

MMSD Household Hazardous Waste Collection

Milwaukee Metropolitan Sewerage District will be hosting a [household hazardous waste collection](#) in the DPW parking lot on Saturday, October 15 from 8am to 2pm.

[Acceptable items](#) - Please enter off Regent Road and exit on Fairy Chasm Road.

Yard Waste Collection

The next full yard waste collection will begin on Monday, October 17.

- Yard waste must be out before 7am to ensure your items will be picked up.
- Yard waste must be at least 3 feet away from structures.
- branches must be less than 5' long.
- branches must be parallel to the road, and cannot be in plastic bags.
- Yard waste should be placed in bags or containers, if possible.
- Piles greater than 10' long x 5' wide x 5' high require a [fee-based special pick-up](#).

For more information, visit the [2022 Collection Guide](#) or visit [DPW Dan](#) online.

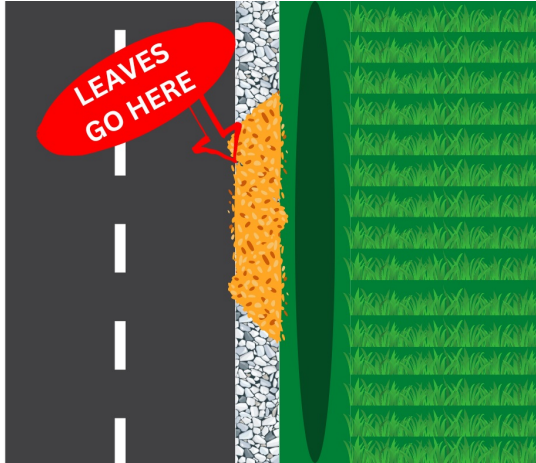

**Friends of the
North Shore Library
Book & Sale**
Friday, October 21 10am - 4pm
Saturday, October 22 10am - 4pm
Sunday, October 23 1pm - 4pm

North Shore Library Book Sale

The Friends of the North Shore Library's popular Book Sale is back! The Fall 2022 Book Sale will be held in the Library Community Room on:

- Friday, Oct 21: 10 a.m. - 4 p.m.
- Saturday, Oct 22: 10 a.m. - 4 p.m.
- Sunday, Oct 23: 1 p.m. - 4 p.m.

Adult Materials are \$1.00 and Children's Materials will be \$0.25.

Leaf Collection

The second leaf collection will begin on Monday, October 24.

Watch [DPW Dan](#) or visit the [collection schedule](#) for more information.

The best fertilizer is already in your yard! Mulch your loose leaves and use them as fertilizer in your yard.

I-43 Fall Get Around Guide

The WisDOT has put together a guide to help you get around while construction continues on the I-43 North-South Project.

[View the guide](#) to see specifics regarding the County Line Road/Port Washington Road segment of the project.

Trick-or-Treat

Get your costumes ready! Trick-or-treat will take place in the Village on Sunday, October 30 from 1-4pm.

PetPatrol

The [Bayside Police Department](#) has launched their newest program, PetPatrol.

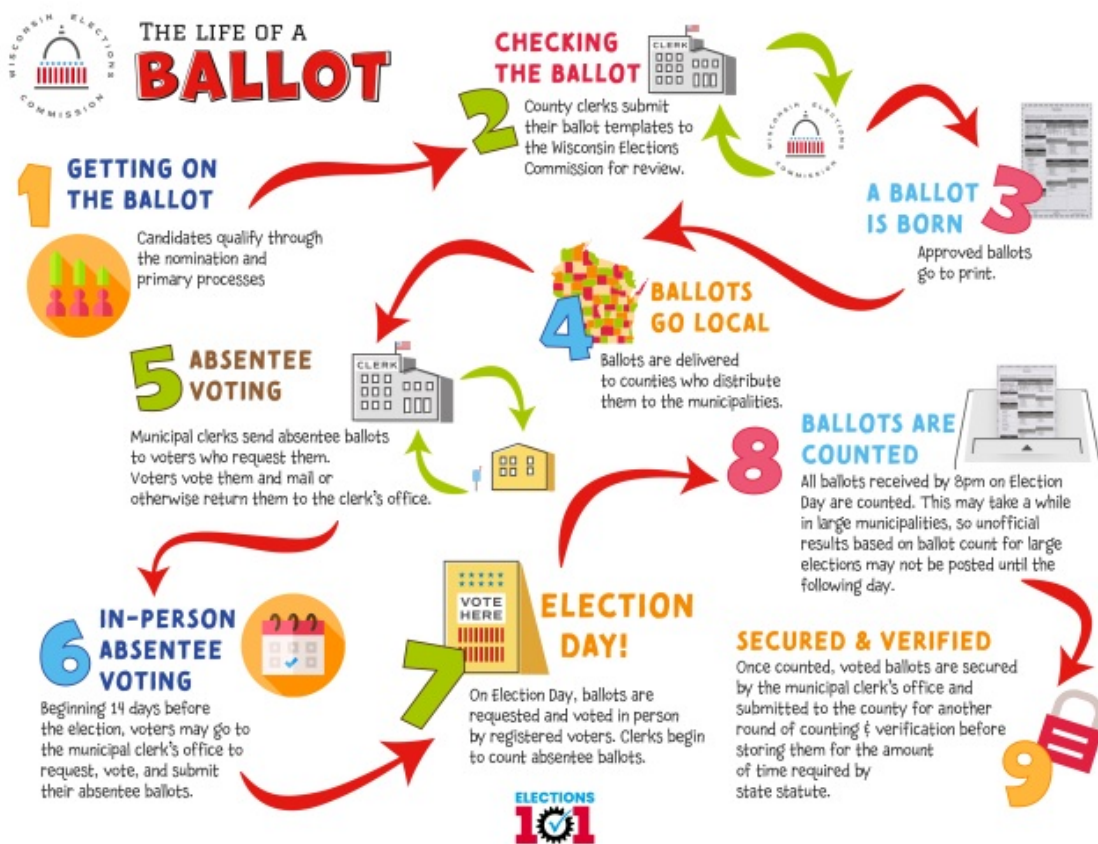

Often when pets become separated from their owners, the pet's identification tags are missing or become separated from the pet. To help facilitate the safe return of lost pets, the Police Department created the PetPatrol program.

[Register](#) your pet today!

The Life of a Ballot

More information is outlined below regarding registering to vote, voting absentee, returning your ballot, and more!

Register to Vote

You can register to vote and [request](#) an absentee ballot. October 19 is the deadline to register to vote by mail or online.

ONLINE

ABSENTEE

VOTE

November 8 Election Reminders

For any voter that has requested a ballot for the November 8 Election, absentee ballots have been mailed or will be mailed within 24 hours.

Voters who choose to vote by mail need to ensure the envelope has the witness signature and address in full in addition to the voter signature. Please be sure to follow the instructions included with your ballot in full. The Village Clerk's office is not able to make any correction to the envelope on your behalf.

In-person absentee voting will occur on weekdays from Tuesday, October 25, 2022, to Friday, November 4, 2022, during regular business hours (Monday through Friday, 8:00am to 4:00pm, until 5:00pm on Friday, November 4, 2022).

VOTE

Drop Box Closed

The drop box at Village Hall will be closed beginning on Thursday, September 22 through Election Day.

You may only return YOUR ballot to the Village Hall in-person. You may also mail the ballot.

Garbage and Recycling Reminder

Garbage and recycling carts must be out by 7am on collection day to guarantee that they will be picked up. The route may change from time to time depending on the driver and therefore carts will not always be

picked up at the same time. The route is run from 7am to 4pm. We appreciate your patience!

2022 Road Project

The paving portion of the project has been completed! The next and final step of the project is to complete restoration of the shoulder and landscaping in the project area which will occur next week.

For more updates on this project including the timeline and other Village projects, [visit us online.](#)

Tennyson Drive Storm Sewer Project

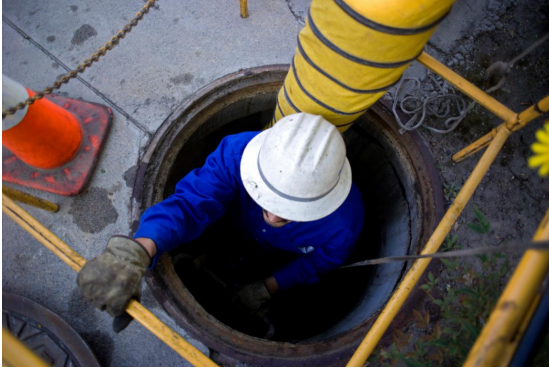

Building on previously installed Green Infrastructure Improvements, the Tennyson Drive Stormwater Management Infrastructure Project will address localized flooding during significant storm events and allow stormwater from the drainage basin to collect and direct runoff to the ravine located near Standish Place, southeast of the Tennyson Drive area of concern that currently experiences flooding.

For more updates on this project including the timeline and other Village projects, [visit us online.](#)

Sanitary Sewer Lining and Manhole Rehabilitation Project

10,000 feet of main line lining installation is near completion. Visu-Sewer is in the process of rehabilitating 60 manholes.

Residents may see Visu-Sewer trucks

around the Village. For more updates on this project and other Village projects, [visit us online.](#)

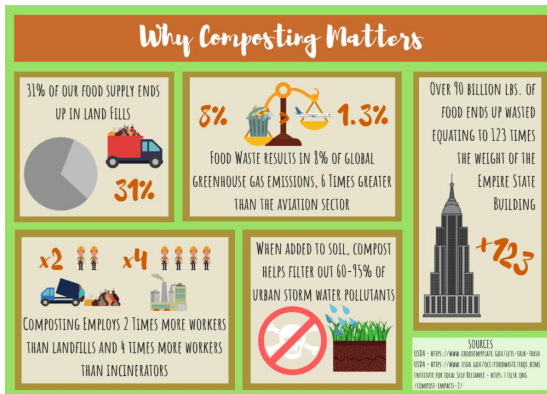

Schlitz Audubon Fall Events

Flight Night: October 13
Spend a fall evening with Milwaukee craft breweries and meet the birds of prey!

Species Spooktacular: October 16
Learn about some of nature's spooky and misunderstood animals!

Xtreme Raptor Day: November 5
Joint us for our annual festival that celebrates these powerful hunters of the sky!

Let's Compost!

Did you know, over 25% of the waste stream could be composted? Items like yard materials, vegetable and fruit scraps, coffee grounds and filters, newspaper, and more can be composted!

We are lucky to have two local companies who provide flexible composting services:
[Curby's Compost Service](#)
[Compost Crusader](#)

Healthy Lung Month

We rarely think about breathing except when we have trouble doing so and that's why every October is Healthy Lung Month. The bottom line is if we take care of our lungs, our lungs will take care of us.

5 Lung Facts to Help You Breathe Easier

1. They take in a lot of air - During a normal day we breathe nearly 25,000 times according to the National Institutes of Health.
2. Animals' lungs are different - Most animals with spines are called vertebrates and they usually have not one, but two lungs.
3. You can get by with only one -

Having only one won't stop you from living a pretty normal life.

4. They're different sizes - Because of your heart, the right lung is larger than the left lung.
5. They float - Human lungs have that rare quality of being the only organs that can float on water.

FEELING SICK?
IF YOU'RE NOT FEELING WELL, STAY HOME.

As the cold weather brings us indoors, and people gather together more, it is important if you feel sick to get tested and stay home while you have symptoms.
