

Department of Public Works

April 2021

Highlights / Accomplishments

- The crew completed the dead tree removal project in the right-of-way. The crew removed 157 trees total. Stump grinding and restoration is planned to follow.
- The Department cleaned and readied the Ellsworth Park pavilion and well for opening to the public.
- The crew hosted the Spring Clean Up Day in the DPW parking lot. 336 residents participated in the event.
- The crew started shoulder repair in many spots of the Village. Shoulder work will continue throughout the summer.
- Repairs were made to the Ellsworth Park playground structure that were found on the Spring inspection.
- The Operations Superintendent and DPW technicians participated in multiple training sessions in April. Playground inspection and work zone safety topics were covered.
