

BAYSIDE BUZZ

VILLAGE OF BAYSIDE

Election Results

42% of registered voters voted in Bayside on Election Day. Approximately 20% voters voted absentee and 22% voted on Election Day.

A special thank you to Clerk Rachel Safstrom, Deputy Clerk Nicole Maurer, and the many poll workers who worked a very long day to administer the election.

To view Bayside only results, visit the Village website.

Bayside Blood Drive - April 4

 [Appointments available](#)

Blood Drive - April 4

Versiti Blood Center of Wisconsin will be hosting a blood drive at Village Hall (9075 N Regent Rd) on April 4 from 10am to 3pm. Walk-ins welcome, appointments honored.

[Schedule Appointment](#)

Why is it so dark outside?

On April 8, 2024, a total solar eclipse will cross North America, passing over Mexico, the United States, and Canada. A total solar eclipse happens when the Moon passes between the Sun and Earth, completely blocking the face of the Sun. The sky will darken as if it were dawn or dusk. The totality in Wisconsin should reach 90%.

The Schlitz Audubon Nature Center will have a telescope fitted with a solar filter, as well as special glasses to safely view this incredible event! Drop-in by the Audubon Center from 12:30-3:30pm on the Veranda to safely view!

Solar Eclipse Viewing

Tree Inventory

Through grant awarded monies, Wachtel Tree Science will be assessing trees along Village Right-of-Ways and municipal properties throughout the month of April. Wachtel Arborists assess features of the tree like the growth space size, height class, specie classification, health condition, and more. The tree inventory assessment will aid in the development of a strategic work plan to manage our urban forest over the next five years. The work plan will serve as the foundation of our decision-making process, enabling us to identify priorities, assess the health of our public tree canopies, and uncover opportunities for growth and enhancement. This proactive approach will allow us to address issues such as canopy loss, species diversity, and overall tree health.

Residents can expect to see Wachtel staff in the community wearing hi-vis surveyor vests, walking along streets and within our park.

2024 Project Updates

2024 Wisconsin Statewide Tornado Drill
Thursday, April 11th, 2024
1:45pm and 6:45pm

Please reserve these times to discuss and practice your tornado and severe weather safety and sheltering plans.

What will happen:

- NOAA Weather Radio Weekly Test
- Some municipalities will sound sirens.
- Some TV/radio stations will briefly cut into programming
- Social Media Posts

What will NOT happen:

- Wireless Emergency Alerts
- Push notifications on phones
- Test Watch/Warning

Statewide Tornado Drill

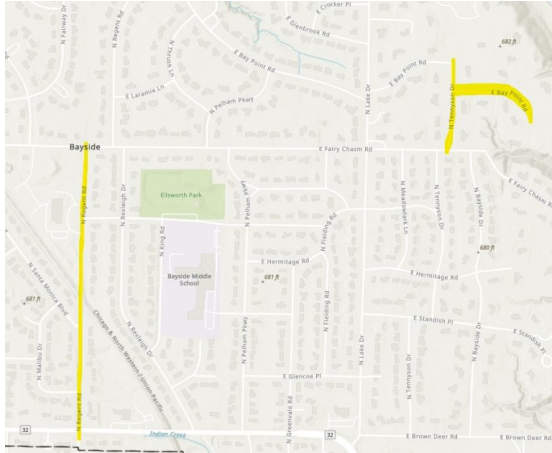

The 2024 Wisconsin Statewide Tornado Drill will take place on Thursday, April 11 and 1:45pm and 6:45pm.

- What will happen:
- NOAA Weather Radio Weekly Test
 - Some municipalities will sound sirens.
 - Some TV/radio stations will briefly cut into programming

What will NOT happen:

- Wireless Emergency Alerts
- Push notifications on phones
- Test Watch/Warning

Reserve these times to discuss and practice your tornado and severe weather safety and sheltering plans.

2024 Road Project

The 2024 Road Project area will include:

- North Regent Road: South Termini at the Village of Fox Point border to Fairy Chasm Road
- North Tennyson Drive: East Fairy Chasm Road to East Bay Point Road
- East Bay Point Road: North Tennyson Drive to East Termini

The Village will address stormwater infrastructure, ditch and culverts, including replacing driveway culverts and Village stormwater infrastructure under the roadway, re-ditching the area as needed for a more consistent grade for water flow, and landscape restoration. The project area streets will also be milled, graded, and repaved.

The Village is anticipating the replacement of 28 driveway culverts and 5 Village cross culverts. Replacement of the culverts is determined by the Department of Public Works based on elevation, condition, and size of the existing culvert pipe.

The project is scheduled to start the first week of June and is estimated to be completed prior to Labor Day.

In case you missed it last year...

myCrew Night is Back!

myCrew Night

myCrew Night is back! Come join us for a family fun affair highlighting the work of our Public Works Department. This is a great opportunity for you to come connect with our DPW staff, gain insights into their operations, and experience firsthand the equipment and facilities.

But wait there's more! We will have other Village departments attending, our community partners, and local businesses. We will have informational booths, touch-a-truck, demonstrations, and giveaways including yard waste carts and rain barrels! Don't miss out on this event! Come by the Department of Public Works Yard on May 21, 2024 from 5:30-7:30pm for a night of fun.
