WESTFIELD VOLUNTEER FIRE DEPARTMENT

JUNIOR FIREFIGHTER APPLICATION

TO BE FILLED IN BY APPLICANT'S SCHOOL PRINCIPAL

The following student, _____ has expressed interest in joining the Westfield Volunteer Fire Department's Junior Firefighter Program. We feel this is a valuable and rewarding opportunity for any young person to become involved in our community. We hope we can be of assistance in teaching our young people that our fire departments not only fight fire but also do various other duties for the community to help our neighbors in their time of need. We hope that these young people will gain not only valuable knowledge, but also feel they are a part of their community and carry on this sense of involvement throughout their adult life. We do require each applicant to return this form signed by their principal in order to be accepted. If you would, please check and sign below in the appropriate section. Please feel free to add any additional comments you have about this student and/or our program. Thank you for your time.

Sincerely

Jordan Smith
