

DUMPSTER & PORTABLE TOILET INFORMATION

Permit Required

- The open placement of a refuse receptacle or temporary, portable toilets shall require a permit. The refuse receptacle is permitted for sixty (60) days upon the issuance of a permit.
- Payment of a fee is required.
- The Village has the discretion to authorize one additional sixty (60) day extension, upon application and payment for an additional permit.
- No more than one refuse receptacle permit may be applicable to any single property at any one time.
- The refuse receptacle may not be placed in the street or in the yard. The dumpster must be placed in the driveway of the property where the work is being completed.
- No more than two total refuse receptacle permits may be issued in any twelve (12) month period unless such additional permit is approved by the Architectural Review Committee.
