

PRESCRIPTION DRUG DISPOSAL

Federal law requires that certain drugs be handed over immediately to federal law enforcement officials to destroy, while Veolia Environmental Services will incinerate the rest at a federally licensed incinerator. It is important not to flush or pour unused medicine down the drain. This helps protect Lake Michigan, reduce substance abuse, and prevent childhood poisoning.

ACCEPTABLE

- Prescription and over-the-counter medications
- Ointments
- Sprays
- Inhalers
- Creams
- Vials
- Pet medication

UNACCEPTABLE
