L0954 NIMS ICS All-Hazards Safety Officer Course (28.75 Hours)

The goal of this professional development course is to provide federal, state, and local-level emergency responders with an overview of the key duties and responsibilities of a Safety Officer in a Type III All-Hazards Incident Management Team (AHIMT). The learner must achieve a minimum passing score of 75% on final knowledge assessments or demonstrate mastery on performance assessments or research assignments to earn the IACET CEU. Selection Criteria: NIMS ICS Position Specific training shall be completed by personnel who will be required to gain a certificate of training and the credentials to function in an ICS Organization, such as an IMT, as a member of the Command, General Staff or as a Unit Leader. This criteria will be verified on the student enrollment request by the endorsement of the Authority Having Jurisdiction (AHJ) such as the State/Tribal Training Officer or the course manager. ACE: Level: Lower Division/Associate ACE: Credit Hours: 2

Class Size

40 participants

IS-0800 National Response Framework (NRF)

Recommended

Proficiency in applying concepts and principles gleaned from IS100, IS200, IS700, and IS800, coupled with practical utilization of acquired skills during response scenarios or exercises.

Instructions/Important Information for Students

We strive to ensure inclusive, accessible meetings and courses that enable all individuals to engage fully. To request accommodations or for inquiries about accessibility, please contact the local course manager at least 14 days prior to attending.

Lodging

If you require lodging for the course, the hotel room rate is \$165 per night. Please ensure that you or your sponsoring agency allocates for this expense. We request that you submit a [lodging request](#) so we can include your name on the lodging property list to secure the special rate mentioned above. All lodging requests must be submitted at least 30 days prior to the course start date.

ArcGIS Course Dashboard

The [CO DHSEM Training Dashboard](#) is a collection of courses offered across Colorado. We encourage any agency to list their course with us by submitting a [course request form](#).

Not all courses necessitate state coordination, and individuals have the option to decline state assistance by selecting the relevant checkbox in the course request form.
