

Karlee Fitzsimmons

Coordinator's Assistant

- ◊ We'd like to introduce the newest member to our team—Karlee. However, she is no stranger to us, as she is also the sister in law of the owner! She has always been very interested in learning the art that goes into each wedding we work but while first starting school was unable to join us until now! Karlee is a huge asset to our team and works beside Mariah as her assistant. We can only hope that Karlee continues to want to grow within our company as having her with us on your big day is definitely needed. She brings a strong personality and is very detail oriented!
- ◊ On the weekends she is a very big part of wedding day needs but during the week Karlee works in a pharmacy and is currently in college to become a CNA—as helping people is truly a passion of hers!

- ◊ A few words from Karlee

“ I really do love working weddings. For starters, I love being able to get dressed up and get out of the house on the weekends. It's also extremely rewarding to be able to help couples on such a beautiful day! I love watching everything come together—the rooms start off completely empty and seeing the transformation from setup, to dinner and dancing is truly amazing. Taking the time to make every small touch as perfect as we can for you is time consuming—but in the end it's worth it. The smiles, laughs, and love you witness by the end of the night make it all so worth it.”
