

# Nevaeh Awkermann

Coordinator's Assistant & Lead Trainee

◊ When we say family owned and ran we mean it as Nevaeh is actually the owners sister in law! She has been with our team for a while now and is a big part of who we are. As an assistant she has gone above and beyond making all of our days run as smooth as possible. You will find Nevaeh training to become a Lead Coordinator for the remainder of the year and hopefully tackling her own weddings very soon!

◊ A few words from Nevaeh below:

"I enjoy working weddings with Sarah and learning everything she can teach me as her assistant on the day of—so that I will make a great coordinator when the day comes. It is so beautiful to watch the day unfold from the beginning to the very end. Its really the best feeling at the end of the night when the new couple cant thank us enough for how perfect their day went! Knowing that we helped with everything the bride needed to make her day special is rewarding."

◊ When Nevaeh isn't working weddings she thoroughly enjoys spending time with her family. She also spends a lot of her time working out as she takes her health and fitness very seriously. Not only does Nevaeh want to pursue becoming a Lead Wedding Planner and Coordinator—she also hopes to one day become a real estate agent!
