The Evergreen Board and Staff would sincerely like to welcome you to Evergreen Sportsmen's Club. We look forward to hosting you. Your satisfaction is very important to us.

Evergreen is a facility whose activities revolve around shooting sports. Our venues include sporting clays, skeet, trap, 5-stand, rifle / pistol range, cowboy / cowgirl shooting and an archery range.

Several times a year, we host tournaments for sporting clay, trap, cowboy / cowgirl and black powder. If you are here during one of these tournaments, they usually start in the morning and last most of the day. While shooters are engaged in the events, protective eyeglasses and hearing protection are required. We would recommend these also be utilized if you are a non-shooting guest.

I hereby release, waive, discharge and covenant not to litigate Evergreen Sportsmen's Club, its owners, agents and management, from any and all liability to me, my family, my children, my invited guests, personal representatives and heirs for any loss or damage on account of injury to person or loss or damage to property relating to or arising out of use and occupancy of Evergreen Sportsmen's Club property and or facilities and from act of God dangers.

I herby agree to indemnify, save and hold harmless Evergreen Sportsmen's Club management from any loss, liability, damage or costs, including attorney fees, which may incur due to injury, damage or loss of property relating to use of the property and facilities by me, my family, my children and or my guests due to any incidents which may occur during my stay. I understand that Evergreen Sportsmen's Club makes every reasonable effort to provide a secure environment; the security of my person, my belongings and all persons in my party is my sole responsibility.
