

A BETTER MENU

MAGNESIUM

STAY CALM & GET YOUR MAGNESIUM ON

Life feeling hectic and even stressful? Never fear, magnesium is here. Magnesium is the mineral that switches off your body's stress response to bring on the calm! But are you getting enough? Unlikely as 60-80% (depending on your age, gender) of US diets don't meet the RDA (recommended daily allowance) for magnesium (~400mg). With this Better Magnesium Menu you can (re)discover the Zen that happens when your body gets enough magnesium.
