

BAYSIDE BUZZ

VILLAGE OF BAYSIDE

Ellsworth Park Grand Opening

30,000 pounds of concrete, 2,000 gallons of water for concrete, 375 yards of mulch, 80 yards of pea gravel, 300 feet of sidewalk, countless handprints from Bayside Middle School, nearly 6 weeks of hard work and dedication, and all the pieces that would fit in a 53 foot semi to make this happen. Thank you volunteers and village staff for the tireless effort. We did it! The new Ellsworth Park playground is now open.

Pavilion Closed Due to Vandalism

Due to recent vandalism in the Ellsworth Park Pavilion bathrooms, the pavilion bathrooms will be closed until further notice. The Department of Public Works is working expeditiously to fix the damages. We apologize for any inconvenience.

Assessment Letters and Open Book

Properties which have received a change in property value, will receive a letter indicating so on or around June 1.

Open Book is scheduled for June 14 from 1-3 pm via telephone. If you cannot make it at this time, make an appointment using one of the following:

- Set an appointment online [here](#)
- Call Accurate Assessor at 920-749-

8098

- Send them an [email](#).

Note, assessed values may increase or decrease each year depending on recent market conditions. Your assessed value doesn't directly correlate to a change in the amount you pay for property taxes. Your assessment is based on the value of all buildings and land on your parcel as of January 1st, each year. Assessors must follow state statutes to set fair and equitable values. Your new value is based on valid sales, from the prior year, that occur in your area.

Fourth of July Parade

As we quickly come up on the 4th of July, the traditional walking parade will return

The parade will start at 9am at Village Hall, where participants will then walk east on Ellsworth Lane, south on Rexleigh Drive, north on King Road, and end at the Ellsworth Park. At Ellsworth Park, Village Trustees hold the traditional bike and dog contests, and will then judge on Bayside Best decorated bikes and Bayside's best decorated dog.

Yard Waste Collection Next Week

The next full yard waste collection of 2022 will be conducted the week of June 6.

- Yard waste must be out before 7am on Monday, June 6th to ensure your items will be picked up.
- Yard waste must be at least 3 feet away from mailboxes and other structures, branches must be less than 5' long, branches must be parallel to the road, and cannot be in plastic bags.
- Yard waste should be placed in bags or containers if possible.
- If your pile is greater than 10' long x 5' wide x 5' high, you will need a special pick-up which can be requested [here](#).

For more information, visit the [2022 Collection Guide](#).so your questions can be answered promptly.

Rd., Fox Point, WI 53217

11 am to 2 pm

The mission of Coffee with a Cop is to break down the barriers between police officers and the citizens they serve by removing agendas and allowing opportunities to ask questions, voice concerns, and get to know the officers in your neighborhood.

THIS EVENT IS PRESENTED BY THE
Village of Bayside,
Fox Point, and River Hills
Police Departments

Coffee with a Cop will be held at Friendship Circle Cafe & Bakery on Sunday, June 19, 2022 from 11am-2pm. It will be a joint event with River Hills and Fox Point Police Departments.

12 Minutes of Use, 1,000 Years of Pollution

On average, a plastic shopping bag is used for just 12 minutes. It takes up to 1,000 years for a plastic bag to break down. Unfortunately, the bags don't break down completely, but instead photo-degrade, becoming microplastics that absorb toxins and continue to pollute the environment.

This year, 5 trillion plastic bags will be consumed. That's 160,000 bags a second! Put one after another, they would go around the world 7 times every hour and cover twice the size of France.

Rather than driving to your local merchant or Village Hall to recycle your plastic bags, save your time, money, and the planet by purchasing reusable bags.

Got Grass?

There are many options for grass clipping disposal.

Mulch or compost grass clippings into your yard or create a compost pile.

The Department of Public Works does not collect grass clippings. These items are considered regulated waste by the Wisconsin DNR.

Senior Citizen Scams - Medicare Fraud

What to look out for: Police are always alert for mobile "health-care labs" sometimes park at retirement homes, malls, or health clubs where fake or unnecessary tests are administered on "patients" whose identifying information is used to bill insurance companies and Medicare. Similar rackets involving unneeded medical equipment also target seniors.

Risks: Often directed at the elderly by perpetrators who leverage the term "Medicare," this scam seeks personal information and could expose seniors to identity theft.

Helpful resources: The government maintains a dedicated web page on Medicare fraud at <https://www.medicare.gov/basics/reporting-medicare-fraud-and-abuse>.

Pets are required to be on a leash so they are not able to trespass on public or private property.

Keep Kids Healthy in the Water

EVEN IN WELL-MAINTAINED POOLS, SOME GERMS CAN SURVIVE FOR DAYS.

- Keep sick kids and those with diarrhea out of the water
- Don't let kids swallow water
- Take kids on bathroom breaks every hour
- Change diapers away from water
