

Sarah Torres

Owner & Lead Planner/Coordinator

- ◇ Sarah founded the business on her honeymoon in April of 2021 with her husband Jason. She has a true passion for party planning and loves getting to see every little detail, as well as big, come to life! They officially opened and launched the business on October 2nd, 2022. Don't let this fool you, as Sarah has been in the industry for over 8 years with extensive training in almost every department you can think of that pertains to hospitality. Torrick Events LLC has successfully booked over 54 weddings for its first full year open and has continued to fill its bookings for the years to follow very quickly!
- ◇ When Sarah is not working she loves to spend her free time with her daughter, Penelope, and husband, Jason, at their little farm. They currently have 1 duck, 3 dogs, 4 cats, 6 roosters, and 18 chickens! She hopes to one day own a much larger farm that also has horses, cows, goats, and a luxurious vegetable garden!
- ◇ One amazing quality about Sarah is that she takes time to get to know every single couple personally. She not only wants to work your special day, she wants everyone she interacts with to walk away feeling as if they've gained another friend. You will never see her without a smile on her face while talking to your guests or bringing your dreams to life. Because with Sarah—every detail matters!
