

1. How long have you been a part of the fire service? Since September of 2019, I joined Westfield Volunteer Fire Department as a Jr. Firefighter, 6+ years.

2. What are your roles and responsibilities in the WVFD?

- Member of the Equipment Committee

3. What were the reasons you got into the fire service? While growing up I always heard my father talk about being in the fire department, which really sparked the interest for me. Then when I got into high school, a lot of my buddies were junior firefighters in other departments. So when I turned 16, I joined, "probably the best decision I've made so far"!

4. What has been your most memorable moment while being a part of the WVFD? I had the opportunity to take my firefighter certification course during high school. My class had a group of 6 guys in it. Each day we made lots of memories, learned a lot together, & became close friends.

5. What advice would you give to a younger member of the department that is striving to be the best firefighter they can be? Always be willing to learn something new. Get to know other firefighters' strategies in your department, this will help everyone work together better.
