

Village of Bayside
9075 N Regent Road
Architectural Review Committee Meeting
August 17, 2020
Remote Teleconferencing, 6:00pm

**ARCHITECTURAL REVIEW COMMITTEE
AGENDA**

PLEASE TAKE NOTE: Due to the COVID-19 Pandemic, the Architectural Review Committee will be meeting via remote conferencing at the above noted time and date, at which the following items of business will be discussed and possibly acted upon.

I. CALL TO ORDER AND ROLL CALL

II. APPROVAL OF MINUTES

- A. Approval of August 3, 2020 meeting minutes.

III. BUSINESS

- A. **8601 N Lake Drive – Joanne Ceman and Troy Fredrick** The proposed project is the installation of a wood fence that will connect to the existing fence and fully enclose the yard. The proposed fence will exactly match the existing fence, which is 6ft tall, 25% open, and made from treated wood.

Please review detailed plans [here](#).

- B. **8877 N Malibu Drive – Scott Ferreira** The proposed project is the installation of a 246 foot wood picket fence with dog ear tops. The fence will be 5 feet tall, have 2 gates, and will be 25% open.

Please review detailed plans [here](#).

- C. **1400 E Bay Point Road – Colin M White Trust** The proposed project is the installation of a 150KW home backup generator. The generator will be placed on a 14'x8' concrete pad.

Please review detailed plans [here](#).

- D. **8909 N Port Washington Road – Bill La Macchia** The proposed project includes exterior façade improvements, landscape alterations, and a canopy addition to an existing 2-story commercial office building.

Please review detailed plans [here](#).

IV. ADJOURNMENT

Cassie Schmidt
Deputy Clerk

The Architectural Review Committee will utilize Zoom video conferencing software for this meeting. To join the zoom meeting using a computer or tablet:

<https://us02web.zoom.us/j/81898738187?pwd=eVpZS0EwcGQ3YkkvQ25HN1B3NFdkZz09>

If using a telephone to dial in: 312-626- 6799. The meeting id is: 818 9873 8187, password 9451742548.

Upon reasonable notice, efforts will be made to accommodate the needs of disabled individuals through appropriate aids and services. Contact Village Hall at 414-206-3915. It is possible that members of and possibly a quorum of members of other Boards, Commissions, or Committees of the Village may be in attendance in the above stated meeting to gather information; no action will be taken by any other Boards, Commissions, or Committees of the Village except by the Board, Commission, or Committee noticed above. Agendas and minutes are available on the Village website (www.baysidewi.gov).

I. CALL TO ORDER

Chairperson Marisa Roberts called the meeting to order via remote teleconferencing at 6:04pm.

II. ROLL CALL

Trustee Liaison: Mike Barth

Chair: Marisa Roberts
Members: Elizabeth Levins
Dan Zitzer
Tony Aiello
John Krampf - Excused

Also Present: Village Manager Andy Pederson
Deputy Clerk Cassie Schmidt
There were three people in the audience

III. APPROVAL OF MINUTES

A. Approval of July 20, 2020 meeting minutes.

Motion by Dan Zitzer, seconded by Trustee Barth, to approve the July 20, 2020 minutes. Motion carried unanimously.

IV. BUSINESS

A. 9095 N Rexleigh Drive- Rory and Vanessa Kurtz

Rory Kurtz appeared on behalf of the project. There were no neighbors in attendance.

Mr. Kurtz described the proposed project as the lowering of the two windows on the left side of the house to match the height of the larger window on the right side of the house.

Chairperson Roberts questioned whether the windows will be casement or double hung. Mr. Kurtz stated the windows will be slider windows.

Motion by Trustee Barth, seconded by Elizabeth Levins, to approve the project described and presented in the application. Motion carried unanimously.

B. 214 E Brown Deer Road – Igor Sorin

Igor Sorin appeared on behalf of the project. There were no neighbors in attendance.

Mr. Sorin described the proposed project as the installation of a 225 foot wooden fence enclosing the yard. He would like the fence to be 5 or 6 feet in height.

Motion by Elizabeth Levins, seconded by Trustee Barth, to approve the picket fence as pictured, 5 or 6 feet in height, with a possible third horizontal bar, meeting the 25% open requirement, and made from materials that will weather naturally. Motion carried unanimously.

V. ADJOURNMENT

Motion by Trustee Barth, seconded by Elizabeth Levins, to adjourn the meeting at 6:24pm.
Motion carried unanimously.

Respectfully submitted,

Cassie Schmidt
Deputy Clerk

| <p>PROJECT/SITE OWNER: Joanne Ceman and Troy Fredrick</p> <p>PROJECT ADDRESS: 8601 N Lake Drive</p> | <p>PROJECT SUMMARY: Completion of rear yard fence. 25% open design for existing and new fence.</p> |
|---|--|

FENCE TYPE

Fence is 25% open and therefore not limited in length.

Village code section 14-182 (L): *Fence type. Solid fences may be constructed with a total horizontal linear length not to exceed 15 percent of the total linear feet of the perimeter of the property except as screening along an adjacent railroad, state highway, interstate highway, county highway, or commercial parking lot property. All other permitted fences shall be constructed with at least a 25 percent open design. When proposing a new fence adjacent to a property that already has a fence, the applicant should consider (and the architectural review committee may encourage) matching that fence to achieve a harmonious look. Wood fences shall be unfinished, stained, or oiled and allowed to weather naturally to help them blend into the landscape. Other finishes may be acceptable but are subject to review and approval. The side of the fence facing neighboring properties shall always be a finished and not structural side of the fence. If a fence style contains posts on one side and a more finished side on the other, the more finished side shall face the neighboring property.*

PROPOSED FENCE TYPE AND LENGTH COMPLY

|--|---|

VILLAGE CODE REVIEW

Concrete pad and generator are within required zoning setbacks per Village Code section 125-89 "A" residence district regulations.

Generator installation shall comply with Wisconsin Electrical Code SPS 316, Wisconsin Fuel Gas Code SPS 365 and NFPA 54 National Fuel Gas Code.

SAFEbuilt recommends ARC approval.

SAFEbuilt Wisconsin provides ARC reviews as recommendations based on the Village of Bayside's municipal code requirements for exterior aesthetics, zoning, etc. Projects have not been reviewed for compliance with the Wisconsin UDC or commercial building code. Construction documents and appropriate fees shall be submitted for plan review as required for the scope of work proposed.

QT SERIES 150KW HOME BACKUP GENERATOR

Model #QT150

★★★★★ [Write a review](#)

STARTING AT

\$30,699.00 MSRP

GENERAC QT SERIES 150KW STANDBY GENERATOR

Capable of providing full power protection for large homes and the most demanding power needs.

Higher power nodes for large applications.

Single and three phase output in a variety of voltages.

Liquid cooled engines available in low and high-speed options.

Aluminum, all-weather enclosure option provides substantial protection from the elements. Aluminum's corrosion resistance prolongs the life of your generator. Recommended for salt-air, coastal communities. Sturdy galvanized steel enclosures are coated with a durable powder-coat finish for added weather protection.

Continuous fuel choice of LP or natural gas.

Nexus Digital Controller with two lines, trilingual text, easily shows generator status, run time and history.

Quiet-Test™ Mode

Thanks to Quiet-Test, your Commercial Series home standby generator runs its weekly self-test at a lower RPM.

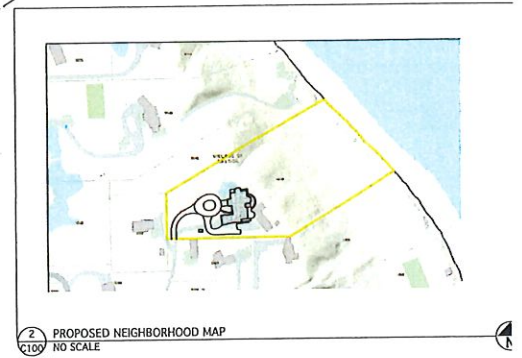

Wireless remote monitoring is an available option.

| <p>PROJECT/SITE OWNER: Bill La Macchia</p> <p>PROJECT ADDRESS: 8909 N Port Washington Road</p> | <p>PROJECT SUMMARY: Exterior façade improvements, landscape alterations, and exterior canopy addition to an existing 2 story commercial office building</p> |
|--|---|

VILLAGE CODE REVIEW

Design proposal includes a new drop off zone, covered by an architectural canopy, which leads to a landscaped entry stair that is adjacent to a vertical architectural element. All these items are additions to the existing commercial building and will be regulated under the Wisconsin Commercial Building Code.

Please note, the new vertical element should not be construed as a commercial building sign as regulated by Bayside Village Municipal Code Section 116-6.

The addition complies with all Bayside zoning setback requirements and 35' maximum height restriction per zoning district D, Municipal Code Section 125-94.

Reviewer believes the exterior improvements proposed for this project significantly improve the existing appearance of the commercial building and provide a more pleasing exterior aesthetic. Reviewer believes this project complies with the following Village Code section:

Sec. 104-2(a)(2) Architectural Review Committee: *The purpose of the architectural review committee is to ensure that all construction and structures within the village comply with this Code, and to ensure that all structures within the village meet minimum standards of architectural quality, consistency, aesthetic design, and finish. The architectural review committee shall maintain as its goal the perpetuation of the village's character and atmosphere, preservation of existing property values, and enhancement of the desirability of the village as a residential community. Construction and renovation should be made so that exterior architectural appearance shall be substantially consistent with structures already constructed in the immediate neighborhood, or with the character of the applicable district.*

SAFEbuilt recommends ARC approval.

SAFEbuilt Wisconsin provides ARC reviews as recommendations based on the Village of Bayside's municipal code requirements for exterior aesthetics, zoning, etc. Projects have not been reviewed for compliance with the Wisconsin UDC or commercial building code. Construction documents and appropriate fees shall be submitted for plan review as required for the scope of work proposed.
