

Ellsworth Park Playground Transformation

The new Ellsworth Park playground was opened and dedicated on May 31. Throughout the community build, Bayside Resident, Tom Story, captured video of the transformation of Ellsworth Park.

Tom and his drone took video footage of the new Ellsworth Park Playground building process. Thank you, Tom!

The Bricks Are In

As part of the Ellsworth Park playground project, many of you participated in the Brick Donation Program. The bricks are in the sidewalk between the Pavilion and Playground are officially in the ground!

Head down to Ellsworth Park to find your brick and check out the new playground equipment. Thank you to everyone who purchased a brick!

July Recycling Day

Recycling Day is scheduled for July 16 from 9-11:30am in the Public Works parking lot. Residents should enter off Fairy Chasm and will be able to dispose of:

- Recycling,
- Yard waste,
- Electronics,
- Scrap metal

- Plastic bags
- Light bulbs
- Textiles
- Paper
- Ink cartridges
- Eye glasses
- Cell phones

Please note, if the item is not listed above, it will NOT be accepted. Garbage and the following electronic items are not accepted (TVs, monitors, refrigerators, dehumidifiers, and other items that contain freon).

For more information, visit the [2022 Collection Guide](#).

Grazing Goats

The Village will be partnering with Grazing Goats Wisconsin in the coming weeks, utilizing goats to clear approximately 3.5 acres of stormwater management facilities near the North Shore Fire Department on Brown Deer Road in Bayside.

Due to the grade, elevations, and volume of material in this area, mowers are not a feasible option and string trimming over three acres is not viable or cost-effective alternative. Clearance of the 621 East Brown Deer Road Pond, along Indian Creek, and Bio-Retention pond facility south of the 621 pond is essential to maintain flow of stormwater and clear significant vegetation build up in and around the area to ensure stormwater flow.

Utilizing a goat grazing program will allow the Village to clear the unwanted vegetation in a sustainable manner and avoid chemical use. The goats will be within a secured, fenced area. We appreciate the anticipated hard work of the grazing goats.

Board of Review

The Board of Review will meet on July 19, 2022 at 8:30am in the Village Hall Board Room.

Board of Review functions like court and is required to evaluate based on facts. You or your representative must provide factual evidence that your property is inequitably assessed. The burden of proof is solely on the taxpayer. The assessor's value is presumed corrected by State Law until proven otherwise.

To file an objection, please visit the [Wisconsin Department of Revenue](#) web site for forms and specific instructions or contact Rachel Safstrom at 206-3913.

Solar Update

In the first full year of operation, the solar array installed on the Department of Public Works rooftop, which provides power for the Public Works facility, Bayside Emergency Dispatch Center, Police Department and Village Hall, has generated 155.98 MWh of electricity.

The power generation of the solar array is equivalent to planting 1,825 trees and has saved 241,527 pounds of CO2 emissions.

9-8-8 National Suicide Prevention Lifeline

After July 16, 2022 anyone can call, chat, or text 988 to connect with a counselor at the National Suicide Prevention Lifeline. Wisconsin Lifeline is our state's center where residents' contacts will be routed. This new and easy way to access mental health support has many implications for the use of 911 and Public Safety Answering Points.

Annual myBlue Night Out will be taking place on Thursday, August 4th from 6-8 pm in front of the Village Hall. This is a family-friendly community event where residents and families will be able to meet, chat with, and eat great food with Bayside's finest and other area police officers. Mequon Police Department K9 Djuke and handler Officer Matt Bottoni will also be in attendance!

Your favorite area restaurants: The Original Sobelmans Pub and Grill, Sals Pizza - Cedarburg, Nothing Bundt Cakes, The Kabab Shack, and the Friendship Cafe, Bakery, & Art Studio, are back again this year and have once again generously donated their time and food to make myBlue Night Out a success.

Do your kids like firetrucks? The North Shore Fire/Rescue will have a firetruck and an ambulance on display to cover that! If you or your kids are feeling a bit artistic, you'll be able to paint a Village of Bayside Police Department squad car to your liking.

Other fun activities include a bounce house, yard games, tours, and information booths from the Bayside Communications Center, Village Village Hall, Schlitz Audubon Nature Center, North Shore Health Department, and more.

We hope to see you all there!

Section 4

Brown Deer Road Closure at the Railroad Approaches

The Wisconsin Department of Transportation (WisDOT) is advising that a full closure at the Wisconsin Southern Railroad crossing on WIS 100 (Brown Deer Road) will be taking place while crews work to reconstruct the crossing. This closure is schedule to begin on Monday, July 18 and remain in place through Friday, July 29.

Motorists will need to utilize WIS 181 (76th Street), WIS 167 (Mequon Road), and WIS 57 (Green Bay Road), to get around the closure. Please also note that Donges Bay Road, west of WIS 57, will be fully closed through late summer 2022. Motorists will need to utilize Donges Bay Road, WIS 181

(76th Street), WIS 167, and WIS 57 (local access only), to get around the closure. See the map for a better understanding of the detour routes. As a reminder, you can provide feedback directly to WisDOT by contacting Kurt Flierl at kurt.flierl@dot.wi.gov or call 262-548-8724.
