## Bayside Citizens Academy

The Bayside Citizens Academy is back again in 2025! The Bayside Citizens Academy is a program offered to Bayside residents that aims to provide a closer look at the operations of local government and the jobs of those who work for the Village.

The Academy will be comprised of seven interactive learning sessions led by Village staff who will provide participants with an in-depth look at Village departments and operations including, but not limited to, police, fire and EMS, public works, emergency dispatching, elections, budgeting, property taxes, and library. Not only will participants learn about the operation, but also tour the facilities. Yes, that means spend time in jail, listen to 911 calls, sit in the garbage truck, and more.

Participants will navigate the program as a cohort, learning alongside fellow community members. Sessions will be held on specified Wednesday evenings from 6-8pm. The Village will hold a graduation reception at 5:45pm on Thursday, April 17 and a graduation ceremony at 6pm at that evening's Board of Trustees meeting.

The application for the Bayside Citizens Academy is now open and will close on Friday, January 3.
