

Fall Clean Up Day

Mark your calendars! The Fall Clean Up Day will be held on Saturday, October 8 from 9am to 12pm in the Department of Public Works parking lot. Acceptable materials include:

- Bicycles
- Cell Phones
- Electronics (TVs/Monitors require prepaid fee; no items containing freon - refrigerator, dehumidifier)
- Garbage
- Recycling
- Eyeglasses
- Ink Cartridges
- Light bulbs
- Habitat for Humanity donations
- Goodwill donations
- Paint (Will need to empty paint into separate container at event)
- Scrap metal
- Yard waste
- Plastic bags
- Paper recycling (to be shredded offsite by third-party).
- Motor oil

To participate, residents must provide three (3) non-perishable items or a monetary donation for the Hunger Task Force.

Leaf Collection

The first leaf collection will begin Monday, October 10. Leaves should be on the shoulder of the road - not in the ditch and not in the street. This practice is not only for collection purposes, but keeps stormwater clean!

Watch [DPW Dan](#) or visit the [collection schedule](#) for more information.

The best fertilizer is already in your yard!

Mulch your loose leaves and use them as fertilizer in your yard.

MMSD Household Hazardous Waste Collection

Milwaukee Metropolitan Sewerage District will be hosting a household hazardous waste collection at the Village of Bayside Public Works parking lot on Saturday, October 15 from 8am to 2pm. A full list of accepted items can be found on their [website](#).

Please enter off Regent Road and exit on Fairy Chasm Road.

For more information, please call 414-225-2066.

Trick-or-Treat

Get your costumes ready! Trick-or-treat will take place in the Village on Sunday, October 30 from 1-4pm.

PetPatrol

The [Bayside Police Department](#) has launched their newest program, PetPatrol.

Often when pets become separated from their owners, the pet's identification tags are missing or become separated from the pet. To help facilitate the safe return of lost pets, the Bayside Police Department has created the PetPatrol program. The program allows residents to submit a photo and information pertinent to the pet, along with contact information for the pet owner. This information would be maintained by the Bayside Police Department to aid officers in reuniting lost pets with their owners when they are reported and/or found.

[Register](#) your pet today!

Register to Vote

You can register to vote and request an absentee ballot online at <https://myvote.wi.gov/en-us/>. October 19 is the deadline to register to vote by mail or online.

November 8 Election Reminders

For any voter that has requested a ballot for the November 8 Election, absentee ballots have been mailed or will be mailed within 24 hours.

Voters who choose to vote by mail need to ensure the envelope has the witness signature and address in full in addition to the voter signature. Please be sure to follow the instructions included with your ballot in full. The Village Clerk's office is not able to make any correction to the envelope on your behalf.

In-person absentee voting will occur on weekdays from Tuesday, October 25, 2022, to Friday, November 4, 2022, during regular business hours (Monday through Friday, 8:00am to 4:00pm, until 5:00pm on Friday, November 4, 2022).

Drop Box Closed

The drop box at Village Hall will be closed beginning on Thursday, September 22.

You may only return YOUR ballot to the Village Hall in-person. You may also mail the ballot.

Flu Vaccine Clinic

SAVE THE DATE

NORTH SHORE HEALTH DEPARTMENT
 nshealthdept.org • (414) 371-2980

The North Shore Health Department is hosting a flu vaccine clinic at Nicolet High School on Saturday, October 8 from 9am to 11am.

Flu shots are \$10 for those 18 years old and under. Other vaccines available are listed to the left.

For questions regarding the flu clinic, contact the North Shore Health Department at 414-371-2980.

Breast Cancer Awareness Month

The month of October is recognized as Breast Cancer Awareness month by the American Cancer Society to raise awareness about breast cancer. According to the American Cancer Society, breast cancer is the most common cancer in American women, except for skin cancers. Currently, there is a 1 in 8 chance a woman will develop breast cancer in her life.

There are some preventive measures to take to reduce your risk of developing breast cancer:

- Get to and stay at a healthy weight.
- Be physically active.
- Avoid or limit alcohol.

For women at an average risk of breast cancer (no personal history of breast cancer, no strong family history of breast cancer, etc.), regular screening is recommended for early detection of breast cancer.

Garbage and Recycling Reminder

Garbage and recycling carts must be out by 7am on collection day to guarantee that they will be picked up. The route may change from time to time depending on the driver and therefore carts will not always be picked up at the same time. The route is run from 7am to 4pm. We appreciate your patience!

2022 PAVEMENT RESURFACING PROGRAM
VILLAGE OF BAYSIDE, WI

2022 Road Project

The paving contractor, Payne & Dolan, will be in the Village beginning the week of October 3. The contractor will be milling, grading, and repaving the roads in the project area.

For more updates on this project including the timeline and other Village projects, [visit us online.](#)

Tennyson Drive Storm Sewer Project

Building on previously installed Green Infrastructure Improvements, the Tennyson Drive Stormwater Management Infrastructure Project will address localized flooding during significant storm events and allow stormwater from the drainage basin to collect and direct runoff to the ravine located near Standish Place, southeast of the Tennyson Drive area of concern that currently experiences flooding.

For more updates on this project including the timeline and other Village projects, [visit us online.](#)

Sanitary Sewer Lining and Manhole Rehabilitation Project

Visu-Sewer will be cleaning and televising the sewer mains beginning August 29. The lining installation began this week. There are approximately 10,000 feet of main line and approximately 60 manholes that are included in the project.

Residents will begin to see blue Visu-Sewer trucks around the Village. Remember to keep toilet lids down during this process.

For more updates on this project and other Village projects, [visit us online.](#)

Schlitz Audubon Fall Events

Flight Night: October 13

Spend a fall evening with Milwaukee craft breweries and meet the birds of prey!

Species Spooktacular: October 16

Learn about some of nature's spooky and

misunderstood animals!

Xtreme Raptor Day: November 5
Joint us for our annual festival that celebrates these powerful hunters of the sky!

Why Composting Matters

- 31% OF OUR FOOD SUPPLY ENDS UP IN LAND FILLS
- 31%
- 8% FOOD WASTE RESULTS IN 8% OF GLOBAL GREENHOUSE GAS EMISSIONS, 6 TIMES GREATER THAN THE AVIATION SECTOR
- 1.3%
- OVER 90 BILLION LBS. OF FOOD ENDS UP WASTED EQUATING TO 123 TIMES THE WEIGHT OF THE EMPIRE STATE BUILDING
- +723
- WHEN ADDED TO SOIL, COMPOST HELPS FILTER OUT 60-75% OF URBAN STORM WATER POLLUTANTS
- COMPOSTING EMPLOYS 2 TIMES MORE WORKERS THAN LANDFILLS AND 4 TIMES MORE WORKERS THAN INCINERATORS

SOURCES: USDA - NPS; WWW.USDA.GOV/COMPOSTING; EPA - TRAC; EPA - WWW.USDA.GOV/COMPOSTING; EPA - TRAC; WASTEWATER FOR LOCAL GOV. BODIES - WWW.FICER.ORG; COMPOST - SOURCE: 21

Let's Compost!

Did you know, over 25% of the waste stream could be composted? Items like yard materials, vegetable and fruit scraps, coffee grounds and filters, newspaper, and more can be composted!

We are lucky to have two local companies who provide flexible composting services:

FEELING SICK?

IF YOU'RE NOT FEELING WELL, STAY HOME.

As the cold weather brings us indoors, and people gather together more, it is important if you feel sick to get tested and stay home while you have symptoms.
