

BAYSIDE BUZZ

VILLAGE OF BAYSIDE

2,594 trees

In the first 18 months of operation, the solar array installed on the Department of Public Works rooftop, which provides power for the Public Works facility, Bayside Emergency Dispatch Center, Police Department and Village Hall, has generated 222 MWh of electricity.

The power generation of the solar array to date is equivalent to planting 2,594 trees and has saved 343,368 pounds of CO2 emissions.

Due to these efforts, revisions to the solar permitting process, participation in the Midwest Solar consortium and more, the Village has been recognized as a Gold SolSmart Community!

Bayside Citizen Academy

The Bayside Citizens Academy is a new program offered to residents of Bayside. The program aims to provide a closer look at the operations of local government and the jobs of those who work for the Village.

The Academy will be comprised of seven interactive learning sessions led by Village staff who will provide participants with an in-depth look at Village departments and operations including, but not limited to, police, fire and EMS, public works, emergency dispatching, elections, budgeting, property taxes, library, and health. Not only will participants learn about the operation, but also tour the facilities. Yes, that means spend time in jail, listen to 911 calls, sit in the garbage truck, and more.

Participants will navigate the program as a cohort, learning alongside fellow community members. Sessions will be held on specified Wednesday evenings from 6-8pm. The Village will hold a graduation reception at 5:30 on Thursday, May 18 and a graduation ceremony at 6pm at that evening's Board of Trustees meeting.

The application for the Bayside Citizens Academy is now open and will close on Wednesday, January 31. More information regarding specific dates, content, and applying can be found the [BCA Brochure](#).

Pet Licenses

In 2022, 166 dogs and 14 cats were licensed in Bayside - do we have more furry friends than that?

Where's my license?

2023 Dog and Cat Licenses are now available. Apply in person at Village Hall or [online](#).

Licenses are required for pets aged five (5) months and older. Proof of current rabies vaccinations with the rabies certificate number and expiration date must be provided to issue the license. Licenses must be renewed each year.

The deadline to apply without an additional fee is March 31.

Tree Trimming

The Village of Bayside has an established tree maintenance program which consists of the care and improvement of all trees on public property and in the Village right of way. The goal is to complete safety pruning for each street tree once every five to seven years.

Tree branches that hang too low can impede sight lines, damage vehicles, injure pedestrians, and impact the health of a tree. The Village will be completing safety pruning on trees, bushes, and other obstructions within the Village right of way.

Prior to safety trimming, residents will be notified with a door hanger at least one week in advance that a tree adjacent to their property will be trimmed.

Forestry

Property Tax Bills

Property tax bills were mailed December 6.

The first property tax installment is due **January 31, 2023**. Property tax payments can be paid via US mail, dropped in the drop box outside Village Hall, or in Village Hall during normal business hours.

If you are utilizing the installment plan, property tax payments are due January 31, March 31, and May 31, 2023.
