Raza 95.7 FM Radio Station two blocks from the torched 3rd Precinct!!

A former club owner in south Minneapolis says the now-fired police officer and the black man who died in his custody this week both worked security for her club up to the end of last year.

George Floyd and now-former Officer Derek Chauvin both worked security at the El Nuevo Rodeo club on Lake Street, according to Maya Santamaria. Santamaria owned the building for nearly two decades, but sold the venue within the last few months.

"Chauvin was our off-duty police for almost the entirety of the 17 years that we were open," Santamaria said. "They were working

Santamaria still operates La Raza 95.7 FM radio station. The Latino owned business is two blocks east of where protests erupted in front of the Minneapolis Police Department Third Precinct

Trump basically has ultimate power right now.

Because all 50 states are under a state of emergency as is the whole country, POTUS has basically ultimate power granted to him by the constitution. So these rioters and looters can be easily taken care of with our military. Twitter can also be reduced to ashes. POTUS has shown great restraint so far not wanting to use this power unless he absolutely has to.

Twitter is deleting POTUS's "likes" . Saw it myself.

Last night I clicked the "like" button on a tweet from Trump, and just as I did it, I thought to myself "111k likes, cool number." I hit the like and BOOM, the 111k instantly changed to 109k. I wish for once we knew the true numbers of support POTUS gets because I'm sure it's considerably higher than what Twat let's us see.

George Floyd age 46 Criminal Record.

Criminal Record but He turned his Life Around!!

**Notice how the writer tried to soften it.

George Floyd moved to Minneapolis in 2014 for a fresh start after being released from prison in Houston, Texas following an arrest for aggravated robbery. Floyd had turned his life around but died on Monday after a white officer knelt on his neck while arresting him for allegedly paying with a fake \$20 bill. None of the officers could have been aware of Floyd's more than a decade-old criminal history at the time of the arrest.

The 46-year-old had left behind his past in Houston after being released from prison stemming from a 2007 robbery. He plead guilty

to entering a woman's home, pointing a gun at her stomach and searching the home for drugs and money, according to court records Floyd was sentenced to 10 months in jail for having less than one gram of cocaine in a December 2005 arrest. He had previously been sentenced to eight months for the same offense, stemming from an October 2002 arrest. Floyd was arrested in 2002 for criminal trespassing and served 30 days in jail. He had another stint for a theft in August 1998.

Just wow. Need more sauce to confirm, but this is incredible.

Some other interesting video posted below that tweet. The neighbors had no idea Chauvin was a cop? Possible that Chauvin knew the victim and used to work with him? This is raising the FF spider hairs....

Is Floyd even dead? The plot has definitely thickened

My thoughts too!

CNN crew has been ARRESTED while covering Minneapolis protests, and the governor has apologized.

"A CNN crew was arrested by Minnesota state police Friday morning while giving a live television report in Minneapolis, where the crew was covering ongoing protests over the death of George Floyd -- an arrest that has drawn an apology from the state's governor.

Minnesota Gov. Tim Walz told CNN Worldwide President Jeff Zucker that he deeply apologizes for what happened, and that he is working to have the CNN crew released immediately.

The crew, including correspondent Omar Jimenez, were HANDCUFFED and DETAINED as Jimenez gave a live report on a Minneapolis street shortly after 5 a.m. CT (6 a.m. ET).

Police told the crew they were being detained because they were TOLD TO ME, and DIDN'T, one member of the CNN crew relayed to the network.

"A CNN reporter and his production team were arrested this morning in Minneapolis for doing their jobs, despite identifying themselves -- a clear violation of their First Amendment rights. The authorities in Minnesota, including the Governor, must release the three CNN employees immediately," CNN said in a statement.

Officers approached the crew -- which also included producer Bill Kirkos and photojournalist Leonel Mendez -- as they moved in to arrest a protester behind them.

Jimenez could be seen holding his CNN badge while reporting, identifying himself as a reporter, and telling the officers the crew would move wherever officers needed them to. An officer gripped his arm as Jimenez talked, then put him in handcuffs."

<https://www.cnn.com/2020/05/29/us/minneapolis-cnn-crew-arrested/index.html>

This was clearly staged by CNN and the cops... if they were even real cops.

For those of you in suburban areas, don't be comfortable. Keep your head on a swivel. He's going to send them into suburban areas to rape and kill. Be careful. Lock all your doors. Check your car's backseat, etc. They released prisoners for a reason. You might want to see if you can get terrorism insurance on your cars and houses too. And we can't stand up for ourselves or we're nazi stormfronters and they doxx us til we lose our jobs.

This isn't going to stop without drastic measures. Arresting Hillary or Podesta, or regulating Twitter isn't going to do anything. CEO resignations don't matter to Joe Average. Round the domestic terrorists up, make examples. Now. Freeze Soros funds. Seize Clinton Foundation funds, cut off the money supply to the leftist media and Soros paid rabble rousers.

Soon they'll realize they can literally get away with anything and the brazen murders will start. We'll have to take up arms to fight back and we'll be the ones prosecuted, we always are. End this farce of a society now and let's start over the way our founders intended.

Rant over.

Truth is that the vast majority of Americans don't know who Mike Flynn even is, definitely dont know who Ambassador Kislyak is, and dont even know what FISA stands for.

That's why you don't waste time trying to get people to understand all this. A surgeon removes a cancer; it's irrelevant if the patient understands why other than it will kill. Cut this cancer out, and be done with it.

They don't understand because the MSM is the enemy of the American people and doesn't inform them. They know all about Russia collusion, even though it's fake. Do you understand what "We are the news now" means? Well it means nothing if you don't actively participate in the truth movement and attempt to educate people about what is actually going on.

Q needs a critical mass of awakened people to pull off the overthrow of the cabal. **THAT IS WHY Q RECRUITED US IN THE FIRST PLACE.**

That this blackpill post is upvoted to the top is a disgrace.

Fucking participate and stop complaining you lazy do-nothing faggots.

Do you know why the looters/rioters are so blazen and in full force compared to past events? Because of masks. That's why they pushed for it.

Why did the virus come first? To make people afraid to take their masks off. So ANTIFA can hide better.

The plandemic worked perfectly.

If the USA burns and riots ensue over a shitbag cop and his security guard partner of 17 years in a staged event, what's going to happen when Obama is arrested?

NOTHING, BECAUSE OBAMA IS UNTOUCHABLE NOW. The media empire and rulers of this world, will pit everyone against each other. Q-team, is this part of the plan? Was the plandemic part of the plan? Was the impeachment part of the plan? Was the Mueller investigation part of the plan? >>>>I TOLD YOU SO >>>>the cabal have been doing this for millennia and they are exceedingly efficient at "staying in power". PULL THE BANDAID OFF ALL AT ONCE and lets get over the short term pain for the long term gain.

Release prisoners, toss masks on everyone, buss in agent provocateurs, stage a false flag against a helpless black man, make sure it has a good video recording. gas light with the msm, blame POTUS.

Don't be so sure. The fucking jews destroyed their own buildings in 911 right after taking out fucking insurance policies that covered "acts of terrorism" - they are slimy as fuck! - CNN is going bankrupt and I bet that if you look into it, they are insured against this kind of thing. - This is probably part of their plan. - Make themsleves look like victims, accuse Trump of inciting violence, and pull in a shitload of money from insurance and lawsuits. - Study the kike's every fucking move. Parasites are extremely adept at taking advantage of hosts defenses. In the case of America those defenses are the laws and insurances.

This is exactly my thoughts. Something here doesn't add up. Destroying their build for a insurance payout, making themselves look like victims and pointing at Trump just gives CNN a lot of attention and money.

And just like that the news isn't talking about Flynn's transcripts. Once you see it it becomes, so obvious.

The rioting in Minnesota is a distraction.

They're panicking.

They're pushing the goal line further hoping for any last-ditch escape route.

Chief Justice John Roberts Sides with Liberal Justices as Supreme Court Rules in Favor of Restrictions on Religious Services (breitbart.com)

<https://www.breitbart.com/politics/2020/05/29/chief-justice-john-roberts-sides-with-liberal-justices-as-supreme-court-rules-in-favor-of-restrictions-on-religious-services/>

We have always known Roberts is a controlled little bitch

Exactly, no one should be surprised. The only answer is more actual conservative judges on the SC.

This is a critical moment in this country. Prior to this decision, our churches have been complying with requests to mitigate the pandemic by voluntarily limiting their services. They were not acting under the mandates of the state. But they were wrong to believe that it was their choice to impose these restrictions on their members. Now we see that the state is asserting its dominance over the church and demanding these restrictions. And it is therefore incumbent on the church, all churches, to stand in disobedience of these mandates, even if they believe that the mandates are proper and justified. Because to do otherwise is to accept the court's decision that the church operates at the will of the state.

Good, I've heard about this guy. Firefighter who wanted to start his own business. I just hope he's learned the hard lesson and NOT put his bar in the same neighborhood, but somewhere that it won't get torched next time something like this happens. In fact I will go out on a limb here and predict that any of those burned out businesses will not locate there again. So the inhabitants and looters will not have grocery stores, shoe stores, electronic stores, or anything else in their neighborhood for a long, long time to come. They don't deserve it; all they do deserve is a bleak desert of burned out blocks and have to travel miles and miles to get even the basics of life.

Insurgency.

Insurgency is the organized use of subversion and violence to seize, nullify or challenge political control of a region. As such, it is primarily a political struggle, in which both sides use armed force to create space for their political, economic and influence activities to be effective. Insurgency is not always conducted by a single group with a centralized, military-style command structure, but may involve a complex matrix of different actors with various aims, loosely connected in dynamic and non-hierarchical networks. To be successful, insurgencies require charismatic leadership, supporters, recruits, supplies, safe havens and funding (often from illicit activities). They only need the active support of a few enabling individuals, but the passive acquiescence of a large proportion of the contested population will give a higher probability of success. This is best achieved when the political cause of the insurgency has strong appeal, manipulating religious, tribal or local identity to exploit common societal grievances or needs. Insurgents seek to gain control of populations through a combination of persuasion, subversion and coercion while using guerrilla tactics to offset the strengths of

government security forces. Their intent is usually to protract the struggle, exhaust the government and win sufficient popular support to force capitulation or political accommodation. Consequently, insurgencies evolve through a series of stages, though the progression and outcome will be different in almost every case.

Paying people to get on unemployment, shutting down small businesses, telling farmers to pour out milk/kill their cattle, rioters burning down businesses, this is a Bolshevik Revolution.

The COVID19 bullshit provides the model. During that crisis, they were literally begging POTUS to take control of all domestic activities, to override the governors, etc..so they could immediately point to his violation of the U.S. Constitution. He didn't take the bait.

Now, they want him to do the same. Not only so they can call him a totalitarian dictator (how ironic) who has recklessly abandoned the Constitution, but also because if the U.S. military is directly employed to restore order, the spin and imagery that will spread through the MSM will be that Trump has turned the military on his own people, helpless victims, "protestors" who just wanted their voices to be heard.

This is why Trump will be cautious, and make resources available to states IF THEY REQUEST IT...now, the onus is on the Dem states, governors, and mayors. They're on the hot seats, because their masters want them to do nothing and provoke Trump to respond. But at the same time, their cities are burning. Eventually, something has to give.

It ain't gonna be POTUS. If he deploys the military within the states, it will only be at the request of the governors.

Dems are absolutely fucked. No way out of it now. Trump, federalism, and the Constitution will win, and so will we.

<https://2009-2017.state.gov/documents/organization/119629.pdf>

Insurgency can be defined as ‘the organized use of subversion and violence to seize, nullify, or challenge political control of a region.’

Insurgents seek to subvert or displace the government and completely or partially control the resources and population of a given territory. They do so through the use of force (including guerrilla warfare, terrorism and coercion/intimidation), propaganda, subversion and political mobilization. Insurgents fight government forces only to the extent needed to achieve their political aims: their main effort is not to kill counterinsurgents, but rather to establish a competitive system of control over the population, making it

Anonymous

impossible for the government to administer its territory and people. Insurgent activity is therefore designed to weaken government control and legitimacy while increasing insurgent control and influence.

Insurgents require supporters, recruits, safe havens, money, supplies, weapons and intelligence on government actions. A robust insurgency can be waged with the support of just a small percentage of a given population.

NEXT:

Counterinsurgency may be defined as ‘comprehensive civilian and military efforts taken to simultaneously defeat and contain insurgency and address its root causes’.

Censoring White House communications was a “green light” signal that the insurgency was legitimate, has backing, is more powerful than the government, and is authorized to begin.

This Republic is NOT going to fall by actions outside the Voting Booth. We demand 1) swift justice, 2) immediate reparations from the misfeasors, and 3) resignations from coup participants on government payroll.

Our federal enforcement agencies need a broad view and understanding of all the interstate actors and the wide range roles they played to create this carefully timed, planned, and sourced country-wide insurgency. Crowd Sourcing this information is key to preserving the Republic.

COVID wasn't an organized criminal conspiracy.

THIS IS.

Not only is this an organized criminal conspiracy, it's a conspiracy that involves terrorist attacks on US cities where the people plotting these attacks are crossing state lines.

During a national state of emergency, the President can send in the military to help enforce the law.

He couldn't do that with COVID, just come in with the US army and tell the governor "Get out of the way, I'm taking over!"

This is more proof that NONE of the media can be trusted.

Monday morning and the demoralizers with short memories are out in full force.

How many times does Trump have to go against the cabal to prove to you people he's not one of them?

In no particular order.

He's fucking over china with the tariffs. Cabal would have left China in tact, its basically turning into the cyberpunk hell they want with the social score. And they were fucking over the US, which they want. We're the population with the most weapons, they don't want us more powerful than we already are.

He destroyed ISIS. The Cabal has no reason to destroy their own forces they invested in.

USMCA. Cabal would have left the US to continue to get fucked by everyone.

The Wall. This hampers their child trafficking and drug running to destroy America. Also cuts down illegals.

North Korea. At the start of the presidency they were like the #1 threat, and Trump made peace, even had them blowing up their border patrol stations along with south korea.

They paycheck protection program. Again, if he were cabal he would have just left America to rot rather than go with the 16 year plan.

Leaving the WHO, a cabal controlled organization.

Executive Order on Preventing Online Censorship

- <https://www.whitehouse.gov/presidential-actions/executive-order-preventing-online-censorship/>

And probably the largest. He calls out the MSM. The MSM is the cabals ultimate weapon / mind control tool. It's how they pacify the population. There is 100%, no reason to remove that. The MSM talking heads are literally cabal, and they would not have called themselves out. They do not want the people to wake up. Even if they were going for a new form of control there's no reason to call themselves out as liars, they'd just implement that new form of control.

The internet fucked the cabal hard, information is power.

Anons, feel free to comment and add your own. I will update with the good ones.

And don't forget that social media can be liable as publishers now when they choose to censor for their side.

So, I'm not enjoying "the show"

I'm watching my country being torn apart by niggers being lead and pandered to by jews.

-The Micheal Flynn story is a faint memory.

-Every network on t.v. is either directly pandering to the nig nogs by playing on their emotions or are talking about a celebrity (slave driver) who is.

-White Americans are being constantly told that the nation they built is both bad and not theirs simultaneously (which is a fucking paradox).

- There hasnt been a single arrest of one of the leftists leaders....and not only that they're on t.v. with their failures of offspring on social media discussing how they back these terrorists.

So...now what ? When am I going to start enjoying this show ?

LOTS of puzzling Questions about the Floyd George Incident:

The Storm: Volume Three

1. Why does one photo from behind show the man on the road is not handcuffed and the video from the front that he is handcuffed?
2. Why is the cop car in the restaurant surveillance video different than the one Floyd was lying behind (different car numbers)?
3. Why were the cops in the surveillance footage that arrested him different than the police in the actual incident?
4. Why does the video show the diesel fuel price as 99 cents instead of the regular price in the area of \$2.49?
5. Why does the Police Car have a non-Municipal license plate with "Police" on it?
6. Why does Derek have a completely different police badge on top of a second police badge matching his partner's if they work for the same precinct?
7. Why is it not odd that both Officers Tou Thao and Derek Chauvin have both previously been investigated for excessive use of force and not charged by State AG Amy Klobuchar?
Additionally, Officer Derek Chauvin is married to his partner's sister Kelli.
8. Is there any cop dumb enough to continue kneeling on someone's neck for 8 minutes when surrounded by people and being video recorded?
9. Is it possible for the deceased's cousins and fiancé to be completely tearless during interviews?
10. Why does the main cop have one hand in his pocket most of the time he's kneeling?
11. Why did the kneeling officer appear completely cool and calm, as if he was posing for the camera?
12. Doesn't it seem strange that Floyd and the officer that kneeled on his neck worked security together on the same shift at the El Nuevo Rodeo Club, the officer for 17 years (both were laid off because of the Covid Virus)?
13. Why do the neighbors of this officer say they didn't know he was a cop and never saw him in uniform?
14. Why has the same attorney been hired as with all the other big supposed police killings of blacks? Attorney Benjamin Crump. The same attorney that worked on previous cases that resulted in busses bringing in rioters from outside the city?
15. Why does store surveillance video show Floyd calmly and submissively walking with the officer and not resisting arrest while

Anonymous

the officer gently allowed him to sit down on the side walk, and multiple officers calmly chatting with him? Is this the kind of suspect that a police officer would feel the need to put on the ground and place his knee on his neck

16. Why did the EMT workers (wearing Police Uniforms including bullet proof vests) roughly handle and dump the unconscious George on the stretcher? This is not how trained emergency workers lift a person with a possible neck injury. Why did they not attempt triage or try CPR?

17. Can someone really not breath when someone kneels on his neck and is the victim really able to speak for considerable periods of time if he can't breathe?

18. Post killing: Why is a white man that looks like an undercover (St Paul) cop in black and a riot gear mask carrying a black umbrella walking around breaking windows (and others dressed similarly starting fires) and instigating a riot? Is this reminiscent of "umbrella man" during the JFK shooting?

19. Why were almost all the rioters leading the destruction of the neighborhood at the beginning of the riots "white" and not from Minneapolis... in a black neighborhood after a police killed a black man?

20. Why did the Chief of Police make it a point that those Inciting the Riots and Arsonists were not from Minnesota?

21. Why was a CNN News Crew not only detained but also Arrested?

What did I miss?

Body cam!

Where is his body cam? No chest mount, no head mount.

Exactly. I noticed that right away

If this is false flag to incite racial war then I hope intelligence agencies have intel on this so they can prosecute the ones who organized this. That would be so disgusting, so despicable, but it's actually something that Deep State would do - as they are already highly organized crime machine.

New Garrison: Pandorasoros' Box

SOROS FUNDED CIVIL WAR

If a politically naive person watched nearly a week's worth of protests and general mayhem on MSNBC and CNN like I did, they might arrive at a logical conclusion: It's all Trump's fault. Over and over again I heard guest 'analysts' as well as host 'journalists' say the rioting was due to Trump's 'systemic racism.' They even said the president fanned the flames of violence.

We can expect Maxine Waters to shrilly blame Trump for anything negative including bad weather. Don Lemon blamed Trump so hard that he almost got emotional over it. I actually expect him to cry — that's how earnest he became while in the throes of his Trump Derangement Syndrome.

The blame actually goes to Soros. He funds Black Lives Matter and the Antifa. Even those on the left complained that 80% of the rioters were 'imported from out of town' and incited violence. Palettes of bricks were left in handy locations to be thrown through windows.

The Storm: Volume Three

Protests are legal and to be expected in this instance but rioting, violence and looting are crimes.

President Trump talked about designated Antifa as a terrorist organization by executive order. Antifa individuals who commit acts of violence should be arrested and held accountable. The real terrorist organization includes George Soros, Bill Gates, and the globalist cabal. They all want to destroy America in order to bring about globalism.

— Ben Garrison

Black woman to stop supporting George Floyd protests (files.catbox.moe)

Cecilia Regina

1 hr · 🌐

George Floyd was arrested and convicted of robbing and beating a PREGNANT BLACK WOMAN after breaking into her home. He wanted money and drugs and when she didn't have either, he pointed a gun at her PREGNANT STOMACH! Attached are photos of the court record of his conviction, as well as his extensive arrest record. In the comments are full articles detailing his criminal history. STOP MARCHING FOR THIS MAN. Stop posting for him. He was a monster who terrorized BW in life. DO NOT support him with your labor in his death. If you do, you're supporting a man who hated and harmed black women! You cannot have it both ways this time. Either you are for the safety of black women or you are saying that we don't matter compared to black men. Share, share, share!

Take note of every shitbag company posturing and virtue signaling during this. Spend your money accordingly.

For example, Activision just delayed indefinitely the new season of their top-selling videogame, Call of Duty: Modern Warfare.

<https://twitter.com/CallofDuty/status/1267626497902174208>

Twitter even calls it sensitive content, for fuck's sake.

Democrat-run states had the worst COVID-19 deaths and worst lockdowns destroying their populations; Dem-run states and cities are having the worst rioting/looting. Vote Dem if you want more of this.

I am going to post this every day on every social media site until the election. It needs to be heard by everyone.

No thanks.

After watching all this shit, I'll never be voting for Democrats ever again.

Sometimes you need to show people.

Chauvin was a Democrat, his black police chief a Democrat, Minneapolis mayor a Democrat, The governor a Democrat, The black AG a Democrat, The State of Minnesota votes Democrat---- IT's TRUMP'S Fault. It's White Conservative's fault.

Gaslighting example - calling looting, assaulting, destructive rioters peaceful protesters. Democrats are evil.

Communists don't have points or principles, only pretenses meant to enable their crimes.

They're antithetical to truth, and vice versa.

They label the cure the "disease", and the disease the "cure".

ALWAYS SPEAK THE TRUTH!!!!

To exercise your rights to protest, communicate, and persuade, is absolutely American!

To use force, or threat of force, and violence, is terrorism, and obviously criminal, and anti-American.

The communists have many useful idiots on all "sides" doing their bidding. Don't be their useful idiot!

Freedom is always the solution!!!

Written by a NYC police officer on the front lines last night. (files.catbox.moe)

Written by an NYPD Officer on the front lines tonight. The world needs to know.

Almost 32 years with NYPD, I have never felt such disgust, hopelessness, and anger. Manhattan was occupied territory tonight, we were totally outnumbered by miscreants. They were brazen, laughing and rampant. It was so prevalent there was nothing a police officer could do according to the rules and expectations of the Democrat Party. Our leaders took knees of solidarity with “protesters” during the day, and then had a dick forced down their throats at night. Zero leadership. Zero courage. Complete and utter pandering. And I heard the Bronx was even worse. I didn’t hear one person say the name George Floyd. It was complete anarchy and savagery. New York, wait until you wake up and see video of Manhattan. It will look like Iraq. If you don’t beg Donald Trump to take charge of these democrat cities across America, your country will be lost. The shit I saw today disgusted me more than the shit I saw on 9-11. Wasn’t even close. Going to bed. Good night.

Wednesday June 3, 2020.

MSM mind control had people in a frenzy of fear over COVID-19 "pandemic" just to stop on a dime and pivot them to packed-crowd protesting overnight.

Witness the power of the MSM over an uninformed and sleeping public.

The fake news media is the enemy of the American people.

Knowing you're on the right side is a fucking blessing. The brainwashed masses give me nausea, but the feeling of justification from knowing where I stand is worth every headache.

Message from truck drivers (threadreaderapp.com)

<https://threadreaderapp.com/thread/1267914489866989571.html>

Deb Richie 🍷 @DebRichie:

PSA from your Truck drivers- If you or your loved ones plan on blocking a road, bridge, highway etc. the game has now changed for the American trucking industry.

After drivers being beaten, murdered or left for dead, the new protocol is HAMMER DOWN! (This is not a joke)

A post from many other Truckers:

DEAR AMERICA, WE ARE SERIOUS...

THE AMERICAN TRUCKER will not be held hostage, threatened,

Anonymous

robbed, or killed. We will not be a victim. We will not be this generation's version of Reginald Denny. Every driver knows that name. Do you?

We will defend ourselves everytime, up to and including, using our 80,000lb trucks and it's 1,800 foot-pounds of torque to run you over.

Cities where looting, rioting, and stopping trucks is happening....

You are hearby put on notice.

Threaten, delay, attempt to stop a truck, we... The American trucker will consider that act as an attack on our lives. We will defend ourselves, our equipment, and our load.

Food, medicine, hospital supplies, gasoline, and a million other daily items we deliver to your cities ARE A-POLITICAL. Everyone needs them, including your dumbass. We don't "need" to come to your lawless city. YOU NEED us to deliver your food and supplies to your city.

We drivers have social media too. If your city becomes too chaotic and violent. Becomes too unsafe for us... Word will spread very quickly amongst the 3.5 million truckers. We will stop delivering to your city. Period. ! 

No driver will travel into a city that reminds us of scenes from a "Mad Max" movie.

Threaten an American truck driver while he's working and it will take you, and your city, down a path where YOU WILL LOSE.

Take a moment and seriously think:

Do you really want to risk your doctor NOT having the supplies he needs to save you while in surgery? Do you really want to stop the medicines keeping your kids and parents alive?

Keep your silly shit off the US Interstate and US highway system.

Congregating in the roadway will only get you run over. Having people standing and blocking the highway is a threat to our physical safety and we will respond appropriately to your attack.

Standing in the roadway is NOT a protest. It is an attack on our safety. Air horns will sound, steering wheels will be held tightly, but those brakes will not be touched. You will move, or you will die.

The Storm: Volume Three

80,000 pounds at 70mph will win every time. STAY OUT OF THE ROADWAY.

In closing: DONT FUCK WITH THE AMERICAN TRUCKER 
God Bless America

"But even before riots exploded across the United States in the aftermath of George Floyd's death, federal and local officials have long been investigating the inner workings and revenue stream of the anarchist, left-wing outfit."

"And arrests among its highest ranks may be imminent."

"Intelligence sources pointed out that indictments have been building for some time, and a close examination of funding revenues remains under the microscope. While Antifa operates as something of a leaderless militant wing, sources closely engaged in the matter said that there are identifiable top brass driving and inciting criminal activity."

Yeah in some cities you have a Democrat mayor and Governor who do not support the police and let their neighborhoods get trashed only to turn around and say "See? Do you really want 4 more years of Trump?!"

all riots are in liberal run cities. You'd think blacks would wake up and get off the plantation. What is ironic is they have all voluntarily walked back on to the DEM plantation after they were freed.

We have to allow these people to commit acts of treason and sedition, you can't simply arrest them on suspicion or pretense, that is "Minority Report" and that is not the world we live in, people are innocent until a crime has been committed. Unfortunately, at the very least, you won't get justice for those that only conspire to commit a crime, they must commit the crime and then they can be punished or the crime.

Holy truth RPG.. Watters might be the most fully-dialed in / commentator on the MSM.

Watters was more clear, on-point, and over-the-target in his remarks than I have ever seen. And pretty rightfully fired-up too!
I don't watch MSM other than clips like this, but that was well fucking done.

You can tell he fully understands what is really happening and the global struggle.

He probably knows he will be fired instantly if he goes too far to name or expose it, but he is putting in good work.

This was like a master class with him showing us how concise, well-formed insights and discussion of underreported revelations can bring perspective and clarity and TRUTH to the topics he covers.

As they clearly and blatantly destroy the country, Democrats actually have many believing it's POTUS' fault.... Why are MSM and Social Media not being taken out for spreading PROPAGANDA?

Blame it on a satellite network malfunction or some technical issue, but they HAVE GOT TO GO.

This is the GREAT AWAKENING

The truth is not taught but learned. It wouldnt be the GREAT awakening without awakening as many people as possible. The only people that are left are the people 95% inundated by the MSM propaganda.... The people living in the big cities themselves. They need to see something absolutely despicable, and see the media, who they still trust, defend it. Right now the MSM is propping up violence, death and decay. They can see that because they live there.

They need to figure it out for themselves or the red pill wont take.

October surprise is next.....Black Lives Matter only trends in the summer before elections and then nobody talks about it - weird. (i.imgur.com)

Jane Fonda signs petition to cut funding for police. How about a petition saying Jane Fonda is not allowed any kind of bodyguard or personal protection?!?

Maybe if she can't live in a gated community with her own personal bodyguards she would be OK with the common person having police protection.

So, this is what i have figured out so far about COVID and the riots. Any holes in my theory/corrections?

this creates social tension

ignite it with the first opportunity, idk like a death in police custody that looks bad

The only reason you'll see me on a knee is to steady my aim.

MAGA.

650 arrested in NYC last night. Then 650 released, to riot again. Soooo, no consequences then?

Obviously, Di Blasio did it on purpose because this is a commie take over and he doesn't want this party over.

Will Cuomo remove the mayor? Will be telling if he doesn't.

Will NY turn red?

Hope so.

These looters and rioters need to pay.

EDIT: Now I am hearing curfew was moved from 7 to 11 pm.

Blasio is one sick fuck.

It's an insurrection. This is why the President has warned the governors to get control of the situations and restore law and order or he will send in the military. This why there are senators trying to introduce legislation to make changes to the Insurrection Act. We are at war.

<https://plato.stanford.edu/entries/enlightenment/>

The Enlightenment is often associated with its political revolutions and ideals, especially the French Revolution of 1789. The energy created and expressed by the intellectual foment of Enlightenment thinkers contributes to the growing wave of social unrest in France in the eighteenth century. The social unrest comes to a head in the violent political upheaval which sweeps away the traditionally and hierarchically structured ancien régime (the monarchy, the privileges of the nobility, the political power of the Catholic Church). The French revolutionaries meant to establish in place of the ancien régime a new reason-based order instituting the Enlightenment ideals of liberty and equality.

...enlightenment with the process of undertaking to think for oneself, to employ and rely on one's own intellectual capacities in determining what to believe and how to act.

THE NEWS IS FAKE.

THE WAR IS REAL.

Q

Okay, it's finally dawned on me. This is a war. They will try to win at any cost. This is an uprising, a revolution, an insurgency, a Coup d'état.

Yes, I vaguely knew that. But the latest Q posts plainly indicate that they are attempting to besiege the white house.

Witness also the shill activity here, it's a different tone.

Apparently Trump has a private force protecting him, and the DC mayor is calling for every kind of stand down.

<https://thehill.com/homenews/house/501173-pelosi-demands-trump-clarify-deployment-of-unidentified-law-enforcement-in-dc>

<https://twitter.com/wmalnews/status/1268584801965146114>

The useful idiots think this is the glorious revolution, and once they win they will be able to kill us with impunity like Che Guevara. Oh what fun for them.

But in reality their masters are playing them. Americans do not like riots and disorder. They do not like looking like a banana republic where our justice system is so corrupt and inept that our stores are looted and nobody can do anything about it.

The puppet masters, they are just trying to make Americans unhappy and blame Trump for incompetent leadership. They know that most Americans don't understand all the details about the Fed govt vs. the States.

Remember, Obama's good buddy, veteran radical Bill Ayers? He was quoted in the 70s as saying if the revolution overthrew the government they would have to kill about 25 million Americans who were staunch capitalists. Their revolution is an end justifies the means thing. If you do not have their ideas you are a poison to their perceived Utopia and must be eliminated. These are the kinds of people that seeded this progressive leftist ideology long ago and they see this as their moment.

Well I'll be. This was the whitepill I needed. Logic and sense rules the day. Part of Trump's brilliance is making us think he's weak, when really he's doing all sorts of stuff on the DL. Idiots continually think he's just flailing around. This is amazing!

I have learned to like it when POTUS looks weak or backed into a corner.

I've listened to a few stories from some people that have known Trump (forget names atm) over the years. A few statements kept getting repeated. They say right when u think u got him, that's when he strikes u down. Those statements make sense especially if u consider one his fav books (Sun Tzu - Art of War) and his love of strategy. Not worried. He's got this. Best Show Ever.

PSA: Q4414 - you do realize that we are at RED5 or maybe even RED6? "Tonight's the night; they're going down!" "Timber!"

Posting for an anon who doesn't have enough CCP and is witty about it as well! :). From <https://voat.co/v/QRV/3858336/24147952>

I can't post my own topic due to CCP (funny abbreviation, isn't it?). Please spread this far and wide!

Q4414 - you do realize that we are at RED5 or maybe even RED6?

RED1 - Twitter removal - Trump had a tweet removed a few days ago.

RED2 - Blackout in DC. This was either on purpose or a result of enemy action (EMP, Cyber attack?)

RED3 - Trump said PENCE was "gone far away somewhere" a couple of weeks ago. Pelosi may actually be secured, too.

RED4 - Military assets have been moving into place for days now.

RED5 - Military secured the NORAD base in Colorado a few days ago. They are now the central command.

We are now ready for RED6:

Today there are coded comms from the Left calling for siege of the White House.

Trump will be evacuated to AF1. The "storm is upon us" tweet/DHS EAM will be sent...

BE READY. ANY MINUTE NOW!

I will also include Q4414, so you can more easily "line up" the RED1 through RED6 items. Note that the "Emergency Action

Scare people with a virus. Place them in quarantine. Count the number of dead every second of every day in every news headline. Close all businesses. 40,000,000 out of jobs. Peak unemployment. Remove entertainment: parks, gyms, bars, restaurants, sports. No dating. No touching. Mask people. Dehumanize them. Close temples and churches. Create a vacuum. Let depression and anxiety and desperation set in. Then... ignite hatred and civil war. Civil unrest. Empty the prisons because of the virus and fill the streets with criminals. Send in Antifa to vandalize property as if they are freedom fighters. Undermine the law. Loot. Attack law enforcement, but tell government to order a stand-down. We are all being bated by adversarial governments who want to destroy America - China, Iran, Russia. Have the Far Left abuse the racial wars to fuel the fires. And, in an election year, have Democrats blame all of it on the President. This what modern warfare looks like.

The Armor of God

Finally, be strong in the Lord and in his mighty power. Put on the full armor of God, so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. 17 Take the helmet of salvation and the sword of the Spirit, which is the word of God.

And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the Lord's people.

Have faith in Humanity.

Have faith in Yourself.

Have faith in God.

Q26 - Think about it logically.

The only way is the military. Fully controlled. Save & spread (once 11.3 verifies as 1st marker).

Biggest advanced drop on Pol.

My interpretation of Q: The only way the riots will end is to cut off the head of the Snake = Soros. He will get arrested first by Military which will lead to all his minions. But the election on Nov 3rd has to come first while Antifa is allowed to riot for proof and justification of arrest.

I don't understand how people don't get the Q post.

The tweet card updated because the site updated, however that is not what Q is pointed us to. Web developers frequently use the card validator privately BEFORE they update a page, to make sure the card looks proper before they go live.

What Q is saying is that: 1, they control Twitter, and 2, they saw the Obama web developers sent requests to validate the GEORGE FLOYD card BEFORE the Floyd event happened.

All of the black people that I know are very nice people. I frequently greet strangers and some of them are black. It seems like out in the real world normal people are working hard to unite.

I have had the same experience. The only people that are scary and dividing are liberals.

Attacks on the police is an old communist tactic to *eliminate law enforcement*. The Bolsheviks successfully unleashed widespread attacks on police in the run up to the October Revolution.

- *Alexander Solzhenitsyn*

Anonymous

The Bolshevik Revolution also provides another lesson for all would be revolutionaries, that they should heed.

Whilst a revolution is underway, those that revolt are a positive, however once the revolution is over those that revolt are a liability. Want proof, Leon Trotsky (Lev Davidovich Bronstein) the person who created the Red Army, was instrumental in Red October, was murdered by an assassin in Mexico City in 1940 for speaking out against Stalin, In the 1930s Stalin held huge show trials to provide that ability to kill many of the high ranking revolutionaries that a mere 15 years earlier had created the Soviet Union.

So, all the Antifa type be careful for what you wish for it may come to pass.

Highly Decorated D.A.R.E. Cop Arrested For Running An Enormous Child Porn Ring.

On Thursday, Kovacs, 58, was arrested at his home for unspeakable crimes against children. Kovacs stands accused of producing, distributing, receiving, transporting and possessing child pornography on a massive scale. How many sickos are out there that one would need a MASSIVE scale to describe this? This is truly disturbing. Seems like every organization that was sold to us for the betterment of children are involved in abusing them.

A Farm Kid Writes Home After Joining The Marines.

Dear Ma and Pa:

I am well. Hope you are. Tell Brother Walt and Brother Elmer the Marine Corps beats working for old man Minch by a mile. Tell them to join up quick before all of the places are filled.

I was restless at first because you get to stay in bed till nearly 6 a.m. But I am getting so I like to sleep late.

Tell Walt and Elmer all you do before breakfast is smooth your cot, and shine some things. No hogs to slop, feed to pitch, mash to mix, wood to split, fire to lay. Practically nothing.

Men got to shave but it is not so bad, there's warm water. Breakfast is strong on trimmings like fruit juice, cereal, eggs, bacon, etc., but kind of weak on chops, potatoes, ham, steak, fried eggplant, pie and other regular food, but tell Walt and Elmer you can always sit by the two city boys that live on coffee. Their food, plus yours, holds you until noon when you get fed again. It's no wonder these city boys can't walk much.

We go on "route marches," which the platoon sergeant says are long walks to harden us. If he thinks so, it's not my place to tell him different. A route march is about as far as to our mailbox at home.

Then the city guys get sore feet and we all ride back in trucks.

Anonymous

The Sergeant is like a school teacher. He nags a lot. The Captain is like the school board. Majors and Colonels just ride around and frown. They don't bother you none.

This next will kill Walt and Elmer with laughter. I keep getting medals for shooting. I don't know why. The bulls-eye is near as big as a chipmunk head and don't move, and it ain't shooting at you like the Higgett boys at home. All you got to do is lie there all comfortable and hit it.

You don't even load your own cartridges. They come in boxes. Then we have what they call hand-to-hand combat training. You get to wrestle with them city boys. I have to be real careful though, they break real easy. It ain't like fighting with that ol' bull at home. I'm about the best they got in this except for that Tug Jordan from over in Silver Lake . I only beat him once. He joined up the same time as me, but I'm only 5'6" and 130 pounds and he's 6'8" and near 300 pounds dry.

Be sure to tell Walt and Elmer to hurry and join before other fellers get onto this setup and come stampeding in.

Your loving daughter,
Alice

Q...If You're Listening...PLEASE.

Just drop ONE of the real BOOMs. Anything. Something that doesn't fuck up the plan. You say "we have it all" ...ok...please, just publicly throw a wrench in these bastards machine of evil; one they can't explain away and forget about after the next BS news narrative. But I literally cannot turn on a TV without wanting to throw the remote at it for over 3 years now.

Social Media is a Liberal run/controlled nightmare. I see SO MANY people I knew growing up who are so fucking indoctrinated I don't see how they can possibly wake up - - I DON'T SEE HOW THE ENTIRE WORLD HASN'T ALREADY!!

I'm worried that the plan requires 2 terms for Trump; what if they cheat, what if he loses? We are fucked.

Just please, one thing, anything, something that every brainwashed moron who is bowing down to black people in the streets and begging forgiveness from them will have to stop, dead in their tracks, and say "what the fuck? holy shit! we've been played!!"

I believe. I pray. I trust the plan. I can't imagine the scale and level of horror that must be going on behind closed doors. But morale feels like it is petering out...drop that pic of Obama with the AK...have the doctors who made Michael into Michelle come forward while releasing/leaking the "Obama Kids" DNA tests.....A-N-Y-T-H-I-N-G.

I mean, they are literally rioting, looting and murdering people in the street...and it ain't the pedovores getting the beatings...its law-abiding citizens! Business owners. Residents. Normal people.

I really hope this ending that is "going to be Biblical" is like, incoming any minute...and if not...please, throw us a bone. Please. What else are we supposed to do? Patriots have been peaceful so far...you said the military will do the "heavy lifting" ...so I'm waiting, patiently. But I have kids and a wife to protect and I can only shoot and reload so fast when they start spreading out of the cities and into the more rural areas...

I have faith. I trust the plan. I'm praying hardcore lately that the plan is about to be made known worldwide...

Asking for a friend.

Defunding the Police is the first step before installing the Marxists Social Justice Police Force.

Soros has already elected the Governors and political leaders of the Marxists Social revolution.

The most critical point that has yet to be fully explored is all the elected Judges and Prosecutors and City Council members that Soros has gotten into office.

The reason our local governments all look so looney tunes is because we do not really know who they are or what they really believe, follow the money they used to get elected and you will find out what it is they are working for.

One thing is for sure they do not work for the people.

EVERY elected official who received Soros funding of any kind should be impeached and removed from office and never be allowed to run for public office ever again.

The evidence of the infiltration is being shown daily.

Nazis arose because German society in the Weimar Republic fell apart. Antifa was rampant. Monuments were destroyed. LGBT was prolific. Ordinary Germans wanted law and order back. Sound familiar?

Same with Mao and China CCP installation, young were brainwashed into attacking old and the 5000 year old Chinese culture and statues... same old playbook

BLM deface statue of slavery abolitionist Matthias Baldwin who established a black children's school and paid the teachers' salaries. BLM's aim is to destroy white monuments, not slaver monuments. (files.catbox.moe)

This isn't about slavery. It's about white history. Once destroyed they'll then push the jewish revised version. Followed by reattribution of select parts of our history to blacks and jews. "Every record has been destroyed or falsified, every book rewritten, every picture has been repainted, every statue and street building has been renamed, every date has been altered. And the process is continuing day by day and minute by minute. History has stopped. Nothing exists except an endless present in which the Party is always right." - George Orwell, 1984

Democrats are domestic Terrorists.

How much proof do we need to label Democrats domestic terrorists?

Can you name some evidence?

At this stage, I'm not even sure you can call them purely "Domestic".

Replacement is underway.

Minneapolis, Chicago and Portland are looking pretty rough. They are cities governed by Marxist and have gone through the full demographic and cultural replacement. Do you hear me? The cities have been replaced among others that are well on their way to total replacement and transformation. The actual people that built the cities are leaving or already gone and what is left is an underclass culture of welfare dependence, gangsterism, drug houses and crime.

Congratulations Seattle! You are the laughing stock of the U.S. and the rest of the world.

Thanks for playing. The country can see how they NEVER want this kind of disgusting filth in their government. Thank you Seattle for allowing the show to be played in YOUR cesspool, in Democrat-land. Washington and others were never really in play but you have done much to give us a 'free play' card and we will surely take full advantage of it. BIG MISTAKE!

The puppet masters took YOUR babies and turned them into mindless agents of evil, without an escape plan, without food and water, without a way to return home. They have been marked and are being used in an attempt to regain control and power. They have no free will of their own and are in a state of perpetual purgatory. NO REAL STRATEGY.

The Liberals will abandon, disregard, ignore and screw you as they always have. Your master will have betrayed you and let you hang to dry. You are not protected, by no means, you are their sheep use to send ONLY a message and are being sacrificed without regards to your well-being. IT IS NOT SAFE.

Understand Seattle that you have been PLAYED. YOUR master has already abandon you, listen to how they want you to move, pawns. You are NOT the piece that they have made you to believe. You are their sheep, they will slaughter you before anyone can save you. This is a mere whisper. YOU MUST SAVE YOURSELVES.

You are telling the country a STORY, the media will prove some cover, spread lies, rumors and falsehoods. THIS IS INEFFECTIVE MEDICINE.

In the end the country will show you IT'S STORY. It is stronger, much stronger. HIGH DOSE OF EXPERIENCE AND TRUTH.

So, let me get this straight on the "Autonomous Zones" in Seattle.....

They built a wall to protect their border.

They have stop and frisk at the entry points.

They are now collecting "taxes".

They have signs that say "cowards hide behind their guns" and also have armed guards at their entrances.

They believe in "autonomous zone exceptionalism".

They want to be completely insular, but they are ordering out for soy.

They more than likely oppose capitalism, yet drink Starbucks and use their iPhone to tweet.

Against fascism but appoints a warlord.

Hates police then creates a police force.

Anything else I am missing at this point??

Do you really think it's just coincidence....

Do you really think it's just a "coincidence" that Jeffrey Epstein abruptly died right before he was going to prison for the rest of his

The Storm: Volume Three

life and would likely need to testify against or expose some of the worlds biggest names in connection with his pedophilic crimes?

Do you really think it's just a "coincidence" that the pathologist who was hired to do George Floyd's autopsy was the same pathologist who "observed" and had connections to the autopsy for Jeffrey Epstein?

Do you really think it's just a "coincidence" that members of the Chinese Communist party were part of the group outside the Whitehouse rioting and causing destruction and most of the rioters and looters in Minneapolis were from out of state?

Do you really think it's just a "coincidence" that an event guaranteed to spark anger about racial injustice happened at the very moment the unemployment rate in the country was at an all time high because of Coronavirus? Allowing millions who were now without jobs to have the ability to spend their time looting and rioting?

Do you really think it's just a "coincidence" that random piles of bricks magically appeared in various cities right before riots broke out, while there were no construction sites or possible need for a pile of bricks within miles?

Do you really think it's just a "coincidence" that scientists discovered the Coronavirus was actually man-made and that it had been doctored to bind to humans? Or that it hardly mutated since it began to infect us which suggests it was already fully adapted to humans?

Do you really think it's just a "coincidence" that the virus they created which caused a huge pandemic just so happened to be an airborne virus that would make it perfectly acceptable for paid rioters and looters to wear masks and conceal their identity, yet blend in perfectly with the crowd since everyone else is wearing masks too?

Do you really think it's just a "coincidence" that the media used a picture from an Italian hospital on the news during the COVID pandemic pretending it was a current scene at a hospital in New York.....and then apologized publicly and called it a "mistake" and then two months later used a picture off the World War Z movie trailer on the news pretending it was America on fire? Was that also a "mistake"?

Do you really think it's just a "coincidence" that while the media and news shoved their twisted narrative in our face and focused solely on the riots and looting going on, that we missed the DIRE news that a

Anonymous

judge ruled that Hilary Clinton WILL in fact be forced to testify regarding her missing emails? Or that the Senate gave authorization to subpoena over 30 Obama officials in the Obamagate case?

Do you really think it's just a "coincidence" that all of these terrible things are happening back to back to back to back on an election year?

Because if you do.....think again. This was planned. And we paid the price just like they wanted us to. Innocent and beautiful lives have been taken because of their sick agenda - beautiful black souls, beautiful white souls, beautiful law enforcement souls. HUMAN souls.

WE ARE BEING PLAYED. WAKE UP AND SMELL THE BULLSHIT AMERICA.

Wake tf up.

Why are the lights still on in "CHAZ"?

If they've declared autonomy then they can figure out the electricity.
Garbage disposal? Figure that out too.
Water? Figure it out.
No deals.

Meanwhile, Garcetti (mayor of LA) cut off power/water to business that defied his COVID orders.
Fucking backwards world, man...

CHAZ (Capitol Hill Autonomous Zone) struggles with its new found liberty from civil society. This is just precious.

The self declared "CHAZ" or Capitol Hill Autonomous Zone is struggling in its infancy as a sovereign area free from the horrors of American civil society.

It seems they invited the homeless into the area to share in their newly formed utopian wonderland.

The innocent homeless who we all know have high standards strong work ethic and are pure as the driven snow.....promptly stole their food supply.

Next these wunderkind pioneers of freedom put a call out for help to resupply them with "more food to keep the area operational. If possible bring vegan meat substitutes, fruits, oats, soy products, etc. anything to help us eat."

Next these geniuses decided they would become self sufficient by planting a garden.

The garden was not tilled or planted in rows and consisted of a few bags of potting soil poured on top of the grass with random plants planted haphazardly around the patch.

One twitter patriot commented that "they planted enough for about 4 people to have a salad in about a month".

This is just too precious. At least until word of what happening inside this zone gets out - looting at will, assault for any reason, sexual assault, etc. Or as soon as first responders need access to save someone's life and can't get in.

This so called CHAZ only ends one of three ways.
Surrender (not as long as Dems in control)
Forced take back by local or Fed authorities (Trump has made the ultimatum but State pushes back and will wait to late to act)
Total burn down and destruction of the area, loss of life and property, multiple assaults, casualties and atrocities (to anyone in CHAZ, get out now. Save what you can but save yourself first).

Truck Drivers Say They Won't Deliver To Cities with Defunded Police Departments.

As cities across the country are discussing defunding or disbanding their police departments, truck drivers are voicing concerns of safety. Seventy-seven percent of truck drivers say they will refuse to deliver freight to cities with defunded police departments.

Truck driving is historically ranked as one of the most dangerous jobs in the country. In 2018, U.S. Bureau of Labor Statistic reported truck driving as the most deadly job in the country.

Truck drivers have spent the last year on the front line of a global pandemic and protests. Now many are fearful of what might happen if police departs disband or are defunded.

Truck drivers have been voicing their concerns on the CDLLife App. After reading about their concerns, CDLLife posted a poll on the app.

We asked drivers on the app, "Would you pick up/deliver to cities with defunded or disbanded police departments? Why or why not?" To date, 77% of drivers say they will refuse loads to cities with disbanded or defunded police departments.

At the PEAK of slavery in 1860, only 1.4% of Americans owned slaves. What your history books (don't) tell you is that 3,000 blacks owned a total of 20,000 slaves the same year.

The first slave owner in America was a black man:

Anthony Johnson (b. c. 1600 – d. 1670) was a black Angolan known for achieving freedom and wealth in the early 17th-century Colony of Virginia. He was one of the first African American property owners and had his right to legally own a slave recognized by the Virginia courts. Held as an indentured servant in 1621, he earned his freedom after several years, and was granted land by the colony.[1] He later became a successful tobacco farmer in Maryland. He attained great wealth after completing his term as an indentured servant, and has been referred to as "the black patriarch' of the first community of Negro property owners in America".[1]

Coup on the way? Biden convinced 'military will escort Trump from the White House with great dispatch'

[https://www.intellihub\[dot\]com/biden-convinced-military-will-escort-trump-from-the-white-house-with-great-dispatch/](https://www.intellihub[dot]com/biden-convinced-military-will-escort-trump-from-the-white-house-with-great-dispatch/)

Former Vice President Joe Biden appeared on Fox News where he may have accidentally let the cat out of the bag per se when he alluded that a military deep state coup may be forming behind the scenes and may eventually be headed to the White House to remove President Donald Trump from the Oval Office physically.

The far-left candidate who can oftentimes barely remember his own name made a rather unusual statement after taking about how four chiefs of staff came out “ripping the skin off Trump.”

“You have so many rank and file military personnel saying ‘whoa we’re not a military state this is not who we are,’” he said. “I am absolutely convinced they will escort him from the White House with great dispatch.”

"Appear weak when you are Strong". This is all a military psy-op, and those generals speaking out are designed to lul the enemy into believing that its position is stronger than it is, and Trump's weaker. With lib-tards at their backs, the Dems and assorted traitors are about to have the trap sprung on them. This has been a precision operation from a timing perspective, dangerous because it is taking the country right to the edge so that the blind can finally see. Hold on tight patriots, it's gonna get more uncomfortable before it gets better. Have faith in the military and the President - this was planned long ago - "we knew this day would come - Q"

When in the Course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. — That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, — That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness.

Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn that mankind are more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. — Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government.

Who the fuck knows anymore?

I can't keep up. I just can't. I'm exhausted trying to figure out what we're all supposed to do, believe, and be outraged by next.

Two months ago, First Responders were all the rage. In fact, they were heroes. We gave them free coffee, meals, and cheers as they drove by. Today we hate them and want them defunded because they can't be trusted.

Nurses and Doctors are still cool for now. But they may be unemployed. They too are heroes, unless of course they truly believe all lives matter. Then they're filled with hate and are part of problem like so many others.

Just 45 days ago protests weren't "essential" and were considered criminal, selfish and a murderous activity. Today they are gloriously critical and celebrated. All of the obvious criminal and murderous activities are simply ignored. If you protest about lockdowns for freedom, you are selfish and you will spread a virus. If you protest, loot, and riot for social justice, you are a warrior and the virus cedes. Trust the experts. No, not those experts. Don't wear masks ... wear masks, but only good ones. Wait, don't wear masks, wear anything as a mask. Nevermind on the masks. Not sure, but if you don't, you hate people because you could be an asymptomatic spreader. Wait. That's not a thing anymore?

For 3 months, NOTHING was more important than social distance. In fact, we gave up all of our liberties for it. We canceled schools, medical and dental procedures, canceled activities, closed businesses,

eliminated every spring rite of passage from prom to graduation, denied people funerals, even at Arlington, and we wrecked the economy for it. Then came social justice, and social distance was no more. Now things are more cut and dry though. A thousand people at three memorials for someone they never even met. It's a matter of "respect". But you can only assemble 100 or less people.

Black Lives Matter. Of course they do. Then multiple black police officers and individuals were killed during the "peaceful protests". I don't see any outrage. Black individually owned businesses burned to the ground. Silence. Deadliest weekend in Chicago. NOTHING!! I'm really confused now. Look at the data, NO, not that data. Do the math. No, you can't do the math like that. Only the experts can understand the data and math. What do you mean other cities/states/governors are interpreting the data differently? Pools are safe in Indiana, but not Michigan? Playgrounds are safe in your town but not mine? Amusement parks are safe in Florida but not Ohio? Just listen to the black community leaders. No, not them.

If you are silent you are part of the problem. If you speak, you are part of the problem. If you have to ask, you don't understand. If you don't ask, you don't care.

It's all so predictable, tedious, and exhausting. Nothing adds up. It's one gigantic common core Math life problem, with ever changing denominators that I'm sure the media and politicians are eagerly ready to solve for us....until the next "crisis".

Five African Students Hold Black Lives Matter Protest in Ukrainian City - City Council Minister Asks for their Names So He Can Deport Them (real , not satire)(thegatewaypundit.com)

I hope someone is connecting that the recently released violent criminals "for COVID19 protection" were among the organized looting in all the BLM riots.

You know that connection exists. I hope someone in the DOJ is proving it. And then nailing all the Dem governors who released them.

Organized "looting?" They were supposed to act as the new mercenaries after their cartel and MS-13 employees were arrested or deported.

Arson, murder, destruction of evidence. Middle school kids were targeted with Bolshevik narratives intended to program them into the streets and then many 14-16 year old girls went missing from the "peaceful protests" - so no doubt there's trafficking into prostitution and baby farms for the elites involved as well.

President Bolsonaro of Brazil encourages population to enter hospitals to look where all the alleged "corona" patients are. They found a completely empty hospital!

Here an article criticizing Bolsonaro's order:

But that's what the people found in a hospital that allegedly was full of dying "corona" patients:

There's surely more to come. "Corona" will go down in history as the biggest hoax ever.

I don't know man. Does this not make you question other things you heard about throughout history. Like SARS maybe. If they have the audacity to lie like this in 2020 why should anybody believe anything in history considering the mass population had a major disadvantage with no internet or global connectivity like we have now.

You mean like those 2-3/6 million Jews who lived in what would become Nazi controlled territory, even though ~70% of them migrated ahead of actual Nazi control so to kill 6 million Jews the Nazi's would have had to kill Jews 3 times over to even approach that number, and we still find absolutely no factual evidence of the mass murder of Jews just Bolshevik propaganda.

Over here in Europe you can get prison time for questioning the 6M number. The fact that they covered it in law is a huge fucking red flag for me. In pre-school we get the history lessons about WW2; Nazi's bad cause they think they are 'ubermensch' (best race) and they hate jews for being (lesser race). After hanging out on Voat and getting semi-black pilld over the year i think the good/bad factions in the biggest war (yet) have been flipped in books, i mean who is calling themselves gods chosen people, and who is the greatest villain? Is this thinking mirror what Q told us about ?

I stand with Tucker Carlson. I do NOT stand with Disney, T-Mobile or Papa Johns.

Tucker Carlson is one of a very few voices left on TV that speaks out against the globalist Left. Withdrawing advertising from his show is an effort by these globalist companies to silence his voice. Therefore, I will not buy anything from these companies. Disney is a pedo operation. I like Papa John pizzas but will buy my pizzas elsewhere in the future.

It is not a coincidence that as we become a voting minority, our history is removed, our police protections are removed, our religion is mocked, and soon our right to self defense will be as well.

Other cultures care little for "rights". All that matters to them is power.

2 Years Ago I made the claim that Nearly Every Major Actor and Athlete were Blackmailed Pedophiles // Lots Mocked the Idea.

They are not uniting behind this Racism/Police LARP
They are all acting out of Self Preservation and doing exactly what their Masters demand.

THEY ARE SLAVES to their own Vile Acts

100% correct, all of Hollywood, celeb athletes, musicians, university presidents & many professors, most CEOs, Congressmen, Senators, Governors. This plague of satanism is much more widespread than we know. We must bring the pain.
