Summer means more yard waste by driveways and culverts. Keep your culvert clean by removing debris obstructions to prevent backups and blockages and allow stormwater to flow smoothly.

BACK TO SCHOOL CROSSING SAFETY

With back to school upon us, we would like to share important reminders to keep all those who travel Village streets safe:

- Share the road with pedestrians.
- Be on the lookout for bicycles and walkers.
- Give school buses 20 feet of room.
- Practice safe habits at crosswalks!

Let's make this a fun and safe school year!
