St. Thomas Church Security

St. Thomas is starting a new Security and First Aid Program in our Church. The security group is called The SENTINELS. It consists of trained parishioners observing any suspicious activities in or around the church while you attend Mass. The SENTINELS will also be trained in First Aid and calling for emergency responders. Part of the program, as many churches are now doing, is locking side vestibules and restricting entry through the front of the church during Mass times to be able to identify suspicious activity. The emergency program is a bonus for parishioners and their safety while attending Mass. Any interior doors to rooms or closets will be locked when not in use. Please remember to lock all doors to the space you are using at the conclusion of your meeting or event.
