No Mow May

No Mow May is a conservation initiative that encourages people to stop mowing or mow less often for the month of May to create habitat and provide resources for bees and other early-season pollinators.

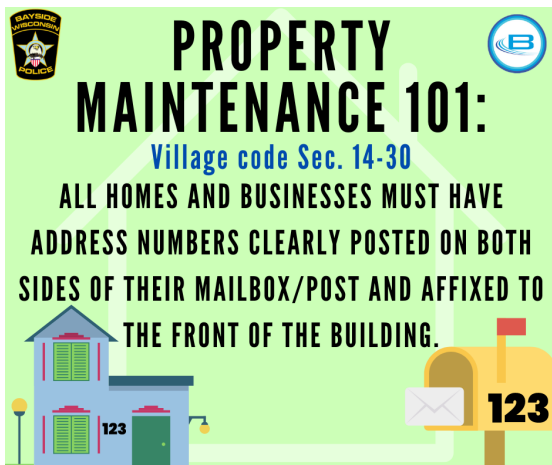

The Village of Bayside is proud to join a number of other municipalities in the No Mow May initiative.

During the month of May, Bayside will suspend enforcement of long-grass rules, allowing property owners to delay or reduce lawn cutting to promote pollinator-friendly habitat early in the growing season. Participating residents must register their properties.

To become a 2024 No Mow May participant, Bayside residents must register through Access Bayside no later than May 7, 2024.

Property Maintenance 101

All buildings shall have the numbers of their address clearly visible on both sides of their mailbox or post. Additionally, numbers must be affixed to the front of the building in a contrasting color and at least 3 inches in height.

It's not just about aesthetics; it's about safety and efficiency for emergency responders! Let's work together to keep our community safe.
