

# BAYSIDE BUZZ

VILLAGE OF BAYSIDE

## Saving a Life

The Bayside Communications Center (BCC) recently implemented [Emergency Medical Dispatching services](#). EMD initiates and coordinates the most appropriate emergency medical service response while providing medical assistance to callers over the phone until help arrives. .

BCC Telecommunicator, Paige Moss, recently responded quickly and diligently to initiate the EMD protocol providing lifesaving instructions to the caller who assisted a patient in cardiac distress.

Both the Village Board and Badger Meter recognized Paige for her character, work ethic, and ultimately saving a life. Great job, Paige!

## Holiday Recycling Day

The annual Holiday Recycling Day will be held on Tuesday, December 27 from 2-5 pm in the DPW parking lot.

Items accepted include:

- Yard waste
- Recycling
- Electronics (TV and monitor fees must be paid in advance)
- Scrap metal
- Plastic bags
- Light bulbs
- Ink cartridges
- Eyeglasses
- Cell phones
- Paper, for shredding

Please enter off of Fairy Chasm Road.

## Holiday Closures and Collection Impacts

Village Hall and the Department of Public Works will be closed on December 23, 26, 30 and January 2 in observance of holidays.

Garbage and recycling collection will be delayed 1 day on the week of December 26 and January 2. During these weeks, the following changes will occur.

- Monday garbage collected Tuesday.
- Tuesday garbage collected Wednesday.
- Wednesday recycling collected Thursday.

For more information, visit the [2022 Collection Guide](#) or [2023 Collection Guide](#).

## Mount Bayside is Open

It's open, are you ready?

Please park in the sled hill parking lot, immediately to the west of the sled hill or at Village Hall.

Enjoy! !

## Vacation Checks and Parking Permission

If you are heading out of town for the holidays, the Police Department can check on your home to ensure everything is just as you left it. Request a [Vacation Check](#) today!

If you are having guests over for the holidays, make sure to request [on-street parking permission](#) for your guests from the Police Department.

## Blood Drive

Versiti Blood Center of Wisconsin will be hosting a blood drive at Village Hall (9075 N Regent Rd) on December 28 from 9:30am to 2:30pm. [Schedule your appointment](#) today!

Hurry, less than 10 appointments are still available!

## Holiday Recycling Tips

Some holiday recycling tips!

Put in your Recycle Bin:

- Empty cardboard and paper boxes
- Catalogs
- Paper greeting cards (no electronic/musical cards)
- Cartons (including empty Eggnog cartons)
- Wrapping paper tubes
- Paper based wrapping paper
- Normal recyclables

DO NOT Put in your Recycle Bin:

- Metallic looking wrapping paper
- Bows or ribbons
- Christmas lights
- Bubble wrap
- Styrofoam
- Plastic bags

## Be Courteous, Scoop the Poop

Please be a good neighbor, remember to pick up after your pet when you are on a walk. Take a bag for pet waste with you.

There are pet waste disposal stations located at Ellsworth Park and on Brown Deer Road where you can find both a bag and a proper place to dispose of the bag after use.

Please don't leave the pet waste bag in the road, sidewalk, or in someone's yard.

## Carts Available for Rent

Having guests over for the holidays?  
Expecting extra garbage and recycling?

Garbage and recycling carts are available for rent. Submit your request through [Access Bayside](#) and DPW will deliver your cart.

Payments can be made [online](#) or at Village Hall.

## Pet Licenses

2023 Dog and Cat Licenses are now available. Apply in person at Village Hall or [online](#).

Licenses are required for pets aged five (5) months and older. Proof of current rabies vaccinations with the rabies certificate number and expiration date must be provided to issue the license.

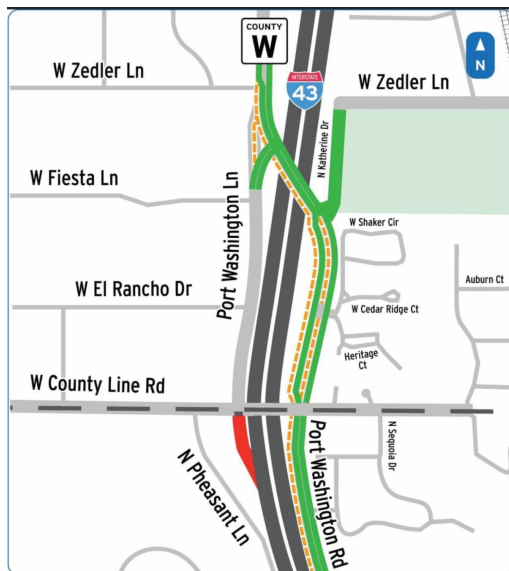

Licenses must be renewed each year. The deadline to apply without an additional fee is March 31.

## Christmas Tree Collection

The Village will be collecting Christmas trees on Thursday, January 5 and 12.

- Place trees at the edge of the road by 7 am.
- Do not place trees in plastic bags.

## Port Washington Road Bridge Open

The Port Washington Road Bridge that crosses I-43 in Mequon near Katherine Kearney Park has reopened.

As roads open, there is still construction being completed in the area. Please continue to use caution while driving in construction zones.

Also, as the Port Washington Road construction continues, the City of Mequon, Village of Bayside, Milwaukee County and Ozaukee County have partnered and a new traffic signal will be installed at the intersection of County Line Road and Port Washington Road in mid-2023.

## OneNorth "Building C" Plan Approved

Plans for the new North Shore Library within the OneNorth development "Building

C" were formally approved by the Village Board on December 15, after review and recommendation by both the Architectural Review Committee and Plan Commission.

---

## Hunger Task Force Food Drive

Let's keep going, Bayside!!! So far, the Village's Virtual Food Drive has raised a total of \$1,174 in donations. The food drive will continue through the December holidays.

You can donate and shop the Virtual Food Drive at [Food For Families Virtual Food Drive - Hunger Task Force](#)

---

## Property Tax Bills

Property tax bills were mailed December 6.

The first property tax installment is due January 31, 2023. Property tax payments can be paid via US mail, dropped in the drop box outside Village Hall, or in Village Hall during normal business hours.

Please note, Village Hall will be closed December 23, 26, 30, and January 2 in observance of holidays. You may use the Village Hall drop box to pay your tax bill if Village offices are closed.

If you are utilizing the installment plan, property tax payments are due January 31, March 31, and May 31, 2023.

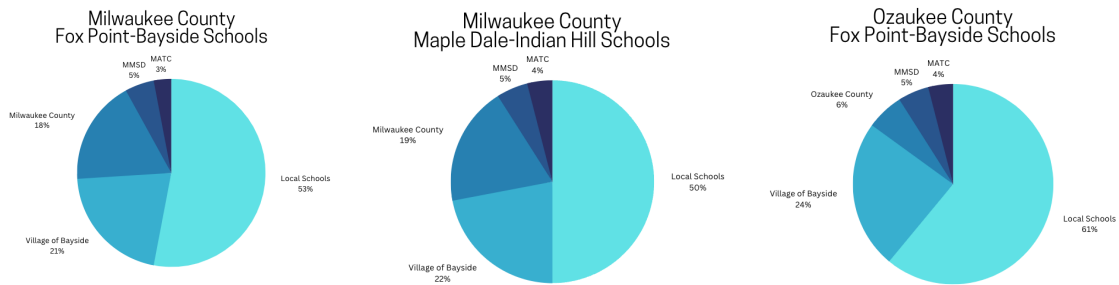

---

## Property Tax Facts

The Village has multiple taxing jurisdictions, each of which submit their tax levy to the Village. The Village does not determine tax levies for jurisdictions other than the Village. Your tax bill will vary based on the county and school district in which you reside, as well as your property's assessed value.

Assessed values are established by the independent assessor and are established through the reassessment, open book, and board of review process in the spring and summer of each year.

The Village collects all property taxes. Approximately 23 cents of each dollar is for Village services. The remaining 77 cents per dollar is distributed to the other taxing jurisdictions.

Voter approved referendums impact property tax bills and can vary between school districts in the Village. As a reminder, the voter approved referendums in April will be on your property tax bill.

- For those residents who live within the Maple Dale-Indian Hill School District, please learn more about property tax impacts from the April 2022 [Nicolet School District](#) voter approved referendum.
- For those residents who live within the [Fox Point-Bayside School District](#), please learn more about the property tax Impacts from the April 2022 of both the [Fox Point-Bayside School District](#) and [Nicolet School District](#) referendums.

Please contact the [Nicolet School District](#) and [Fox Point-Bayside School District](#) for more information.

### Mill Rates

What is a mill rate? The mill rate is the amount of property tax a property owner pays per \$1,000 in valuation. How is the mill rate calculated? The visual shows that even with an increase in your assessment, the mill rate will adjust accordingly.

### Misconceptions

One common misconception that an increased assessment will

automatically lead to a tax increase. Overall, the Village of Bayside experienced increases in assessed value in 2022. However, revaluations are revenue neutral. In other words, an increase in total property value does not necessarily mean that the Village of Bayside and/or other taxing jurisdictions will collect more tax dollars. Property assessments are used to determine each owner's share of the total tax burden. Therefore, some owner's shares will increase, some will decrease, and some will stay about the same depending on how their assessment changed in relation to the average increase of 16%.

### Example

For example, when tax levies remain constant, a property valued at \$400,000 in 2021 with a tax rate of \$6.74/\$1,000 would be nearly the same as a home valued at \$450,000 in 2022 with a tax rate of \$5.99/\$1,000.

## What's A Mill Rate?

The Mill Rate is calculated by dividing the total taxes needed by the total assessment value of the community. An increase in assessed value does not equate to an increase in your taxes.

**MILL RATE =**  $\frac{\text{Total Taxes Needed}}{\text{Total Assessed Value}}$

It is a simple mathematical fact, if taxes stay the same and assessed values increase, the mill rate will fall, and your taxes will stay about the same.

**2021:** Assessed Value \$400,000 / 1,000 x Mill Rate 6.74 = Taxes \$2,696

**2022:** Assessed Value \$450,000 / 1,000 x Mill Rate 5.99 = Taxes \$2,696

**12.5% Village Increase**

To learn more about the revaluation, please visit [accurateassessor.com](#)
