Hey, It's Been A While...

Advanced Wheel Throwing Class- 6 Weeks

A refresher course for advanced pottery students!

When: Mondays 10am-1pm June 14-July 19

Instructor: Adam Jennett

Class Fee: \$200.00 *includes one bag of clay

Workshop Description

With our first in-person class in over a year, we will be offering an advanced wheel throwing course that will cover all the basics to help you shake off that rust! This 6-week class will take you back through the basic principles of making pottery and using the wheel -- covering such topics as cups, bowls, trimming, glazing, and more!

We have to limit the number of students in this course to 6 people, so please be patient with us if the class fills up. We will be offering more classes throughout summer and fall, with this being a test run to get back into the swing of things!

How To Register:

- To register for the class, please email Adam at the studio at **gallery@smithyarts.org**.
- Payment can be made on the first day of class by check, cash, or credit card.

***The studio will require anyone taking the course to be fully vaccinated (2 weeks out from second shot), and provide proof with vaccination card.**

***Mask wearing and social distancing while in the studio will still be mandatory.**

***We appreciate your cooperation!**

****We will continue studio rentals with some small adjustments and send out a separate email with that information!****

Be sure to check out the Smithy Clay Studio website for information about our ongoing Studio and Kiln Rentals!
