The End Mass Incarceration Georgia Network is an intentional association of faith communities, organizations and individuals formed to effect positive change in the areas of juvenile and criminal justice.

All children and families are of infinite value and potential--giving and deserving care, justice and support. This belief ensures an understanding that all strengthen the mosaic of life.

ACTION

In order to break the cycle of generational criminal and juvenile justice involvement, there must be an intentional, collective investment in schools, communities and appropriate supportive services for children and adults to ensure that all children and families can succeed.
