## Bayside Night with the Chinooks!

Bayside Night at the [Lakeshore Chinooks](#) will be held on Saturday, July 16, at 6:35pm. For \$18, you will receive a grandstand ticket, hot dog, chips, and soda or water.

See the [event flyer](#) for ticket ordering instructions.

**9-8-8 National Suicide Prevention Lifeline**

After July 16, 2022 anyone can call, chat, or text 988 to connect with a counselor at the National Suicide Prevention Lifeline. Wisconsin Lifeline is our state's center where residents' contacts will be routed. This new and easy way to access mental health support has many implications for the use of 911 and Public Safety Answering Points.

during an emergency situation. With this in mind, we've created a [Special Needs Registry](#).

The Special Needs Registry is available for all residents requiring special needs resulting from a physical, emotional, or medical condition (i.e. dementia, autism, etc.). Information provided is maintained in a confidential database which will assist emergency responders in providing a more informed response to those with special needs during an emergency. If you are interested in participating in the Special Needs Registry, please fill out the request though [Access Bayside](#).

## Time to Start Training!

The Bayside Five and Wine is back!

Are you a runner? Sign up for the 5K! Don't want to run? Walk, and enjoy a glass of wine as you walk through the streets of Bayside.

The Bayside Five and Wine will be held at 4pm on Saturday, September 24, 2022. The Five and Wine start and finish line will be at Village Hall in conjunction with the annual Village picnic.

## NORTH SHORE HEALTH DEPARTMENT HEALTHY HIGHLIGHTS 2022

Serving the communities of Bayside, Brown Deer, Fox Point, Glendale, River Hills, Shorewood and Whitefish Bay

**96%** of teens who've used e-cigs tried them before age 13

4 out of 5 kids who've used tobacco tried a flavored product first.

Some health risks linked with e-tobacco products:

Most e-cigarettes contain nicotine, a potent chemical compound that makes cigarettes, chew, and other tobacco products highly addictive.

The industry's most popular e-cigarette pod contains as much nicotine as 20 cigarettes.

E-liquids can contain heavy metals (nickel, tin, lead).

Diacetyl, a flavoring found in many e-liquids, has been linked to lung disease.

E-cigarettes are more popular than conventional cigarettes among Wisconsin teens.

E-cigarettes may cause asthma and other lung problems in a child's growing lungs.
