

PERFORMANCE APPLICATION FORM

Papua New Guinea's Independence Cultural Day Celebration in Brisbane is a festival organised by the Papua New Guinea Federation Queensland Incorporation (PNGFQI) members and volunteers. Because our budget is limited, PNGFQI organises it at no profit and as such our performance fees are minimal.

If you are a band, artist, or a performing group and wish to take part in the PNG Independence Cultural Day Celebration for this year which will be on the **18th September 2021**, please complete this form.

PLEASE NOTE

The PNGFQI cannot guarantee you a slot in the Cultural Performance Day due to time restraints and depending on the number of applications that we receive. It is important that you submit your application form before the due date, which is the **31st July 2021**.

Whilst we will consider applications from all parts of the world, we are particularly keen to showcase PNG's original performances and talent of all kinds.

Any information you provide in the Performers Details Section will be used in our marketing and publicity across all media types.
