

# ProductiviTree

*Planting happiness in our community*

Welcome to  
ProductiviTree! >

# Meet the Team

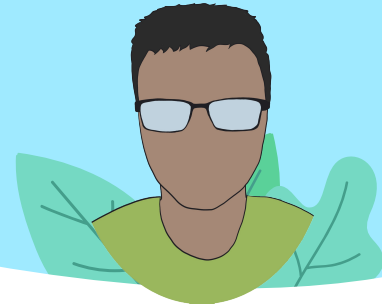

Megan Tran

Reshmi Ranjith

Saloni Shivdasani

Vincent Vu

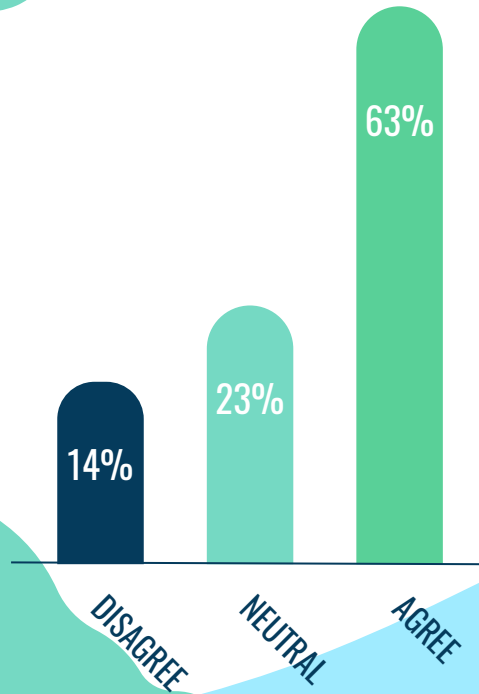

# The Problem

Staying motivated and productive is hard!

Staying connected with others during quarantine is  
also really hard!

# The Solution

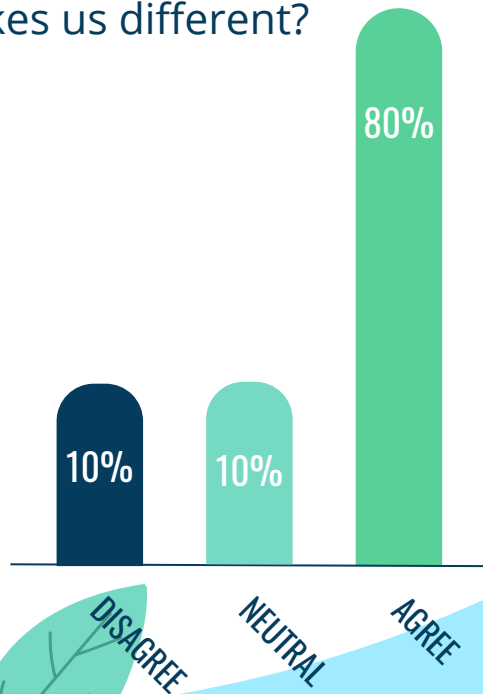

I'm more productive when  
working with others

Share activities and motivate others!

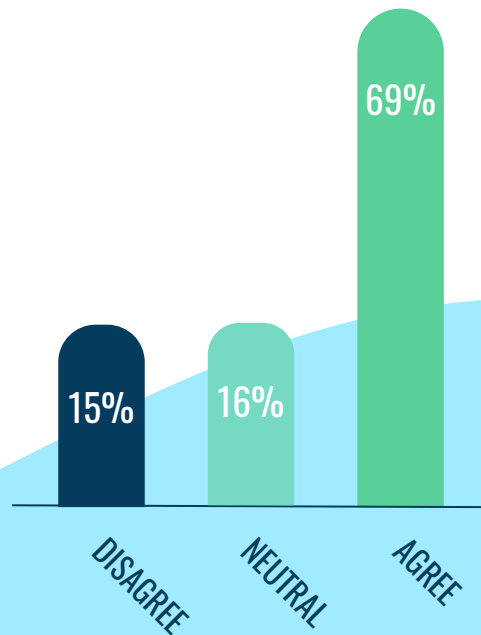

Incentivize productivity!

# Scope

What makes us different?

I'm more motivated to do things when there is a friendly competition

I often need an incentive to complete different tasks

# Technical Specification

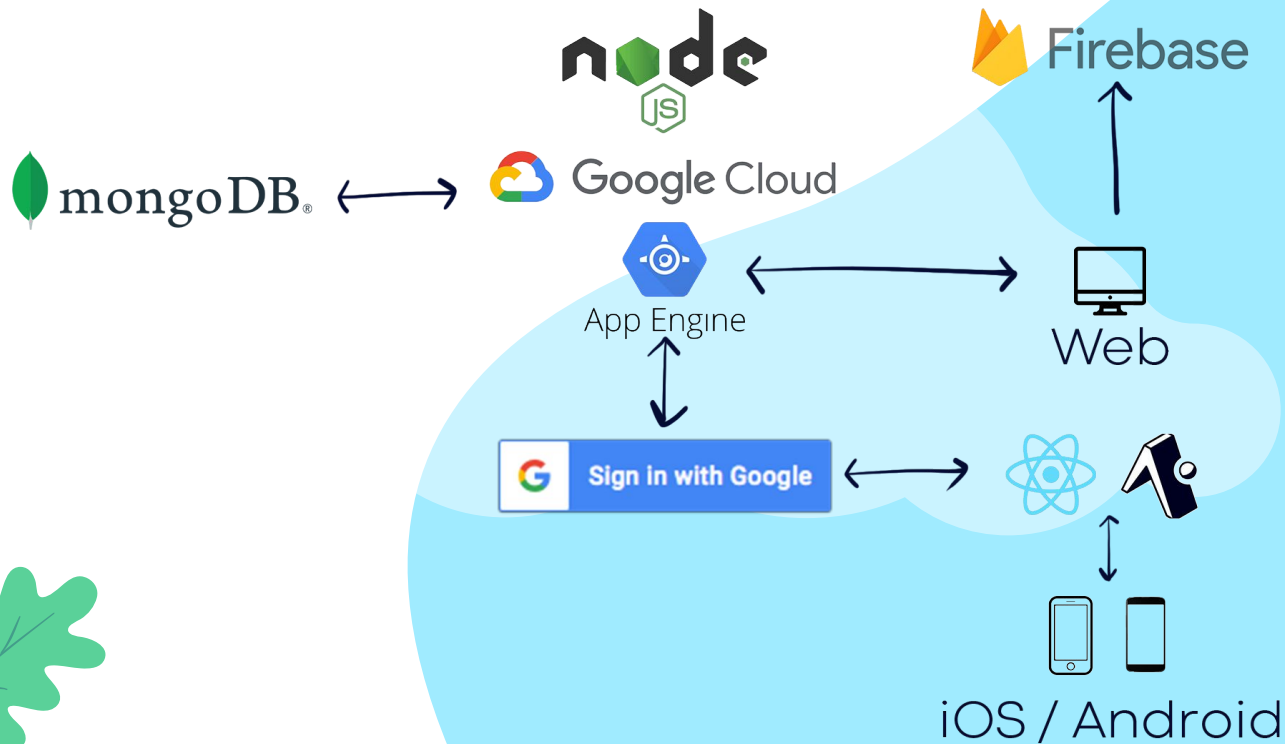

- Profile
- Logging activities
- Following/unfollowing
- Challenges
- User statistics
- Leaderboard

Demo

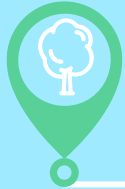

# HIGH LEVEL DESIGN

# OUR PROCESS

## WEEK 1

...

Ideation,  
Wireframing,  
Database Design

## WEEK 2 & 3

...

Backend APIs,  
Homepage, User  
Authorization,  
Profile, Add Activity
