Division 3 Men Mavericks

Coached by Marcus Walsh, Scorer Josie Rihari.

The Mavericks are a large squad built from Coach's, managers, players young and old. The old teach the young as the season progresses and have a lot of fun throughout the season. This season the squad were aiming to win the grade for a 3rd straight year(the infamous threepeat). Due to the size of team it battled with form and inconsistency throughout the year. The team qualified 4th at the end of round robin meaning a knockout win against the top placed Falcons would see them through to the grand final. The team pulled together and won that game convincingly. Their grand final against the Bandits was a tough battle eventually winning 6-4.

A massive thank you to Josie for scoring and Marcus for running the ship.

Squad:

Div 3 - Mavericks	Leon Smith	Joshua Ovenden	Ronald Golds	Leon Smith (.545)

Division 1 Men Ballbarians

Coached by Marcus Walsh, Scorer Graham Blue

This season was a rebuilding season for the Div 1 mens. With a small core of guys registered Div 1, the team was ably supplemented by a large number from the Div 3 grade. This worked reasonably well, however pre-game preparation was often affected by the Div 3 game finishing near the start of the Div 1 games. With 4 games to go in the season, the team were rooted to the bottom of the table. However, the team dug deep knowing that their season would be over if they suffered any further defeats. The last game of the round robin was effectively a quarter final. The team battle to a narrow victory over Navy to qualify them for the semi-finals. As it transpired the opposition for the semi-final defaulted putting our boys straight through to the Grand Final. Unfortunately, the journey ended there with a 3-0 loss to Glenfield. However, a great achievement in itself finishing 2nd in the grade.

Squad:

Tyler Job, Rob McKenzie, Cameron Robinson, Mathew Charnley, Zachary Craig, Ronald Golds, Leon Smith, Nicholas Smith, Jared Smith, Hayden Wahanui, Marcus Walsh, James Wilcock

	Most Valuable Player	Most Improved	Attitude & Effort	Top Batter

Kayla is one of a handful of players we have this season that are new to the sport and she has shone out above the rest.

Kayla has had an awesome season at third base fielding hits and making many outs to 1st base as well as being one of our most enthusiastic players.

She is always looking to improve her game both physically and mentally.

She is a safe, fast batter which every team needs in order to win games.

Kayla manages to wait for the right pitch and rarely swings at anything way out of the strike zone.

She has also helped out a lot off the field and has completed club duties every time HBC has been on duty.

Kayla is an awesome new asset to the Hibiscus Coast Softball Club, so congratulations on winning this award.
