

## DIAGNOSTICS CHART

If the remote starter does not activate when the start button is pressed the park lights will flash a diagnostic to indicate what shutdown input has been triggered. For example: *If the start button is pressed the park lights flash 3 times slowly.* Looking at the chart below this would indicate that the system is in Service Mode, simply follow the instructions listed in the owners manual on exiting Service Mode and the remote starter will begin to function as normal.

### PARK LIGHTS

3 Slow Flashes  
4 Slow Flashes  
5 Flashes  
5 Slow Flashes  
6 Flashes  
7 Flashes  
8 Flashes

### STATUS LED
