APPRECIATION

HRM King Muja'Dib Jamel El'Sori-Ose,
The prominent figure in the African Diaspora,
The Kingdom of Numidoria

His Royal Majesty,

On behalf of the Ogoni people worldwide, and MOSOP USA, I sincerely appreciate His Royal Majesty King Muja'Dib Jamel, Grand Chancellor Al Bartell of Numidoria. His Cousin, the Queens, and his royal entourage honored our invitation and attended our conference. Most importantly, the sealed relationship which now exists between the two nations.

His Royal Majesty, the Ogoni people, and MOSOP USA appreciate you, the Kingdom of Numidoria, the African Diaspora for the adoption of the Ogoni Nation.

I believe that your collaboration with MOSOP USA will indeed liberate Ogoni. Ogoni needs to be free from internal colonization, oppression, intimidation, domination, total neglect, and annihilation which draws the extinction of Ogoni closer every second.

Words cannot express the joy in my heart that Ogoni has gotten a true friend who will stand side by side with Ogoni in our non-violent war against the two hundred million Nigerians, the multibillion-national Oil company, Shell, who have waged their violence, and ecological war against harmless, and defenseless Ogoni people.

I sincerely pray that God Almighty will strengthen the union and bless us with favor, good friends, sympathizers, and international or global support.

Sincerely,

Elder DineBari Augustine Kpuinen
