Considering Solar?

Solar energy can save property owners money on their electricity bills while also benefiting the planet. And with larger incentives and the new community-led solar group buy program, there's never been a better time to find out if solar might be right for your property. Join the upcoming virtual Solar Power Hour on Tuesday, May 7 at 2:00pm to hear about the cost-saving program.

Youth Citizens Academy

The Bayside Youth Citizens Academy is a new program offered to residents of Bayside, ages 13-17. The program aims to provide a closer look at the operations of local government and the jobs of those who work for the Village.

The Academy will be comprised of five interactive learning sessions led by Village staff who will provide participants with an in-depth look at Village departments and operations including, but not limited to, police, fire and EMS, public works, emergency dispatching, elections, budgeting, and property taxes. Not only will participants learn about the operations, but also tour the facilities. Yes, that means spend time in jail, listen to 911 calls, sit in the garbage truck, and more.

Sessions will be held on specified Wednesday afternoons from 2-3:30pm.

The application for the Bayside Youth Citizens Academy is now open and will close on Friday, July 12, 2024. More information regarding specific dates,

Acceptable Items:

- Prescription and over-the-counter medications

- Ointments
- Sprays
- Inhalers
- Creams
- Vials
- Pet medication

Unacceptable Items:

- Needles/sharps
- Items containing bodily fluid or blood
- Personal care products
- Household hazardous waste

No Mow May

No Mow May is a conservation initiative that encourages people to stop mowing or mow less often for the month of May to create habitat and provide resources for bees and other early-season pollinators. The Village of Bayside is proud to join a number of other municipalities in the No Mow May initiative.

During the month of May, Bayside will suspend enforcement of long-grass rules, allowing property owners to delay or reduce lawn cutting to promote pollinator-friendly habitat early in the growing season. Participating residents must register their properties.

To become a 2024 No Mow May participant, Bayside residents must register through Access Bayside no later than **May 7, 2024**.
