

We invite you to join **us** as we worship God and to participate in the ministry of Mt. Zion Baptist **Church!** We love the Lord and our community and want to make an impact for Christ. We have about 160 members and are nestled in Kings Mountain, North Carolina. We also have an online presence that is growing as we share worship services each Sunday. We hope you will join us online or in person and become a part of our church family.
