Please select only one of the following statements:

- ☐ I certify that I have on-site experience in which I directly observed, inspected, and recorded the full installation of at least fifteen (15) driven piles under the supervision of a CTQP qualified Pile Driving Inspector. At least ten (10) of the piles inspected were driven with an open ended Diesel Hammer where I used the saximeter. My supervisor is a CTQP qualified Pile Driving Inspector and included a note in the first page of the Pile Installation log as evidence for the required experience, indicating my name and stating that I had inspected the full installation of the pile. Attached is a copy of the Pile Installation Log(s) noted above.
- ☐ I certify that I have a current CTQP Pile Driving Inspector Certificate. Attached is a copy of my current certificate.
