Purpose of the fund: The scholarship fund provides financial assistance for firefighters to train in wildland fire. The mission is to improve safety through education and provide inter-agency cooperation through shared training. The fund strives to elevate the qualifications and training of the firefighter community in Colorado.

Eligibility: Any person actively participating with a fire department or a seasonal employee that is involved in wildfire suppression, within Colorado, may apply for assistance.

Administration of the Fund: This fund is administered by the academy coordinator. All decisions of the administrators are final, based on input from the donating business or agency.
