

## Christian Campus House – NWMSU (904 College Dr, Maryville, MO 64468)

### From the desk of Jeremy:

Merry Christmas! I truly enjoy the Christmas season because everyone seems more intentional and there is a greater focus on Jesus Christ, our Lord and Savior.

It has been an amazing 30 days. To begin, I am excited to announce that the CCH ministry will be adding a part-time women's ministry staff person, Goldie Barnes, starting January 1st. You can read more about Goldie on page two.

Once again, CCH students put together over 100 finals encouragement bags filled with snacks, drinks, and a note of encouragement. Then they randomly handed out the bags to students who were busy studying for finals.

Over 24 students went Christmas caroling this year. We sang songs at Homestead & Oak Pointe. Additionally, we went to a few houses and ended the evening with chili and cookies at the campus house.

On December 11th, myself and 13 students headed out to New Jerusalem Mission in Newton, KS. While there, we experienced first hand what it is like to run a food pantry, clothing shelter, homeless shelter, and soup kitchen. The students worked tirelessly. Some of the projects they worked on included: Drywall, installing a security system, cooking, cleaning, scrapping metal, moving furniture, and much more. More importantly, the group spent intentional time in prayer and daily devotion (more on page 3).

I want to close by saying THANKS for supporting us, we appreciate your love and dedication. Looking forward to see what God has in store next year.
