In accordance with the provisions of controlling law, even notwithstanding the fact that an exemption noted above may apply, the City of Madeira Beach hereby publishes the following information:

¹ See Section 166.041(4)(c), Florida Statutes.

1. Summary of the proposed ordinance (must include a statement of the public purpose, such as serving the public health, safety, morals and welfare):

The John's Pass Village Activity Center Plan proposes a specific set of land use guidelines and standards designed to reflect and address the unique make-up and challenges of this important mixed-use tourist-oriented focal point in the Madeira Beach and Pinellas County communities.

This Plan documents the purpose, background, existing and proposed land use characteristics, transportation and sustainability considerations, design principles and implementation strategies.

The purposes of the Activity Center Plan are as follows:

- 1. To establish the standards and means to preserve and rebuild the existing character, uses, and density/intensity of John's Pass Village in the event of a disaster.*
- 2. To reconcile inconsistencies among existing land use characteristics in the City Comprehensive Plan and the Countywide Rules Standards.*
- 3. To provide for consistency and enhancement in the Activity Center for future improvement, revitalization, and potential redevelopment within the Village.*

In brief, the John's Pass Village Activity Center Plan is a comprehensive attempt to memorialize the character and function of this tourist, commercial, and cultural center, and to provide for future enhancement and revitalization.

To implement the John's Pass Village Activity Center Plan, the City must amend the City of Madeira Beach's Future Land Use Map and the Countywide Plan Map to designate the John's Pass Village Activity Center area as an Activity Center.

The area encompassed within the Activity Center is approximately 27 acres. The Activity Center extends from the properties west of Gulf Boulevard to Boca Ciega Bay on the east, and from John's Pass north to 133rd Avenue East.

Most of the area east of Gulf Boulevard is currently designated Commercial General, with a small portion at the northeast corner of the proposed Activity Center designated Residential/Office/Retail on the City Future Land Use Map. The Countywide Plan Map designates this area as Retail & Services. These areas east of Gulf Boulevard are approximately 12 acres of the 27 acres, or 45 percent of the Activity Center. These categories represent the traditional center and focal point of John's Pass Village.

The area west of Gulf Boulevard has a City Future Land Use Map designation of Resort Facilities Medium. The Countywide Plan Map category for this area is Resort. This area is some 11 acres or 41 percent of the Activity Center. These "Resort" classifications consist of a mix of residential and temporary lodging uses that form the western edge and are an integral part of John's Pass Village.

The final two existing plan categories are located in the Transitional district, which includes a small 0.46-acre area of Recreation/Open Space that is part of private development along Gulf Boulevard on the inland side of the Coastal Construction Control Line. The Recreation/Open Space designation on the east side of Gulf Boulevard is due to a utility easement that traverses the property. Properties designated as Residential Medium on the Future Land Use maps of both the City and Countywide Plans are located along the east side of Pelican Lane, characterized by a mix of residential and temporary lodging uses.

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the City of Madeira Beach, if any:

- (a) An estimate of direct compliance costs that businesses may reasonably incur;
- (b) Any new charge or fee imposed by the proposed ordinance or for which businesses will be financially responsible; and
- (c) An estimate of the City of Madeira Beach's regulatory costs, including estimated revenues from any new charges or fees to cover such costs.

No foreseen direct economic impact of the proposed ordinance.

3. Good faith estimate of the number of businesses likely to be impacted by the proposed ordinance:

No foreseen direct impact on businesses with the proposed ordinance.

4. Additional information the governing body deems useful (if any):

Ordinance 2023-01 and Ordinance 2023-02 assures that the Madeira Beach Comprehensive Plan is consistent with the Forward Pinellas Countywide Plan related to intensities, densities, allowed uses, and terminology.
