

## Go Red for Heart Health

February is Heart Health Month, and Friday, February 3, 2023 is National Wear Red Day and American Heart Month National Wear Red Day.

Nearly 45% of females, 20 years and older, are living with some form of cardiovascular disease. Hypertension, also known as high blood pressure, is often called the "silent killer". Among blood pressure death, 51.9% are in women.

It's important to know that signs and symptoms of a heart attack or stroke can be different between men and women.

## Brown Deer Road Construction Update

The Milwaukee Metropolitan Sewerage District contractor has begun constructing a new sewer thus closing Brown Deer Road at Regent Road and at Rexleigh Drive, this past Monday. Access to the Bayside Garden Center and the residences along this section of road will be from the east side of Brown Deer Road.

The marked detour route for those traveling eastbound is Port Washington Road to Green Tree Road to Lake Drive and the reverse for those traveling west bound.

The project includes construction of a 27-inch sewer that will be installed using underground tunneling methods. Large shafts, which look like big holes, are used to lower tunneling equipment

underground. The project will be under construction through July 2023.

MMSD Project

## Bayside Middle School Update

Bayside Middle School has submitted plans to the Architectural Review Committee for the new Bayside Middle School building. The project requires review of architectural elements of the building and will be on the February 13 Architectural Review Committee (ARC) agenda.

Project plans will be available on the Village of Bayside website early next week in the ARC packet.

## Bayside's Turning 70!

On February 13, the Village of Bayside will be turning 70! We want you to celebrate with us!

Do you have a [favorite memory](#) or cool picture from your time in Bayside? Creative?

Like coloring? [Choose a coloring page template!](#) Send them to [70thbirthday@baysidewi.gov](mailto:70thbirthday@baysidewi.gov) by February 10 for a chance to be posted in Village Hall until February 13!

Come in to Village Hall and mark on the map where you live and how long you've been in Bayside!

Happy Birthday Bayside!

## Don't Forget Your Permit!

From small updates to large additions, many home projects require permits in Bayside. Though often seen as just an additional project cost, they are beneficial for everyone involved. Permits and inspections help protect the housing stock, the commercial buildings, and the infrastructure in Bayside. Permits also help ensure that the work being done meets the health and safety standards set adopted by the Village Board and allows the Village to

keep a record of the work that has been done on the property.

Planning a home renovation in 2023? View our Building Services Information Sheets for more information. Still have questions? Call us at 414-206-3915.

## Spring Primary

The Spring Primary will be held on February 21, 2023. Now is the time to make sure you are ready to vote in the next election.

Voting absentee? Voters must request absentee ballots each calendar year unless they have previously indicated that they are indefinitely confined.

Visit MyVote to register to vote, update your voter information, request an absentee ballot, view a sample ballot, and more.

## Dropbox Closed

The Village Hall dropbox located under the flagpole has been locked and will be locked through February 21.

The mailbox has been locked due to a 2022 decision and instructions given by the Wisconsin Elections Commission.

Residents are still able to send correspondence to the Village via USPS and/or visiting Village Hall during normal business hours, Monday through Friday from 8:00 am to 4:00 pm.

## Will You Be Our Tweetheart?

Did you know, Bayside has been a Bird

City since 2010?

# Will you be our #tweetheart?

You can do your part by mitigating for bird collisions in your home and places of business. There are four ways you can keep birds from striking windows:

1. Installing barriers between birds and the window exterior
2. Breaking up reflections that birds see in windows
3. Removing the illusion of a clear passageway
4. Turning off or down-shielding outdoor lighting

Download our Tweetheart Printables and hang them in your windows to spread the love to our feathered friends!
