

BRED AND OWNED CLASS VERIFICATION Shiawassee County Fair

****THIS IS NOT AN ENTRY FORM. YOU MUST ENTER THE APPROPRIATE CLASS ON THE ENTRY FORM.****

All animals (Beef, Sheep, Swine, Goats, Rabbits) entered in Bred and Owned, from own herd or flock classes must have verification from their club leader that the animal does in fact meet the requirements stated in the Bred and Owned definition. This can be sent (*leader signature must be present*) with individual entries or club leaders can list all club members that are known to meet the requirements. This verification **must be in the Fair Office by July 1 for the exhibitor to show in a Bred and Owned class.** You may copy this form, obtain a copy from the Fair Office or find it at: www.shiawasseeffair.com; it will not be sent and you will receive no further notification. (Independent exhibitors must also meet this requirement; verification can come from a local 4-H leader, a local FFA leader, the Ag. Teacher in a local school or a department superintendent.)

Please include this form in with your entries.

Club: _____

Exhibitor's Name	Species	Bred and Owned Class No.
_____	_____	_____
_____	_____	_____
_____	_____	_____

Please add another page if you need more space.
To the best of my knowledge, I believe that the above animals are Bred and Owned projects.
