CTQP Drilled Shaft Inspector Work Experience Affidavit

Instructions:

1. *Complete the information below and return the form (and any required attachments) to admin@ctqpflorida.com*

Written Exam Information:

Date	Serial Number	Provider

Please select only one of the following statements:

❑ I certify that I have on-site experience in which I directly observed, inspected, and recorded the full installation of at least five (5) of the drilled shafts inspected were constructed using the wet method. My supervisor is a CTQP qualified Drilled Shaft Inspector and included a note in the Drilled Shaft Excavation log as evidence for the required experience, indicating my name and stating that I had inspected the full installation of the shaft. Attached is a copy of the Drilled Shaft Excavation Log(s) noted above.

❑ I certify that I have a current CTQP Drilled Shaft Inspector Certificate. Attached is a copy of my current certificate. I understand that by presenting my current certificate, the proficiency exam will not be required to obtain my requalification.
