Thank You Volunteers! More Next Week! Volunteer

Thank you to all the volunteers who helped with the Ellsworth Park Community Build this week. Your help has been greatly appreciated.

The fun is not over! We will continue to build the final pieces of the park next week, beginning May 2. Work is anticipated to take place the majority of the week.

Option 2: Private property trees

Slow Down This Spring

Spring is almost here and that means more people will be out on the road including pedestrians, bicyclists, and construction crews.

The majority of the Village has a speed limit of 25 mph. Please remember to drive the speed limit, remain aware of your surroundings, and keep Bayside safe!

Drug Take Back Day

Too often, unused and unwanted medications find their way into the wrong hands. That's dangerous and often tragic. Bringing unused and unwanted medications to a Drug Take Back Day collection site protects you, your family, and your community.

The next Drug Take Back Day is April 30, 2022.

A total of 57,377 pounds of unused and unwanted medications were collected in Wisconsin during the last Drug Take Back period that ended with the October 23, 2021 Drug Take Back Day. This was the largest collection in the United States.

The Bayside Police Department is a host and drop off center during the Drug Take Back Day.

Ellsworth Park Updates

The tennis/pickleball courts at Ellsworth Park are up and ready for the season!

The Pavilion and restrooms are scheduled to be open on Monday, April 25.

Want to make a rental at Ellsworth Park? You can make the [request](#) and [pay online!](#)
