

The poster for 'myBlue Night Out' features the Bayside Wisconsin Police Department logo at the top. Below it, the text 'PRESENTS myBlue Night Out' is displayed. A date tag says '3RD ANNUAL'. The event is on 'AUGUST 4, 2022' from '6-8 PM'. The location is 'IN FRONT OF THE PD/VH, 9075 N. REGENT RD., BAYSIDE, WI 53217'. Social media icons for Twitter and Facebook are shown with the handle '@BAYSIDEPD'. The text 'Meet the community and your myBlue sector officer!' is followed by a list of activities: 'Bounce House', 'Firetruck & Ambulance', 'Paint a Squad', 'Info Booths', 'Tours', and 'Yard Games'. At the bottom, it says 'Enjoy FREE food from our generous area vendors' and lists logos for 'Friendship Café & Bakery', 'The Kabab Shack', 'Nothing Bundt Cakes', 'Sals Pizzeria', and 'Sobelmans Pub & Grill'.

myBlue Night Out

The 3rd Annual myBlue Night Out will be taking place tonight, Thursday, August 4th from 6-8 pm in front of the Village Hall. This is a family-friendly community event where residents and families will be able to meet, chat with, and eat great food with Bayside's finest and other area police officers. Mequon Police Department K9 Djuke and handler Officer Matt Bottoni will also be in attendance!

Your favorite area restaurants: The Original Sobelmans Pub and Grill, Sals Pizza - Cedarburg, Nothing Bundt Cakes, The Kabab Shack, and the Friendship Cafe, Bakery, & Art Studio, are back again this year and have once again generously donated their time and food to make myBlue Night Out a success.

The North Shore Fire/Rescue will have a firetruck and an ambulance on display to cover that! If you or your kids are feeling a bit artistic, you'll be able to paint a Village of Bayside Police Department squad car to your liking.

Other fun activities include a bounce house, yard games, tours, and information booths from the Bayside Communications Center, Village Village Hall, Schlitz Audubon Nature Center, North Shore Health Department, and more.

We hope to see you all there!

Grazing Goats Are Here!

They have arrived and are working hard! The Village is partnering with Grazing Goats Wisconsin, utilizing goats to clear approximately 3.5 acres of stormwater management facilities near the North Shore Fire Department on Brown Deer Road in Bayside.

The goats are located on private property behind a low voltage fence. The goats, nor the fence, should be touched. From time to

time you may see Village Staff or Grazing Goats staff by the goats, however the public should not enter the gated area.

As these goats are working hard over the next few weeks, we kindly ask that motorists do not park vehicles in the North Shore Fire/Rescue parking lot (665 E. Brown Deer Rd.) or on Brown Deer Road to view the goats or trespass into the bio-retention pond area where the goats are grazing.

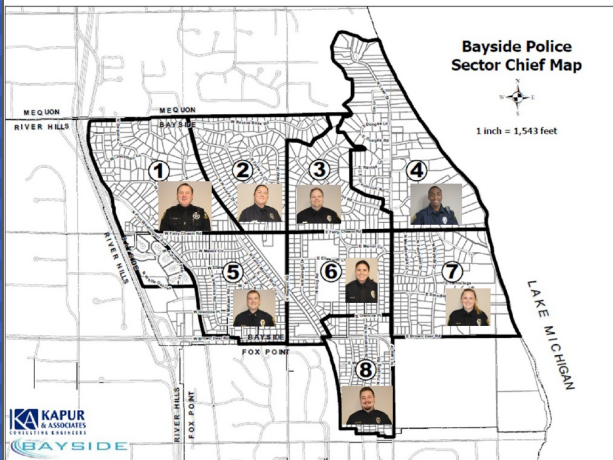

Dust Off Your Running Shoes

The Bayside Five and Wine is back!

Are you a runner? Sign up for the 5K! Don't want to run? Walk, and enjoy a glass of wine as you walk through the streets of Bayside.

The Bayside Five and Wine will be held at 4pm on Saturday, September 24, 2022. The Five and Wine start and finish line will be at Village Hall in conjunction with the annual Village picnic.

Are You Recycling Right?

Three Basic Rules

- Recycle bottles, cans, paper, and cardboard.
- Keep food and liquid out of your recycling.
- No loose plastic bags and no plastic bagged recyclables.

Knowing these rules and putting them into practice will help you recycle more efficiently and help to ensure everything that makes it into your bin finds a second life.

For more detailed recycling do's and don'ts, visit [Waste Management Recycling 101](#).

What Can I Pour Down My Drain?

Dispose of all fats, oils, and grease in the garbage. Including butter, cooking oils, fry oil, oils, and grease left from cooking meats

or anything else that gels or solidifies at room temperature.

These will go down the drain or toilet when warm or with soap, but as they cool or mix with water, they solidify in your pipes, creating a clog that is very messy and difficult to remove.

Pedestrian Safety Grant

The Wisconsin Department of Transportation (WisDOT) has awarded the Village of Bayside a Transportation Alternatives Program (TAP) grant worth \$64,000 to fund the replacement of the two early electronic crosswalk systems on Brown Deer Road at Regent Road and Pelham Parkway.

The Village of Bayside actively seeks programs and grants that maximize the ability to accelerate and complete important infrastructure projects. The Village developed the TAP grant application to fund the replacement of the new early electronic crosswalk systems. The Village will contract with companies to acquire and purchase the technological upgrades to enhance the safety of pedestrians and vehicular traffic.

The Village of Bayside Department of Public Works will be coordinating the work to be completed in 2023.
