Lake Drive Closure in Fox Point

The Wisconsin Department of Transportation is completing a resurfacing project on a section of Lake Drive in the Village of Fox Point.

This work will include replacement of water mains, hydrants, widening of the road, replacement of storm sewer pipes, installation of new crosswalks, and more.

The project is slated to begin the third week of March and continue through the end of August.

Once the project begins, Lake Drive will be closed to traffic from School to Dean Roads. Traffic will be detoured to Port Washington Road.

North Shore Library Fundraising

Match Madness

This March, you have an opportunity to help build a new, state-of-the-art North Shore Library. Thanks to a generous matching grant from David and Julia Uihlein, every donation you make will be doubled—up to \$250,000!

Your \$1 becomes \$2. Your \$50 becomes \$100. Together, we can create a vibrant community hub where learning, connection, and creativity thrive. Donate now to double your impact during National Reading Month!

Brick by Brick

Leave a lasting legacy at the new North Shore Library! Help us enhance our community space by purchasing an engraved brick. Each personalized brick will be placed at the library's entrance, creating a unique tribute for you, a loved one, or your business.

Together, we're building more than a library, we're building a community resource that will enrich the lives of North Shore residents for generations to come.

Standing Water on Your Property?

Did you know trees help reduce standing water by absorbing excess moisture through their roots, improving soil drainage, and reducing runoff. Their canopies also slow rainfall, allowing water to soak into the ground more effectively.

You're in luck! The Adopt-A-Tree Program is back offering three great tree options for you to choose from.

2025 Tree Options:

- Common Hackberry
- Espresso Kentucky Coffeetree
- Red Oak

2025 Location Options:

- Public Right-of-way Tree: Cost per tree is \$300 and includes 1 tree, planting in the public right-of-way, mulching, and initial watering.
- Private Property Tree: Cost per tree is \$350 and only includes the tree. Trees can be planted anywhere on your private property.
