

## **FOLORUNSO AKINTAN Bio 2025**

Folo (Folorunso Akintan, MD MPH MBA), a US Citizen, was born in Africa. She grew up in Lagos, Nigeria, attended College of Medicine, University of Lagos (MBBS/MD Graduate 1999). She moved to U.S to pursue her career in Public Health/Community Health Practice and schooled at Tulane School of Public Health and Tropical Medicine (Community Health and Epidemiology Departments), Louisiana, U.S (MPH Graduate Dec 2005). In 2015, started a Health Care Consulting Firm, A-Kins Analysts and Project Managers, while schooling at Tulane Freeman Business School, Houston Campus (MBA Graduate August 2016).

Over the past 26 years she has practiced medicine and preventive health as a Community Health Practitioner, and over the past 20 years as a Medical Epidemiologist in both Africa and US. A Health Analyst with a background training in general practice (Medicine and Surgery, Africa); Folo has worked for U.S Federal Healthcare Departments and Agencies, State Health Departments, Local Governments/Communities, Counties, Regional American Indian-Tribal Centers, and Regional Health Plans, analyzing and publishing data for legislation review and health fund allocation.

She ran an epidemiology center as the sole/principle investigator and co-investigator of over 25 different research and community based studies; with over 50 partners including health officials and researchers in various communities, academic institutions, hospitals, clinics; and with local county, state, regional, federal and private health agencies; overseeing over 200 staff, contractors and volunteers (both health professionals and para-health professionals) for the successful implementation of projects.

Folo has mentored over 75 students; taught managerial epidemiology at a local university in Montana; has been a key member of 4 Institutional Review Boards -IRB for both local, statewide and regional health institutions; she published over 25 peer review publications including white papers and abstracts; has been a reviewer for journals of public health, both national and international, including "World Congress on Public Health" and "American Journal of Public Health".
