

Baird and Baird Win Inaugural Wilson Lake Team Series

The morning started with heavy rains and lightening. The storms were severe enough to delay the start one hour. The rain cleared and was sunny with 10-15 mph winds the rest of the day. Sixteen boats fished the first Wilson Lake Team Series event. There were 78 bass brought to the scales weighing 229.32 lbs which equates to 14.33 lbs per boat.

The father/son team of Jason and Hunter Baird topped the field to win with 20.75. They also had big bass of the tournament weighing 5.52. They pocketed \$912 for a good day on the water. Kirk Kelly brought 18.15 to the scales and his second place finish earned a check for \$480. Third place honors went to Tanner Townley and Keenan Hinton with 16.75 and \$320 for their effort.

Right behind was the team of Jake Lantz and Chris Kirkley with 16.74. They had second big bass with 5.02. Second big bass paid \$48.
