2023 EXHIBITOR'S GUIDE

Exhibitor's Guide Available online at www.ShiawasseeFair.com

WELCOME TO THE FAIR

Friends, Family and Fun! Since 1850, the Shiawassee County Fair has provided, in some form or fashion, an agricultural showcase for the community. As we enter our 36th year on Hibbard Road, we have a lot of exciting shows and events planned for the community to participate in or to come watch. Our youth exhibitors are working hard to prepare for their shows. We want to remind everyone that adults can participate as well in the open shows, both in livestock and the still exhibits. For the first time, we are opening up the still exhibit category to out of county participants.

Whether it is your first time at our fair or a returning exhibitor or guest, we want you to have the best time while you are here. As Fair Manager, I personally welcome you to our 127-acre facility! Come check us out. Bring your FAMILY and FRIENDS and be prepared to have FUN!

Jason Szakal, Fair Manager

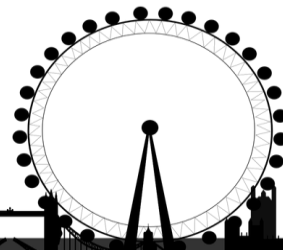

Our Mission

Shiawassee County Agricultural Society's mission is to provide the best county fair possible for all residents of Shiawassee County. This primary focus will serve as a showcase of the talents of the youth of the community by providing a means of education, exhibit, fun and competition of the various livestock and non-livestock projects in which the youth are involved. The Shiawassee County Fair will highlight the heritage of the community and its ties to agriculture and business that are the backbone of the community. The Society shall also host and promote non-fair events that will aid in the sustaining of the Society, while keeping in focus the overall mission of the Society.

Join us Opening Day for the Flag Raising Ceremony!

Rules & Regulations

HEALTH REQUIREMENTS

FOR LIVESTOCK* EXHIBITED IN MICHIGAN

IMPORTANT

Exhibitors are responsible for meeting all health requirements as set forth by the State of Michigan, however they will not be detailed in the Shiawassee County Fair Exhibitor's Guide. The complete set of requirements can be obtained by downloading them from the

Michigan Department of Agricultural website:

www.michigan.gov/mda-exhibitinfo

or by contacting the Shiawassee County Fair Office.

***Livestock** means those species of animals used for human food and fiber or those species of animals used for service to humans. Livestock includes but is not limited to cattle, sheep, new world camelids (llamas, alpacas, vicunas, and guanacos), goats, bison, captive Cervidae, ratites (cassowaries, kiwis, ostriches, and emus), swine, equine, poultry, aquaculture, and rabbits. Livestock (for the above requirements) does not include dogs and cats.

GENERAL

Exhibitors at state, county, and district fairs, along with other livestock exhibitions, expositions, and shows are required to comply with all of the statutory and regulatory provisions of the State of Michigan relating to animal health outlined in Act No. 466 of the Public Acts of 1988, as amended, and rules promulgated for the implementation and enforcement of the act.

INTERNATIONAL ASSOCIATION OF FAIRS & EXPOSITIONS

NATIONAL CODE OF SHOW RING ETHICS

Adopted April 2003 by the Shiawassee County Agricultural Society

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in the competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

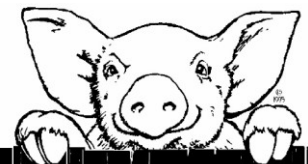

1. When applicable, exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relation thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of, consent by the owner, exhibitor, fitter, trainer and/or responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animals' performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory, to which it is sent, is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

- 5) Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
- 6) The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
- 7) Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representative, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
- 8) No owner, exhibitor, fitter, trainer, or responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
- 9) The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
- 10) The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of the Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceeding or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
- 11) The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understand the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulation, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

Shiawassee County Fair

DRUG TESTING POLICY & PROTESTS FOR LIVESTOCK

COLLECTION TEAM:

Clinton Veterinary Service.....Fair Veterinarians
 Jim Ritter.....General Livestock Supt.
 Mike Oliver.....General Livestock Supt.
 Frank Toma.....Board Member Rep.

The Shiawassee County Fair has the legal authority to require drug testing under the Animal Industry Act 466 of 1988 as amended in Section40(3): A fair, exhibition, or show authority may require additional testing or vaccination of animals before entry or during the fair, exhibition, or show.

If a violation will require drug testing, the complaints must be filed within 2 hours of the end of the show. A \$500.00 fee will be required to be paid in the Fair Office by the complainant at the time complaint is filed by cash or credit/debit card only – NO CHECKS. The exhibitor and/or parents who the complaint is against will have the opportunity to read the written complaint. Drug testing will be performed by the Fair Veterinarian following outlined procedure listed in the fair book. If tests results are positive the complainant will have their money returned to them and the exhibitor will be responsible for incurred fees and forfeitures outlined in the disqualification procedures in the Exhibitors Guide.

Animals that return test results with levels of drug residue above the permissible standards maintained by the FDA will be disqualified. This includes but is not limited to: tranquilizers not labeled for livestock use, anti-inflammatory, or pain medications not labeled for livestock use, antibiotics administered without regard for fair specified withdrawal dates (unless prescribed by a veterinarian), and feed additives that are not labeled for the specie in question, this includes antibiotics used in a species not approved for on the label.

MANDATORY REQUIREMENTS

All livestock youth exhibitors, leaders, advisors, and parents need to be aware that the following must be made available to the correct department superintendents before animals can be unloaded at the fair.

IMPORTANT – Exhibitors will (in effect) agree the Exhibitor's Agreement when they complete their entries for the fair via the online entry process. No separate Exhibitors Agreement paperwork is required.

- Dairy and Beef – Official identification is required and must be in the place prior to arrival at the fairgrounds. Official identification refers to the Radio Frequency Identification tag (RFID). Market steers must also have the official plastic Shiawassee County Fair ear tag, which was placed in the animal's ear at the time it was enrolled in January on the Fairgrounds.
- Sheep and Goats – ID may consist of USDA scrapies tags (required for market goats), tattoo, or electronic identification. Registration paper must accompany tattoos or electronic ID's (exhibitor to provide the reader) at the time of check-in.

1. All exhibitors are required to read and abide by the Rules and Regulations in the Exhibitor Book and posted in the barn.
2. No Sheep are eligible to show unless exhibitor had the sheep in his or her possession since May 1st of the current year. Market lambs may be purchased, but must be owned by the exhibitor, in the exhibitor's possession by May 1st of the current year. Breeding stock sheep must be in the possession of the exhibitor by May 1st of the current year.
3. 2007 M.D.A. RULES: All sheep moved within Michigan shall be identified with official USDA scrapie program identification tags or tattoos prior to movement off the farm (See Rules & Regulations – SHEEP AND GOATS for clarification). Contact the United States of Agriculture (USDA) at 517-324-5294 for ear tags. Do not remove tags prior to weigh in or showing. It is illegal to remove official USDA individual animal identification (including when animal is sold through the fair livestock auction but not going to slaughter).
4. A breeding exhibitor may make no more than two entries in each individual class. When entering two individuals, enter the class 2 times.
5. All showmanship classes and Best Market Lamb from Own Flock animals must be pre-entered in respective class.
6. All breeding sheep shown in group classes must be shown in individual classes.
7. A flock is made up of one Ram and two Ewes.
8. A pen of four lambs is any combination of four lambs. Both sexes represented.
9. Get of sire is four sheep sired by the same ram. Papers will be checked.
10. Market lambs shall be ewes or wethers. All male market lambs must be fully castrated (wethers). Entries in the market lamb class cannot be exhibited in breeding classes.
11. If lots are selling as a pen (to be determined by the fairboard), only 1st, 2nd and 3rd place individuals of each class may be sold separately. All other lambs will be sold as a pen or two.
12. There is no longer a pen class. As of the 2023 fair, all market lambs will be shown individually. Each exhibitor is encouraged to start their project with two market lambs. If two lambs are entered, both lambs will be shown as an individual. Exhibitors can only show one ewe and one wether, or two ewes or two wethers.
13. All market lambs must be owned and in the exhibitor's possession by May 1st of the current year.
14. All market lambs will be weighted individually upon arrival to qualify for show and sale (final weight). Lambs will be divided into classes for judging by sex and weight.

15. At weigh in, market lambs must weigh at least 95 lbs. and not more than 160 lbs. Exhibitors should weigh their lambs BEFORE bringing them to the fair to minimize under/overweight lambs. Once an animal for exhibit is checked in, weighed, penned and/or stalled, another animal cannot be substituted. Lambs under minimum weight (95lbs.) may not show in the market class but may show in showmanship, if entered. Underweight lambs may not sell in the auction. Market lambs over maximum weight (160lbs.) may show in the market class but cannot be Champion or Reserve. Overweight lambs may sell at the auction at 160 lbs. (not their actual weight). Any lamb underweight or overweight will have the opportunity to re-weigh Sunday after swine weigh-in. Any lamb underweight must be removed from the fairgrounds no later than 6pm on show day.
16. All sale animals must be maintained through closing day of fair, unless otherwise stated by the Fairboard or its designee.
17. Exhibitors must keep all 4 feet of the sheep on the ground at all times in the show ring.
18. Any market lamb having ear tags deemed not necessary for exhibiting at the Shiawassee County Fair may be removed at the time of weigh-in, but after they have made qualifying weight.
19. Market lambs winning Grand Champion Ewe, and/or Reserve Grand Champion Wether, Grand Champion Market Lamb or Reserve Grand Champion Market Lamb cannot compete in the Best Market Lamb from Own Flock class.
20. Best market lamb from own flock is an animal born from an ewe owned by the exhibitor's immediate family (see Rules and Regulations for definition) and raised by the exhibitor as their project. These animals must be registered and verified on the official form in the exhibitor's guide by the club leader or chapter advisor prior to entering them in the fair. If they are not registered, verified AND entered in class 445 by the entry deadline, they will not show in the class 445.
21. Proper attire is required of all exhibitors (see general rules). No sandals, flip-flops, crocs, etc. will be allowed in the show ring or the auction ring.
22. All discrepancies in weights must be declared before leaving the scale area. NO re-weights will be allowed AFTER leaving the scale area.
23. All sheep breeding animals may only be shown by one exhibitor.

ALL LIVESTOCK TRAILERS LEFT ON THE FAIRGROUNDS MUST BE PARKED IN THE DESIGNATED AREA BELOW THE HILL, SOUTH OF THE LIVESTOCK AREA.

- All exhibitors are required to read and abide by the Exhibitor Book Rules and Regulations and those posted in the barn.
- All ractopamine products (or any products containing ractopamine, commonly known as Paylean) are banned from use at the Shiawassee County Fair for the Swine department. This ban will fall under our current drug testing policy guidelines. Please see Exhibitor Rules and Regulations.
- Exhibitors are responsible for their project hogs being tagged with the NUES premises tags prior to coming to the fair. All Swine must have an 840 tag in ear when arriving to the fair at weigh in time.
- All clipped hogs must have a measurable 1/2 inch of hair over the entire body, including the underline. Ears and tails only may be clipped shorter. *Clipped hogs with less than 1/2 inch of hair will be subject to disqualification from the market Show and Sale. All hogs will be checked prior to entering the show ring.
*Hogs going to the packer with less than 1/2 inch of hair must be hand processed. A significant penalty is imposed on the sale price of these animals, causing an extra expense for the buyer. This is an unfortunate situation that we are attempting to eliminate in order to be as fair as possible to our buyers.
- Market hogs may be purchased, but must be owned by the exhibitor, in the exhibitor's possession and on feed by May 1st. Projects should start with 2 pigs.
- Swine exhibitors must provide their own feed troughs.
- Feed must be kept in wooden, plastic or metal boxes.
- All market hogs will be weighed individually upon arrival to qualify for show and sale (final weight). Hogs will be divided into classes for judging by weight. Ear tags deemed not necessary for exhibiting at the Shiawassee County Fair may be removed at weigh-in, but after they have made qualifying weights.
- Each exhibitor may have ONE entry of one or two market hogs which must be in possession by May 1st of the project year. If two hogs are bought, both hogs will be shown as an individual. Exhibitors can show one gilt and one barrow, or two barrows, or two gilts.
- Only first place individuals from each class may be sold separately. All other hogs will be sold as a pen of two.

PLEASE NOTE: It is very important that pigs be weighed just before the fair to avoid having underweight pigs come onto the grounds as they will sell at a large discount on the open market.

- Each pig must weigh between a minimum of 220 lbs. and a maximum of 270 lbs. Pigs that weigh under 220 or over 270 will be shipped out Sunday evening to predetermined destinations. Every effort will be made to give two options to exhibitors with under/overweight hogs: 1) to send it to a predetermined processor 2) to send it to a predetermined open market for sale or 3) Exhibitors may take their animal home.. Checks in payment for these hogs only will be made out to the exhibitor and sent directly to their home.
- Youth exhibitors who show an animal in a market class will be eligible to enter Showmanship for that species. All classes must be pre-entered on the fair entry form by the exhibitor, by the deadline; all swine exhibitors are not automatically entered.
- All Showmanship and Bred and Owned animals must be pre-entered to show.
- The wash racks will be closed during all swine shows.
- The Swine barn will be closed to the general public during all swine shows.
- When hogs are showing, the area around the Clerk's table and the entry into the show ring are to be used ONLY by Superintendents and ring attendants. This will allow access to the ring for exhibitors and promote a smoothy run show.

17. Exhibitors will be allowed to feed their pigs only during the break of the individual show. The feeding times will be announced by the Swine Superintendent the day of the show.

- All sale animals must be maintained through load out, unless otherwise stated by the Fair board or its designee.
- Market hog winning Grand Champion Barrow, Reserve Grand Champion Barrow, Grand Champion Gilt or Reserve Grand Champion Gilt cannot compete in the Bred and Owned class.
- Best Market Hog from Own Herd (Homegrown) is an animal born from a sow owned by the exhibitor's immediate family (see Exhibitor Book for definition) and raised by the exhibitor as their project. These animals must be registered (i.e., verified) with the club leader prior to entering them in the Fair. If they have not pre-registered and entered in class 425 by the entry deadline, they will not show in this class. Forms are available in the Exhibitor Book.
- Best Market Hog from Own Herd must be entered and shown in another Market Hog class (305 and/or 315).
- Proper attire is required of all exhibitors (see General Rules). No sandals, flip flops, crocs, etc. will be allowed in the show ring or auction ring.

Dear Friends,

On behalf of the State of Michigan, I would like to welcome you all to the 2023 fair season. Our county fairs provide an excellent outlet for education, local charm, and fun!

Each year, county fairs across Michigan showcase the unique talents, skills, and dedication of our 4-H and FFA members. County fairs provide excellent opportunities for Michiganders to gather in celebration of our agricultural industry, highlighting modern agriculture processes, and honoring years of traditions.

I guarantee that the exhibits from our 4-H and FFA members will impress you and your family. As you gather with family and friends this fair season, I hope you enjoy the delicious fair foods and family-friendly fun that county fairs provide. I have no doubt that your local county fair will offer entertainment and education for the whole family.

I send my best wishes for a fun and educational fair season. Be sure to visit one of Michigan's local or county fairs this summer as part of your summer family vacation plans!

Sincerely,

KATHLEEN ANGERER
ACTING DIRECTOR

Dear Friends,

On behalf of Michigan's fair industry, welcome to the 2023 county fair season!

Millions of people attend Michigan's county fairs each year. I'm confident fairgoers will continue to enjoy the sights, sounds and activities that have become an annual tradition for many of us.

Michigan's county fairs are an important part of our state's growing food and agriculture industry, helping to maintain a much-needed connection to rural traditions while highlighting modern agriculture practices. Our state's 85 local, county, and state fairs provide safe, family-friendly entertainment and celebrate the bounty of our agricultural harvest.

Fairgoers support the nearly 50,000 Michigan youth who participate in livestock and community arts exhibitions each year. Many local businesses and families also support the efforts of our young exhibitors' efforts through youth livestock auctions held at most of our county fairs. Many of our exhibitors use the auction proceeds to help fund their continued education.

Whether you are here as a sponsor, exhibitor, or a fairgoer, there are many family memories awaiting you. I wish you great adventures during the 2023 fair season.

Sincerely,

Kathleen Angerer
Director
