Embark with us on a guided tour of the “Holy of Holies” of Biblical theology, the New Testament book of Hebrews. This eight-week study is presented by Dr. Andrew Swafford and Jeff Cavins.

Joining in the study of Hebrews is an opportunity to see, appreciate, and claim for ourselves the riches that God graciously offers under the New Covenant to followers of His son and our Savior, Jesus, the living Christ. This study highlights the critical distinctions between the Old and New Covenants. Together we will explore and begin to understand more deeply the generosity of the Father’s heart towards us as His children as he reveals the grace we are given in the fullness of our Catholic faith.
