

Insurance Company Questions for Psychological Testing

- **Ask Specific Questions:**
 - Do I have coverage for psychological testing?
 - Are there any specific tests covered?
 - Is prior authorization required?
 - What are my out-of-pocket costs (copay, deductible, coinsurance)?
 - Are there any limits on the number of sessions or tests covered?
 - What designation does the provider need to have for me to be covered?
 - What are the specific services included in my coverage?
 - My provider is planning on billing the following codes:
 - **90791**
 - **96132,**
 - **96133,**
 - **96130,**
 - **96131,**
 - **96136,**
 - **96137,**
 - **96138,**
 - **96139,**
- **Ask about medical necessity:**

What are the specifics of documenting Medical Necessity for Psychological Testing that my insurance requires?
