

February 2023

Christian Campus House – NWMSU (904 College Dr, Maryville, MO 64468)

From the desk of Jeremy:

February has simply been an exciting, Christ-filled, engaging month. Our student leaders are simply doing an amazing job. They are bold in the faith and humble in their walk. I am proud of them. They keep us focused on Jesus and accomplish a lot of behind the scene tasks.

As I mentioned, this month has been busy. Let me share just a few highlights:

- Paige West was baptized on February 26th.
- 20 plus students attended worship at Ravenwood Christian Church.
- 18 plus students attended worship at Clearmont Christian Church.
- 2 students filled the pulpit at Skidmore Christian Church.
- 10 plus students participated in 40 days of prayer and spent the day on campus seeking prayer requests from students.
- 8 students participated in a prayer walk on campus.
- 4 different students led our teaching for Tuesday nights.

These are just a few of the highlights on top of our regular schedule. God is good! All the time.

Please keep us in prayer as we head to Alpha for our Spring Break mission trip—that we may honor God with our hands & heart.

Thank you everyone for supporting this ministry.

Student Highlight

Meet Michael Myers from Onaga, KS. He is a freshman pursuing a degree in Emergency Disaster Management.

We asked him how CCH has helped him, he said, "I used to be distant towards God, angry even. But after going to CCH, I met wonderful people there who have guided me in my walk with Christ."

Meet Katie Tillman from Norfolk, NE. Katie has been with us for the past four years. She was recently married and is now returning home. Katie said the best part of CCH is the "family atmosphere and the attitude of nearly constant fellowship." Her favorite memories include grabbing food after a Tuesday Gathering.

Meet Nicholas Taylor from Rosendale, MO. He is a senior pursuing a degree in Computer Science.

Nick says, "The campus house has been a solid foundation for me the past 4 years. No matter what I am going through, CCH has always been there to lift me back up. It's great to be surrounded by believers that are the same age as me every week."

Meet Mara Mitchell from Union Star, MO. She is a freshman pursuing a degree in Wildlife Ecology and Conservation.

Mara shares, "CCH has helped me in my faith walk by surrounding me with a community of fellow believers who are willing to keep me accountable and share life with me. I've met some Sisters-in-Christ who have greatly encouraged me and who I know that I can trust and look up to."

Meet Haydn Richardson from Savannah, MO. He is a freshman pursuing a degree in Pre-engineering.

A favorite memory for Haydn is spending time around the campfire during the Fall semester.

Meet Journey Lyons from Union Star, MO. We asked her, "How has CCH helped you?" She said, "It has given me strength and support. When I fall, I know someone is going to be there to catch me. There is always someone to give you advice or to just listen and comfort."
